

## KIT OPTIONS/DESCRIPTIONS:

### **BOLD Kit**

#### **Bold Kit Fragrances**

**Black Belt:** No karate here, unless you consider being a master tanner of Leather Hide a top-level achievement...

**Basil, Sage & Mint:** Fresh with a bit of brightness and spice, this fragrance can add a subtle sharpness to your custom blend.

**Oud:** A sensual experience with hints of Bergamot, Tonka Amber, and Black Sandalwood would have anyone saying “OOO” just like the sound of its name!

**Cuban Tobacco:** Don't let the name fool you - individual notes of Bergamot, Tea Leaf, and White Cedar & Amber are the perfect addition to the Tobacco Flower base.

### **CALM Kit**

#### **Calm Kit Fragrances**

**Violet:** This light combination of Raspberry, Lilac, Jasmine, and Rose can offer a sweet touch to your custom blend.

**Sandalwood:** Leaning heavily on the Oriental Wood, this oil is a terrific warm base note frequently used in incense and a variety of perfumes & colognes.

**White Patchouli:** Having just a hint of White Peony adds the right twist to a traditional Patchouli scent.

**Vanilla Wood:** A warm mixture of Oak and Sandalwood play nicely with the soft & sweet Vanilla.

## **GROUND**ED Kit

### **Grounded Kit Fragrances**

**Sandalwood:** Leaning heavily on the Oriental Wood, this oil is a terrific warm base note frequently used in incense and a variety of perfumes & colognes.

**Hibiscus:** This exotic Hibiscus, sweet Mango, and warm Amber scent will transport you right onto the white sand beaches of Maui!

**English Ivy:** This sprightly Floral & Herbal oil will remind you of a morning in the English countryside (or perhaps just what you would envision an English countryside smelling like...).

**Naked In the Woods:** Yep, you read that right! With a unique name comes a unique blend of fragrances such as Sun-Warmed Figs, Italian Bergamot, White Tea Leaves, Sweet Heliotrope and Sandalwood.

## **JOYFUL** Kit

### **Joyful Kit Fragrances**

**Oud:** A sensual experience with hints of Bergamot, Tonka Amber, and Black Sandalwood would have anyone saying “OOO” just like the sound of its name!

**White Ginger & Amber:** Enhanced with a hint of Jasmine, the muskiness of Ginger and Amber take on a gentler approach.

**Hibiscus:** The exotic scent of Hibiscus, sweet Mango, and warm Amber will transport you right onto the white sand beaches of Maui!

**Black Pepper & Bergamot:** Layers of Spicy Black Pepper add a wee kick to the softer Bergamot & Lavender mix.

## **REFRESHED Kit**

### **Refreshed Kit Fragrances**

**Oud:** A sensual experience with hints of Bergamot, Tonka Amber, & Black Sandalwood, you'll find yourself saying "OOO" just like its name!

**Santalwood:** Leaning heavily on the Oriental Wood, this oil is a terrific warm base note frequently used in incense and a variety of perfumes & colognes.

**Beach Bonfire:** No smoke alarms will go off with this unexpected scent! Orange Zest, Thyme, Lavender, Driftwood, and Oakmoss twist together like a bright flame in this fragrance oil.

**Madagascar:** This tropical aroma consists of Sugared Oranges, Lemons, and Limes reminiscent of Exotic Mountain Greens.

## **ROMANTIC Kit**

### **Romantic Kit Fragrances**

**French Vanilla:** This aroma has a bit more intrigue with its richer take on traditional Vanilla.

**Fig:** This spicy yet sweet desert fruit is refreshing with just the right balance - perhaps the perfect description of a romantic partner?!

**Champagne:** One inhale and you would swear the bubbles are tickling your nose! This blend carries a slightly sweet, effervescent fragrance.

**White Jasmine:** The combination of Jasmine, Lily, and Rose are wrapped around by a soft and sensual Wild Mint.
