# PARK PRESIDENT NEWS

BY JEFF SWEITZER [jeff@sandypines.com](mailto:jeff@sandypines.com)

Welcome back to our Members! It is time to get things moving again at our wonderful park and golf course even if it is a slow start. Before we move into updates regarding our wonderful park and golf course, we need to remind ourselves what the month of May should truly inspire, Thanks and Remembrance! "No duty is more urgent than that of returning thanks." "May we never forget freedom isn't free." "A hero is someone who has given his or her life to something bigger than oneself." "The brave die never, though they sleep in dust, their courage nerves a thousand living men." - unknown source. Please take time to remember those who have fought and died for our freedoms and Thank those who have returned, yet lost friends in the process.

We would like to Thank You for your patience, cooperation and understanding. We also want to Thank You for all your prayers to the entire staff and me personally. None of us ever imagined the things we are dealing with today: 1. Health Pandemic and 2. National Economic Crisis. We continue to deal with these trying times of COVID-19, what it means to all of us as a potential new norm, the impact to us financially and the impact to Sandy Pines and Lake Monterey Golf Course. I am sure many of you may have been impacted by COVID-19 just as my family has by losing someone you know or love. This is serious and a real threat.

As we communicated at the end of April, we are implementing a 3 Step Plan to restart our park and golf course. This Footprints edition will focus on Step 1 of our plan by department, what you will see when you return and what to look for when you are back engaging within the park. Therefore, it will be different than past Footprints communication. We have worked diligently with our State, County and Local officials to develop this plan. It is important to keep in mind that Sandy Pines has an obligation to comply with the Executive Orders issued by the State. We continue to do that while still employing the essential workers and ensuring basic minimum operations. At the same time, we will be understaffed for a period of time through the reopening of the season. As much as Sandy Pines has sought to comply with the Executive Orders, please keep in mind that each site and each member has an equal obligation to comply with the Executive Orders. We are all in this together. Towards that end, the Sandy Pines' re-opening plan seeks your cooperation as we implement the steps to re-open the park. The success of the plan also relies on you the members.

## Step 1 Restart Plan: 5/1/20

- Members and Immediate Household Only allowed park access
  - Members with children living outside the household included

- Paid Seasonal Sites Members Can Arrive/Return
- Maximum Site Occupancy 8 persons per site meeting above requirements
- Main Gate and Phase 3 Entrance only – PSO to confirm count and household

## Step 2 Restart Plan: 6/1/20

- Associate, Non-Immediate Household Member(s) & Guests allowed park access
  - Associate cards turned back on for park access
- June 15 - Camping (sites and cabins) reopen on a limited basis
- Reviewing financial impact to limited camping

rescinding of contractor privileges in The Park.

f. Executive Order 2020-59 includes the following:

“This order must be construed broadly to prohibit in-person work that is not necessary to sustain or protect life.

Subject to the exceptions in section 7 of this order, all individuals currently living within the

State of Michigan are ordered to stay at home or at their place of residence. Subject to the same exceptions, all public and private gatherings of any number of people occurring among persons not part of a single household are prohibited.

All individuals who leave their home or place of residence must adhere to social distancing measures recommended by the Centers for Disease Control and Prevention (“CDC”), including remaining at least six feet from people from outside

the individual’s household to the extent feasible under the circumstances.

No person or entity shall operate a business or conduct operations that require workers to leave their homes or places of residence except to the extent that those workers are necessary to sustain or protect life or to conduct minimum basic operations.”

## COMMUNICATION NEWS

BY JOSH JANOWIAK [josh@sandypines.com](mailto:josh@sandypines.com)

Communication has been vital these past few months due to the fluid nature of the COVID-19 pandemic. As much as we plan ahead and try to be proactive, everything changes and develops so quickly that it’s hard to keep up. Please keep in mind that whenever new executive orders are issued it takes us time to review all of the changes in great detail, interpret how they impact Sandy Pines as both a community of home owners and a recreational campground, and confirm those details with Allegan County before we’re able to address questions. In the social media age, everyone wants answers immediately and unfortunately it can take a few days to clarify details before we’re able to address questions.

Please continue being patient and direct your questions to our website and our Facebook Page. We’ll respond to all inquiries as soon as we’re able to do so accurately. Please also be cautious of secondhand information shared by others. Direct answers from our staff, our official Sandy Pines Website and our official Facebook page are the only sources that we can guarantee the accuracy of the information.

We have many new ways to keep you informed during the pandemic. If you didn’t get a chance to read our April Footprints Communications Update at [sandypines.com/AprilComNews](http://sandypines.com/AprilComNews), now would be a great time to do so as it covers our

entire communication funnel and process in great detail. In summary, we typically communicate all information and updates through the following media:

- The Sandy Pines Website Blog Posts, Alerts, Cancellations & Events
- Sandy Pines Cable Channels 27.1-27.4
- Rave Alert SMS Texts & E-Mails
- Facebook Social Media Posts
- Weekly Member E-News Updates
- Weekly Flyers (Memorial-Labor Day Weekend)
- Monthly Footprints Magazine

# FINANCE & ACCOUNTING NEWS

BY KIMBERLY WILLIAMS [kim@sandypines.com](mailto:kim@sandypines.com)

We welcome you back to the awaited 2020 season with warmest wishes!

## 2020 Seasonal Renewals

Due to the unprecedented events of COVID-19 and the effect on staffing within the park, the 2020 Seasonal Renewal invoices have been delayed and will be mailed out the week of May 11th. With this adjustment in timing, we have also extended the payment due date to June 25, 2020. We would like to thank all members who are diligent in keeping your account payments up to date. Your commitment to Sandy Pines is greatly appreciated.

## Payment Options through COVID-19

As we begin the new season of 2020, we are directing payments through electronic means for the safety of our members and staff. The 3 ways we would like to direct you for payment is as follows; Online Payment through the Member Web Access portal, Bill Pay through your personal bank, or over the phone by credit/debit card with Member Service. The 3% pass-through service charge on payments made through the Member Service Online Payment portal and payments made over the phone will be waived and the cost absorbed by Sandy Pines. A 1.5% service charge will still be applied on any unpaid balances past the due date.

## Financial Statement Review

The Board of Directors met on Friday, March 20th to review the November 2019 through February 2020 financial statements for both SPWT and LMGC. Below is a review of the financial statements as of the end of February 2020.

## Sandy Pines Wilderness Trails

- Current cash equivalents as of February 2020 is up approx. \$671k or 16.3% over prior year.
- Total Member Accounts Receivable is down approx. \$12k, which has been obtained by monitoring of 60+ days past due accounts.
- The current expenditures for the FEMA building are recorded under Acquisitions – Grant Funded. A reimbursement

request for the amount \$185,407 is currently in submission with FEMA.

- Current liabilities are down \$407k or 67%; related to timing differences in outstanding payables bills.
- Total Net Income is down 8.9% up from prior year, however this is early in the year, with time to pick up during the season, and includes an additional payroll run paid on 2/28/2020.
  - Sales and Hospitality gross income is up 48% from prior year, specifically Commission Income 12%, Transfer Fee Income 25%, and Site Rentals by 25%.
  - Recreation net income is up \$2,148 from prior year at \$293. The increase is related to Fall Fest and Winterfest activities.
  - Rental for Golf Carts is up 32%.
  - Member Service Income is up 26%.
  - Retail Center gross income is up 10%.
  - Other Operating Expenses is showing an increase of 19% over prior year. February YTD Totals include an additional payroll paid on 2/28/2020. Without this payroll, Other Operating Expenses are up 16% over prior year.
  - Public Safety Payroll also includes salaries related to overlapping training time for our Public Safety officers.
  - Repair and Maintenance Cost YTD are 19% increased over the costs incurred February 2019 YTD.
  - Sticker Expenses are significantly higher over FY2019 February YTD, but relates to the cost of the license plates for the new year. These costs are offset by the sticker income for the year.
  - Grounds Maintenance is 38% higher over prior year.

## Lake Monterey Golf Course

- Current cash equivalents as of February 2020 is down 9%, which is a pickup from the decrease of 30% at the beginning of the fiscal year.
- Current Liabilities are down 45%
- Other Net Loss is down 14.6%
- Total Gross Income is up .35% and Total Operating Expenses is up 17% related to R/M Equipment, R/M Course, Gas/Oil/Auto, Advertising

The Board is currently scheduled to meet on Friday, May 22nd to review for approval the most current March and April 2020 financial statements. The Board will also be reviewing for first draft of approval the 2020-2021 season budgets.

The current COVID-19 situation has Sandy Pines focusing heavily on the health concerns of our staff, members and community, but also just as much on the financial position of the park. Sandy Pines is blessed to have had a strong financial position going into the pandemic ending the 2019 fiscal year with a 183 days cash to days of operations reserve.

Membership dues for the 2020 season will not be reimbursed, nor prorated. Membership dues for the season cover 40% of the park's operational expenses. At the end of February 2020, the onset of the pandemic in Michigan, Sandy Pines had already incurred year-to-date, approximately 34% of expenses. Even with the furlough of a portion of our staff, the overall routine expenses of the park continue to occur with security coverage and minimal administration coverage, property taxes, utilities, and continuing minimal maintenance of the park. These expenses will continue to occur, regardless of the pandemic, just as with your own personal property taxes, utilities payments or other commitments. The membership dues will be an essential factor to help carry the park through the economic shift we are experiencing due to the pandemic. Sandy Pines will however be assessing renewal charges on a specific item basis to determine where a reimbursement or pro-ration will be applied. With the uncertainty

# EMERGENCY SERVICES NEWS

BY STEVE DEYARMOND [steve@sandypines.com](mailto:steve@sandypines.com)

## COVID-19 Precautions

The Coronavirus Disease (COVID-19) is a highly contagious respiratory disease caused by the SARS-CoV-2 virus.

Up to 25% of COVID-19 patients are asymptomatic (no symptoms) and do not show Coronavirus symptoms. Persons can spread the virus unknowingly to others as a result. The most common symptoms reported by the Center for disease control (CDC) are:

- Fever 100.4
- New Dry Cough
- Shortness of breath
- Fatigue

## Transmission of Disease

Present research indicates that liquid droplets are suspended in the air during respiration, upon talking, clearing your throat, through droplets of saliva or discharge from the nose or by cough or sneeze. Airborne droplets are necessary to transmit the virus. Airborne droplets can be suspended in the air from coughs and sneezes. The droplets need to go from the infected person's mouth or nose into someone else's mucus membranes - eyes, nose, mouth or inhaled. The disease can also be transmitted by touching a contaminated surface where a droplet has fallen and then the touch their eyes, nose or mouth.

It is important in limiting the spread of disease through:

1. Physical/social distancing-6 feet or more
2. Proper hand washing 20 seconds with soap and water

3. Coughing into tissues
4. Disposing of used tissues
5. Avoiding touching eyes, nose, and mouth
6. Wear a surgical or cloth face mask when in public

It is important to social/physical distance from others at least six feet when in public places. Safety is a means of restricting your own activities where others are present in public places. Shopping should be done by one family member and if possible, utilize a shopping service and do pickup. During this crisis, the norm of doing business has changed. Please interact by phone, e-mail or over the internet. The less interaction that you have with others in face to face interactions the safer it is for you. Interactions of youth with others. During this time parents may want to limit youth to immediate interaction with other youth on golf carts.

## Cloth or Surgical Masks

Cloth or surgical masks are intended to protect others and not the wearer of the mask. The cloth or surgical mask collects most respiratory droplets expired thus reducing the transmission to others. A surgical or cloth mask may be effective in blocking splashes and large-particle droplets, a face mask, by design, does not filter or block very small particles in the air that may be transmitted by coughs, sneezes because of its loose fit.

Wearing of a face mask is the new socially responsible etiquette of our time. Face masks will be required when interacting with staff inside

facilities and in public shared facilities such as restrooms and laundries.

## High risk individuals

Persons with the following health conditions may be have poorer outcome if they contract the COVID-19 disease. It is important these individuals as well as immediate and extended family protect themselves by limiting interactions, greatly reducing their exposure to others and following CDC recommendations.

- People 65 years and older
- People of all ages with underlying medical conditions, particularly if not well controlled
- People with chronic lung disease or moderate to severe asthma
- People who have serious heart conditions
- People who are immunocompromised
- Many conditions can cause a person to be immunocompromised, including cancer treatment, smoking, bone marrow or organ transplantation, immune deficiencies, poorly controlled HIV or AIDS, and prolonged use of corticosteroids and other immune weakening medications
- People with severe obesity (body mass index [BMI] of 40 or higher)
- People with diabetes
- People with chronic kidney disease undergoing dialysis
- People with liver disease

You should self quarantine and monitor yourself for symptoms. The local health department may ask you to do so.\*

You do not need to self quarantine, but it is a good idea to be vigilant and monitor yourself for symptoms.

Have you developed symptoms of respiratory illness such as **fever, cough, or shortness of breath**?

**YES**

**NO**

Are you having **severe symptoms** like difficulty breathing, persistent pain or pressure in the chest, new confusion or inability to arouse or bluish lips or face?

**YES**

**NO**

Seek immediate medical attention.

Contact your health care provider to discuss your symptoms.

Continue to monitor yourself for symptoms.

### HOW DO I MONITOR MYSELF?

Pay attention for COVID-19 symptoms:

- **Fever**
- **Cough**
- **Shortness of Breath**

If you are concerned about your health, contact your health care provider.

## If your doctor decides you should be tested for COVID-19,

your health care provider can order testing for you.

Health care provider takes a sample

Sample is sent to a laboratory for testing

Laboratory sends result to health care provider

Health care provider informs patient of result. The state health department will not provide results.

of the 2020 season and slow opening of the park in phases Sandy Pines will be mitigating for the specific direct losses of operational revenue.

- The funding of the FEMA project is a contractual commitment with the funds already allocated.
- Camping has been cancelled through May 2020 (June is TBD) resulting in a loss of approx. \$13.5k. The continuation of the Executive Orders and restrictions on camping will continue to affect the revenue stream through the 2020 season.

- Golf Cart Rentals have cancelled many camping related reservations in May 2020.
- We are forecasting a \$70k loss, thus far, in Sales based on trends in 2019.
- Pumpout renewals that did not occur with the early plan with missed services in April 2020 accounted for a loss of approx. \$4k.

Sandy Pines is projecting a drop in the cash to days of operational reserve from 183 days to 126 days as of the end of April 2020. Sandy Pines was successful in securing the PPP Loan through our current bank for both Sandy Pines Wilderness Trails and Lake Monterey Golf Course. We are

currently reviewing how we can best utilize the funds received through both organizations and working closely with our Accounting Firm and Legal Counsel for guidance. Sandy Pines will be monitoring the loss in revenue throughout the season, while focusing on maintaining the financial strength and viability of the park during this COVID-19 crisis and into the future.

With the financial strength of Sandy Pines Wilderness Trails and Lake Monterey Golf Course is important to us. It is even more important to keep our members and staff healthy and bring everyone back to their Happy Place! We miss you all and look forward to seeing you soon!

# WASH

## Safe Laundry Practices to Protect Against the Spread of the Coronavirus

### Be Quick

Clothes and bedding should be removed and washed as soon as possible to prevent the spread of infection.

### Be Thorough

Wear disposable gloves when handling laundry that could potentially be infected, and keep soiled items as far away from your body while loading them.

### Be Sanitary

After loading the machine, wipe down any knobs, handles and other commonly touched surfaces you may have interacted with. Sanitize your hands afterwards with soap and warm water or alcohol-based hand sanitizer.

### Use Heat

**CDC guidelines** recommend drying the fabric on the highest heat setting applicable to destroy the virus, as well as using of the warmest water the fabric allows to further disinfect.

### Separate Loads

Be sure to run separate loads for sick and healthy individuals. For extra protection, you could add a bleaching agent (chlorine or oxygen-based) to your wash, which will aid in the sanitation of the load.

### Clean Hampers

Frequently clean and disinfect clothes hampers and laundry baskets. Use a trash bag for clothing and linens that may have been exposed to the virus. Only use hampers or laundry baskets for clean clothes.

You can further protect yourself by regularly sanitizing with disinfectant spray or wipes according to the label's instructions. Be sure to wear gloves any time you are handling infected material or cleaning chemicals. Remember to thoroughly wash or sanitize your hands any time you contact with "high touch" surfaces and to avoid touching your eyes, nose and mouth.

## Memorial Service

Memorial Weekend is always an exciting time of welcome and homecoming for park members. Every year on Memorial Day, we offer a beautiful Memorial Service, dedicated to all who have served this great nation. The event is held annually at the Sandy Pines Veteran’s Memorial at 9:30 am on Memorial Day. All Sandy Pines Veterans are encouraged to attend and to walk down the Memorial Walkway together at the start of the program. We also read the names of Sandy Pines Veterans to honor them for their service. We don’t automatically read every name on the Walk of Honor. If you’d like to submit a name to be read at the service, please email [kathy@sandypines.com](mailto:kathy@sandypines.com) with the name, rank, branch of service, years served, and any accolades if appropriate. Volunteers are always welcome to help with the service, maintain the Veteran’s Memorial, and help with ongoing ordering and placement of Walk of Honor bricks. If you’re interested in lending a hand, please email [kathy@sandypines.com](mailto:kathy@sandypines.com).

We’ll be reviewing our plan for Memorial Weekend events on May 9th and will let you know if public events including the Memorial Service are on, cancelled or rescheduled due to social distancing restrictions. Special thanks to each and every one of our Veterans and their families. God Bless America!

Security Services also wishes to advise Members that our staff remains on duty during this time of crisis, conducting proactive patrols and responding to both routine and emergency calls.

### April Storms

There were several substantial weather systems which came through the Park in April. After each event patrol staff checked all areas and were happy to find no substantial damage to Park or Member property.

### Thank You

The Sandy Pines Public Safety Team wishes to thank our partners at the Allegan County Sheriff's Office for furnishing us with much needed hand sanitizer and Personal Protective Equipment. We'd also like to extend heartfelt thanks to Jason Post of Wise Men Distillery and Associate Member Jon Ludwick for supplying us with disinfectant products.

Security Services also wishes to extend thanks to Member Diane Veltema for providing staff with protective masks. Thank you, Diane!

## MYTOWN ACE HARDWARE DORR

In April we welcomed MyTown Ace Hardware in Dorr on as a new community partner. Unfortunately, at the time the Coronavirus Pandemic was unfolding in Michigan and everything went on lock down. As an essential service, MyTown Ace was able to remain open to serve and support those in our community. MyTown Ace remains open and has adjusted their normal hours slightly due to the pandemic. They are currently open Monday-Friday from 8 am-6 pm and Sunday from 10 am-5pm.

While the friendly folks at Ace have been making deliveries to the park and helping our members for years, they just committed to a new partnership program and are now offering 10% off to all Sandy Pines Members, Associate Members, and Staff. This partnership will provide a new layer of value to our members while supporting a great local business. All you have

to do is show your Sandy Pines Membership or Employee Card at check out and you'll receive 10% off any normally priced merchandise. All the standard sale rules apply, such as you can't combine this with any other coupons, sales, or discounted merchandise. In order to receive the Sandy Pines Discount, you'll also need to be a member of the Ace Rewards Program.

MyTown Ace has everything you need for spring cleanup as you return to the park. They also offer online ordering with same day in-store pickup if the item is in stock. Free delivery is also available on most items over \$100 (\$50 if you are and Ace Rewards member), some restrictions do apply. MyTown Ace has beautiful hanging baskets from local growers, gardening supplies, and other things to keep Mom happy this Mother's Day.

# 50TH ANNIVERSARY NEWS

BY MARCIE PALMER [marcie@championresources.biz](mailto:marcie@championresources.biz)

I don't think any of us could have guessed that at this time, or any time, we would be in the middle of a global pandemic causing closed businesses, cancelled events and stay home orders. Unprecedented has been the keyword describing the times, there is no better way to describe it. I hope you have been able to find some comfort and compassion for yourselves and for all who are struggling through these difficult times.

As you can imagine there have been shifting priorities the past several weeks and although the 50th Anniversary planning is important it is certainly trumped by the many other issues that the pandemic has brought to the Sandy Pines community.

We do continue to welcome volunteers for the planning committees. Visit the Volunteer Page to sign up to help out at [sandypines.com/volunteer](http://sandypines.com/volunteer). Volunteers of all ages are encouraged to join the committees. The volunteer meeting dates have been set and can be found on the Sandy Pines Online Event Calendar. Whether the park can be open or not we will hold our first planning committee meetings on Friday, June 19 and Saturday, June 20th. Check the calendar for details. If we aren't able to meet in person, we'll use the tools needed to hold a virtual meeting. In this article you are getting the first look at the 50th anniversary logo that will be a marker for many 50th anniversary communications, activities and mementos.

If you haven't seen the special events planned for the commemorative year you can find them in the February Update on the 50th Anniversary Web Page. All these events originated from ideas submitted by members, once again thank you to all who contributed! Dates for the signature events are being confirmed and will be announced as soon as available.

Keep posting your photos and videos to the online albums. We've enjoyed reviewing them and will look forward to using as many as we can for anniversary celebration and other places too! We're especially wanting to get our hands on some vintage photos if you've got any to share, that would be great. Links to the shared photo and video albums are on the 50th Anniversary Web Page.

If you have any questions about these signature events, sponsorship or volunteering, please feel free to contact me at [marcie@championresources.biz](mailto:marcie@championresources.biz). For ongoing updates, visit our 50th Anniversary Page at [sandypines.com/50thanniversary](http://sandypines.com/50thanniversary).

# CHAPEL NEWS

BY DAVE & BEV VAN NOORD [SandyPinesChapel.com](http://SandyPinesChapel.com)

A summer like no other!! After all my years working with the chapel here at Sandy Pines, I have never even dreamed of anything like what we are about to face. The one thing I know is that our God is in control and yes will use the challenges of this summer to touch lives. Flexibility will be a very important word this summer. We will adjust our plans and schedules as we go. We are committed to safety and health. And so our schedule begins to change:

May 10 and May 17 worship services are cancelled. On May 23, we will have our worship service streamed online as well as broadcast on our local Sandy Pines' TV.

In a few weeks, we will look at June - always following the guidelines of our state as well as the guidelines of our park. We will do our best to keep you informed. We will also let you know as soon as we officially cancel any concert. We are working with the Sandy Pines office and

Josh will keep you updated in the weekly park schedules. Also stay informed with our web sites: [sandypineschapel.com](http://sandypineschapel.com) and the Sandy Pines Lakeside Chapel Facebook page. I have a feeling this will be an unforgettable and historical summer. I also believe in my heart that we will have new opportunities to share God's love and the gospel message like we never have before. Blessings and greetings to you all. Keep the Faith!!

As of the executive order of the Governor, I am not sure when I will be released to come back and open the salon. As soon as I know I plan to open A.S.A.P. So either on Thursday, Friday or Saturday. I am hoping for May, but could be June or later. I am so sorry and miss you all terribly. If you have questions please call me at my home Salon 616-889-5108 and I will help you anyway I can.

salon at a time if needed. I will use a fresh cape between clients, I will clean, sanitize work station, shampoo bowl and door handles between every client. I do not and legally can not reuse combs, brushes, towels, any processing caps etc. All comb, brushes, clips etc. all need to be sanitized. I wash towels, caps and aprons daily. I use Clorox clean up bleach to clean and sanitize all surfaces, door handles, bathrooms etc. I also sweep and put hair in trash after every use.

# DAIRY DIP NEWS

BY JIM WARNER [jcwarner@hotmail.com](mailto:jcwarner@hotmail.com)

The Dairy Dip will be opening for the season on Friday May 1 from 4:00-9:00 pm. We'll also be open Saturday and Sunday from 12:00 – 9:00 pm. We'll be open Fridays from 4:00 to 9:00 pm and Saturday & Sundays from 12:00 to 9:00 pm through May. We'll open weekdays starting Monday, May 18 from 4:00 to 9:00 pm leading up to the Memorial Day Weekend.

Please be patient, we will be limited to serving through one set of takeout windows. Of course, let's practice social distancing. The world has changed, but hey, we can still get an ice cream and enjoy the atmosphere of Sandy Pines.
