Ongoing maintenance and improvements to existing facilities (e.g., infrastructure, utilities, safety)While not the most exciting use of funds, maintaining and upgrading our infrastructure (utilities, safety, repairs) protects the long-term value of Sandy Pines. Like your home, neglecting routine maintenance leads to bigger issues and higher costs later. Continued investment in our existing facilities ensures the future of our summer community.	43.55% 287	32.32% 213	14.42% 95	7.89% 52	1.82% 12	659	4.08
Reviewing and updating recreational amenities (e.g., courts, splash pad, lighting)Some of our recreational areas need upgrades to stay functional, safe, and fun for all ages. From improving lighting in activity spaces to updating splash pad equipment and basketball court fencing, we want to ensure these amenities continue to serve members well during peak use and special events.	32.47% 214	34.60% 228	17.30% 114	9.86% 65	5.77% 38	659	3.78
Increasing member involvement and volunteer engagementWe know many members are eager to pitch in —whether it's helping with events like the Color Run or Amazing Race, or joining a committee to shape the future of the park. Expanding opportunities for engagement helps build a stronger, more connected community.	3.49% 23	8.50% 56	17.60% 116	24.58% 162	45.83% 302	659	1.99
Exploring sustainable technologies and improving internal IT systemsTechnology plays a key role in how the park operates—from communications and security to recreation and administration. Improving our internal systems and exploring new tools can help us serve members more efficiently and keep the park running smoothly.	5.16% 34	8.19% 54	25.49% 168	33.23% 219	27.92% 184	659	2.29
Expanding partnerships with businesses and agencies to secure funding/supportMember dues only cover part of the park's annual budget. By working with local businesses, government agencies, and community partners, we can secure sponsorships, grants, and other support to fund events, amenities, and long-term improvements—like naming golf holes or sponsoring large events.	15.33% 101	16.39% 108	25.19% 166	24.43% 161	18.66% 123	659	2.85

## Q3 Additional Infrastructure Ideas Do you have any infrastructure recommendations not listed in Question 2?

Answered: 192   Skipped: 472

#	RESPONSES	DATE
1	- Add an ADA-compliant entrance to the beaches. This is beneficial to individuals with special needs, as well as the elderly population of the park. - Add lighting on the main roads. It is very difficult seeing at night, especially when the only source of light is from a golf cart. - Improve the landscaping at the main entrance in Phase 1. This is the first thing people see when they visit SP for the first time. The landscaping here should have the "wow" factor. - Remove the banners with the QR codes from the current location, by the main gate. The idea is good, the location is bad. In order to use them, someone needs to get off their car/golf cart and scan the codes at probably the busiest intersection in the park. Put these somewhere else, maybe by the flea market area where there's ample space to get out & scan the codes.	7/18/2025 5:58 PM
2	Are you able to combine the ice cream shop & the Pavillion? Ice cream gets no use by members, is only open short hours for 3 months.	7/18/2025 3:26 PM
3	Make a fishing "wharf" or dock near the dam for all age access and non boaters access	7/18/2025 2:33 PM
4	More accessibility for handicapped and elderly.	7/18/2025 1:41 PM
5	Sewage disposal infrastructure...eliminate pumpouts	7/18/2025 8:31 AM
6	Add another smaller Ice cream stor the other side of Phase 4. Its too busy in the evening and you would get more sales if people didnt have to wait forever.	7/18/2025 7:58 AM
7	A dock for fishing would be great! Roger has done a great job getting our youth interested to this recreational activity; now we need to keep all fisherman safe! Thank you !!	7/18/2025 6:20 AM
8	More fishing atea	7/17/2025 10:00 PM
9	Making the back door of CC in phase 3 accessible to "enter" and exit and the pool gate behind the pool.	7/17/2025 9:29 PM
10	Need to replace ALL CC's with Tornado shelters. Phase 2 pool building should have been a Tornado Shelter. Connect Phase 3 with Phase 1. All Retail options in phase 4/5 that 1/2 has. More restaurant options without the heavy lease hand of the park. All Retail to be open on Sundays and the office needs longer hours on Sat and or have an office setup in Northshore.	7/17/2025 9:17 PM
11	Upkeep of the nature trail and disc golf in phase 3	7/17/2025 8:51 PM
12	Get rid of human fuse ball put in pickle ball	7/17/2025 8:34 PM
13	Lake maintenance	7/17/2025 8:28 PM
14	Roads	7/17/2025 8:17 PM
15	Make CC showers with water control knows for temperature control & water flow time. Get rid of the water flow pull strings that only stay on 60 seconds. And add some seats and/or benches in each stall.	7/17/2025 8:07 PM
16	No	7/17/2025 7:20 PM
17	Just fix the roof of the pavillion using volunteers to do the roof. It can be the adult center it is still a good building.	7/17/2025 7:02 PM
18	Is there a space available (requiring security card entry ) at phase 1 pavilion or northshore bldg. or any other space that may be large enough to accommodate needs or be used for overflow by delivery personnel. Exploring the idea.	7/17/2025 6:42 PM
19	More laundromats.	7/17/2025 6:33 PM
20	Family bathrooms just for handicap people accessible by a special accessible card for entry.	7/17/2025 6:23 PM

## Sandy Pines 2025 Long Range Planning Survey

21	Don't want to pay for a mail center or dog park. They do not apply to me. Ice cream expenses should come from revenue at location.	7/17/2025 5:49 PM
22	INDOOR POOL	7/17/2025 5:30 PM
23	We desperately need more pickleball courts! What was done in phase 3 was a total joke & a big waste of money. The phase 3 space could easily have 4 pickleball courts if done right.	7/17/2025 5:13 PM
24	Designated areas/loops smooth enough for roller blading.	7/17/2025 4:48 PM
25	Covered waiting area for the train. A few benches would be awesome.	7/17/2025 4:46 PM
26	How about getting some experts to see if we can find a spring or two to increase the water in the lake and maybe not having to use as many chemicals. I know any spring fed inland lake is much cleaner than ours.	7/17/2025 4:25 PM
27	More pickle ball courts	7/17/2025 4:18 PM
28	Repair the pavilion. Do not tear it down and start over.	7/17/2025 4:05 PM
29	A walking lane marked on all main roads would make it safer to travel by foot around the park. (Like the yellow line on the dam)	7/17/2025 3:58 PM
30	EV Charging stations would be nice. Or the upgrade of the electrical system to support level 2 chargers on member's sites. Also a very long range infrastructure idea would be sewer hookups. The pump-out system has been refined very well by the park, and it is manageable, but also very annoying, especially if you have backup.	7/17/2025 3:55 PM
31	No	7/17/2025 3:47 PM
32	None	7/17/2025 3:46 PM
33	Electrical upgrade- When it was installed to supply 50amp service to park models, and 15 amp gfci breaker it was more than ample for RV service. However additional mini splits, full secondary refrigerators, and uneducated members who think they have the same amperage available at Sandy Pines as they do at home. An upgrade is not needed. Smarter consumers are	7/17/2025 3:44 PM
34	Sewer for each site	7/17/2025 3:37 PM
35	More lounge chairs at the adult pool	7/17/2025 3:36 PM
36	Improve water quality. ie filtration system	7/17/2025 3:35 PM
37	1. Roads 2. Unsafe tree removal	7/17/2025 3:22 PM
38	Phase 3 needs another entry exit for members entering phase 3! .	7/17/2025 3:22 PM
39	Canopies for shade over playgrounds and rope course so it doesn't need to be shut down when it's too hot. More pickleball courts	7/17/2025 2:59 PM
40	Bo	7/17/2025 2:59 PM
41	More boat docks. Expand marina to allow more boats to be docked there. Update area by marina so handicap can access the marina easier and Have handicap boat parking spots. Update showers in CC10. Remove dead and dying trees in green spaces in phase 4.	7/17/2025 2:59 PM
42	None	7/17/2025 2:52 PM
43	New lake pumps to maintain water level.	7/17/2025 2:49 PM
44	The tot center could really use some cubby style shelving and storage. I can't even imagine how it gets cleaned as there is no where for toys to be except on the floor.	7/17/2025 2:48 PM
45	No	7/17/2025 2:38 PM
46	Would love a pickleball court at phase 4 beach	7/17/2025 2:27 PM
47	Please do not expand the dog park. Attracting more dogs into the park is very concerning. Safety and cleanliness issues already with dogs and dog owners. Not at all supportive of attracting larger and more dogs	7/17/2025 2:25 PM

## Sandy Pines 2025 Long Range Planning Survey

48	Cc in a phase 4, that's no air condition always hot and smell	7/17/2025 2:24 PM
49	Is the phase 1 indoor pavilion still needed or can it's use be accommodated by the North Shore Building?	7/17/2025 2:22 PM
50	Park wide WIFI since we are already paying spectrum, should have access to their WiFi hotspots	7/17/2025 2:12 PM
51	1. Yes on the New phase 1 Pavilion ! 2. Enforce rules on what is allowed on everyone's lots! Be consistent 3.	7/17/2025 2:12 PM
52	None at this time	7/17/2025 1:56 PM
53	A large indoor pool is needed. When it is too cool, hot, or raining, this gives another option. Plus many young, elderly, or people with health issues don't like being outside or can't enjoy the pools.	7/14/2025 1:28 PM
54	Prioritize by age and cost. Try to make it so that the members do not have to be charged and it added to dues. It is becoming increasingly hard for seniors on fixed incomes to absorb the costs of these things that should be covered by dues.	7/10/2025 10:15 AM
55	1. Move play ground in phase 3 over to the open field by the pool for safety reasons before a child gets ran over by an rv. 2. Add additional overflow parking by guard gate where playground currently is. 3. Add a new entrance/exit for members only off 26th Ave into phase. With the new sewage dump it's making it even harder to get in and out of phase 3 when you have rvs lined up waiting to dump their sewage.	7/9/2025 9:56 PM
56	Shade cover at playgrounds (some over structures like phase 1 by tot center) and sport courts. More laundry facilities.	7/9/2025 8:35 AM
57	NO!	7/9/2025 12:31 AM
58	More lounge chairs at the adult pool please	7/8/2025 12:34 AM
59	Duplicate Phase 3 shower controls in phase 4, where water is too hot.	7/7/2025 3:12 PM
60	We need to start using the right of way on the side of the roads to bury cables etc as the current system does not work. Spectrum is horrible about burying cable and if you place a shovel in the ground, for any reason, and not deep, you will likely hit an old or current cable wire...its a mess. By having all cable on the side of the right of way and a "no dig" policy there...you save a lot of headaches.	7/7/2025 8:56 AM
61	Drill wells to support the water level and health of the lake. The creek we pump into the lake is full of cow poop and chemical runoff from farms which increases the nitrates into our lake water. It causes us to constantly treat our water for weeds that the nitrates produce kills the natural balance of marine life and fish beds. Water levels from clean wells would be healthy for our lake.	7/7/2025 4:57 AM
62	Upgrade to the fitness center	7/6/2025 6:59 PM
63	Indoor pool Expanded weekend activities beyond August 10th Accessible bathroom at phase 4 bathroom.	7/6/2025 1:45 PM
64	Put the ice cream shop in a centrally located area. Taller fences at basketball courts. Upgraded equipment at gym. Rebuild the putt-putt golf. Make a teenage committee to come up with activities.	7/5/2025 9:18 PM
65	Shaded areas at the kid's parks	7/5/2025 5:42 PM
66	Support maintaining infrastructure for existing amenities over expanding amenities. This is a campground after all, and part of the joy of being here is in the simplicity of living with less.	7/5/2025 12:21 PM
67	Remove phase 1 pavilion and ice cream shop and replace with one smaller building that has restrooms/showers in part of it and ice cream shop in the other side of building. Have a deck or patio area by ice cream side with tables and seating. Maybe a covered portion for rainy days. Don't need huge building.	7/4/2025 10:50 PM
68	Separate entrance to phase 3 for members off the main paved road	7/4/2025 10:38 AM
69	Trans-male has been seen in women's CC. Build what you must and make rules to prevent this. We must protect our girls! Stock more fish into the lake.	7/4/2025 10:13 AM

## Sandy Pines 2025 Long Range Planning Survey

70	Tree removal so the adult pool gets more sun	7/4/2025 8:40 AM
71	Shade structures on Phase 1 beach!!! I, like so many others, deal with skin cancer. Another dog park, closer to Phase 1.	7/3/2025 8:49 PM
72	Up grade septic system.	7/3/2025 7:59 PM
73	Adres the issue with how shallow the lake has become. Do we need dredge the lake?	7/3/2025 3:54 PM
74	More pickleball courts	7/3/2025 2:45 PM
75	No	7/3/2025 12:48 PM
76	A WATER FOUNTAIN where the sandy pines bushes used to be.	7/3/2025 12:23 PM
77	We need additional pickleball courts. At least 4 more.	7/3/2025 10:44 AM
78	No	7/3/2025 10:40 AM
79	I think the tennis courts closest to the ice cream shop should be made into pickleball courts. The sport continues to grow as it is easier than tennis for older folks to enjoy. The other pickleball courts are often full, but the tennis courts never are. And there would still be some available by the ropes course.	7/2/2025 11:59 PM
80	Bring back either indoor arcade or indoor pool for days that it is raining. Kids need things to do	7/2/2025 11:09 PM
81	Top a few of trees by the adult pool so the pool can get sun shine for a couple extra hours.	7/2/2025 10:30 PM
82	A trampoline pillow thing like a lot of campgrounds have or one of the blow up water slides that can be in the lake.	7/2/2025 10:06 PM
83	More pickleball courts!!	7/2/2025 9:54 PM
84	Keep the power on during hot weather and holidays	7/2/2025 9:39 PM
85	More pickleball courts!!!	7/2/2025 7:38 PM
86	I am a full time resident. I use the mailroom for mail and packages. With the daily delivery of Amazon, UPS, Fedex, and USPS deliveries, this room is a "disaster". Improved facilities and a managed room is an absolute necessity. Please make this a high priority!	7/2/2025 6:25 PM
87	More overflow parking - could utilize existing spaces and signs designating where and when to park. Could use flex space with signage- for example overnight parking allowed Fri 5pm - Monday 7am	7/2/2025 4:57 PM
88	Pave road going to phase 3 gate. Update old cc's. Road lighting within the park.	7/2/2025 3:45 PM
89	More pickleball courts or paint lines on tennis courts so they can be dual purpose. Add a net by Phase 2 pool to protect it from disc golf and errant discs. Have seen a disc fly into the pool area, which could have resulted in serious injury given how hard discs are.	7/2/2025 3:44 PM
90	Fix what needs to be fixed....QUIT SPENDING MY MONEY ON ITEMS WE DONT NEED!	7/2/2025 3:27 PM
91	At least expand the current Mail Room by kicking out the walls under the Porch Entry Door!	7/2/2025 3:14 PM
92	I suggest getting rid of one of the splash pads and putting in a toddler/baby zone. Something that would be easier for babies to crawl on. The ground right now by those spaces is very sharp and scrapes kids up.	7/2/2025 2:42 PM
93	Better water treatment to address the high iron content, horrible smell, and awful taste.	7/2/2025 2:07 PM
94	Sewer hooks up, although I realize that would be a crazy amount of capital.	7/2/2025 1:35 PM
95	Lake dreging	7/2/2025 1:20 PM
96	I have major safety and sanitary concerns with expanding a dog park and attracting more pets.	7/2/2025 12:03 PM
97	What would it cost to repair phase one pavilion instead of replacing. Don't want to see another ugly building on prime beach	7/2/2025 11:21 AM
98	We need to bring back an indoor pool.	7/2/2025 10:54 AM
99	Need more info on why the the South Pavilion is not worthy of HVAC, lighting and PA upgrade.	7/2/2025 10:34 AM

## Sandy Pines 2025 Long Range Planning Survey

	It is a very nice building.	
100	Lake needs to be dredged, erosion contained. The water is full of weeds and junk, seem less clean than in the past (appearance, odor).	7/2/2025 10:30 AM
101	I don't like all the the sound equipment at the pools we have to yell to have a conversation above all other people talking over the music being played.	7/2/2025 10:05 AM
102	have 126th st up to gate at phase 3 paved	7/2/2025 9:34 AM
103	Better roads! Public Safety Office is small and not well laid out.	7/2/2025 9:28 AM
104	Fitness trail improvements and upkeep. It is not longer being maintained.	7/2/2025 9:09 AM
105	Covered pickle ball courts	7/2/2025 8:58 AM
106	How about adding the adult center back to the structure that replaced the old one. The new structure is an unusable structure for most members	7/2/2025 8:29 AM
107	Family restaurant inside the park	7/2/2025 8:15 AM
108	When looking at the phase 1 indoor pavilion look at moving it off the beach and consider including an amphitheater.	7/2/2025 7:08 AM
109	More lighting along the roads in the park. It is too dark in most areas.	7/2/2025 6:41 AM
110	Phase 2 channel shoreline erosion	7/2/2025 12:39 AM
111	More pickleball courts, corrugated steel sea walls—NOT Riprack, fishing dock. If uni-sex bathrooms are legally required to keep the transgender males out of the ladies bathrooms then provide them to keep our GIRLS safe and protected!!!	7/2/2025 12:14 AM
112	To expand on the dog park idea, I would love to see one next to the bullpen. I know it's a drain field, but with big enough gates it would still be accessible if needed. I'd love to see separate spaces for small and large dogs, and individual runs for dogs if possible.	7/1/2025 11:47 PM
113	Please keep pavilion a windowed waterfront building. No more storm shelters on lakefront. Please stop phase 1 beach from shrinking. Walkway on phase 1 beach in middle is hazardous. A handicap walk to water would be super helpful	7/1/2025 11:39 PM
114	No	7/1/2025 11:06 PM
115	Evaluate the need for a storm drain water evacuation well in more areas. It is especially needed by our site 778 as water from all our neighbors comes down the road hill and washes away our property into the channel. I think there are several areas that could benefit. Also, I like the rip rap water break you've been placing along some shore line. This is also needed in the channel especially as the water has under cut the whole area and the hill is collapsing.	7/1/2025 10:50 PM
116	Require license to drive the electric bikes and scooters	7/1/2025 10:10 PM
117	Sewer and changing to everyone owning their own site. Property taxes are not that much per site at campgrounds that have this set up. It would also bring more campers in during the off season as many are looking for full hookup sites.	7/1/2025 10:09 PM
118	Take better care of the nature trails.	7/1/2025 9:59 PM
119	It would be nice if propane was organized to one company serving us all. We can get better pricing and services if it's all of us versus independent accounts. Might also be able to generate some income for Sandy pines and still save us all money if ran right. The propane suppliers don't feel any need to provide good service to us because we only bring in \$200 a year each. But if it was all of us on one account, they would trip over each other to better serve us!	7/1/2025 9:48 PM
120	A plan to dredge the entire lake	7/1/2025 9:47 PM
121	Somewhere to put food trucks. They need there own area away from phase 4 parking lot. They have completely taken over our overflow and beach/tennis/ropes course parking lot.	7/1/2025 9:47 PM
122	Move the fitness trail out of the 'mosquito area' and place around the perimeter of park or around chapel area... it would get more use and equipment is already available. Could be a volunteer project.	7/1/2025 9:23 PM

## Sandy Pines 2025 Long Range Planning Survey

123	More pickleball courts	7/1/2025 9:20 PM
124	Pickleball courts, better showers	7/1/2025 9:15 PM
125	No	7/1/2025 9:02 PM
126	No	7/1/2025 8:53 PM
127	Need more recliners in Adult pool to accommodate guest. Find a better location for concerts, it's too congested by ice cream shop. Build a stage near soccer field and hold the concerts there. Somewhere with a little less traffic.	7/1/2025 8:47 PM
128	Game room fitness center	7/1/2025 8:30 PM
129	No	7/1/2025 8:24 PM
130	More pickle ball courts	7/1/2025 8:23 PM
131	Stop increasing all of the fees- cards, guest passes, golf fees, etc. it's ridiculous how this place nickel and dime us.	7/1/2025 7:54 PM
132	No mention of enlarging the golf course building for member use and rental opportunity during and in the off season	7/1/2025 7:34 PM
133	Why would Phase 1 indoor Pavillion "need" whole replacement when it seems the North Shore bldg is under utilized?	7/1/2025 7:29 PM
134	Indoor pool, reviews of rules. Some are outdated or not followed by PSO and members (golf cart music noise level, seatless mopeds or scooters). Are these essential? Are they being followed? Should they be removed?	7/1/2025 7:20 PM
135	Roads need to be widened and resurfaced.	7/1/2025 7:01 PM
136	return to rotating cc's open during the winter since cc4 used to be open every other year and is no longer	7/1/2025 6:57 PM
137	I would love to see Sandy Pines written across that open field maybe with stones	7/1/2025 6:57 PM
138	The ice cream parlor should raise enough money to support its own rebuild.	7/1/2025 6:48 PM
139	1. Revision Pavillion 1, ice cream shop, concert area basketball courts...make this an open amphitheater where you can view concerts from lake or lawn, provide ample parking on lakeside if the road (minimize crossing the road to view concerts, include at minimum toilet facilities. *this may or may not require relocation of basketball courts, ice cream store or a full CC. 2. Relocate food trucks by boat launch where "Sandy Pines@ bushes were this is central could be lighted to service later in the evening...lighted it in a location away from resident lots so lights and cart activity won't bother residence....opens up parking by tennis courts....*A master plan parking evaluation is needed throughout the park. **** Every LRP should have revenue up strategies to help fund the park and minimize cost increases....example allow outside pre-sign up to utilize the pool slow days during the week for swimming lessons, or golf lessons or tennis lesson for a charge it also a good will gesture to service our surrounding communities. Just one example	7/1/2025 6:41 PM
140	Indoor pool and game room. Volleyball courts.	7/1/2025 6:39 PM
141	Remove phase 1 Pavillion if in disrepair. North Shore Center is available for activities.	7/1/2025 6:34 PM
142	More family areas updates to parks and playgrounds	7/1/2025 6:30 PM
143	I think there should be an ice cream only building put in by the chapel for the other side of the park and to lighten the load for the other ice cream shop. Maybe only open on weekends. Handicap signs where there is parking for that. By flea market playground. Phase 2 bathroom needs benches in shower stalls. I think we are the only bathroom without.	7/1/2025 6:25 PM

## Sandy Pines 2025 Long Range Planning Survey

148	Members would love to see a Lazy River and give up the loser golf course	7/1/2025 6:16 PM
149	Marked area on roads for pedestrian walking, running and walk pets eliminate foos ball court	7/1/2025 5:57 PM
150	Widen the entry road from the park to the golf course. Its narrow and difficult to see if someone is coming down or up the hill, or cut trees/bushes back for improved visibility of traffic	7/1/2025 5:57 PM
151	More space at phase 2 pool for lounge chairs	7/1/2025 5:55 PM
152	Indoor pool and indoor activities when weather is cold or raining Too many activities were cancelled or those that come to park. Organized and more creative activities for all ages .	7/1/2025 5:50 PM
153	More guest parking since food trucks took our spaces away.	7/1/2025 5:35 PM
154	Nope	7/1/2025 5:35 PM
155	I would love to see the ice cream shop where the phase 1 pavilion is. Still have a large open room but also a place for eating ice cream inside. And what a great view for a patio. Can the current pavilion get a roof built over the current building? Like a structure over the current structure.	7/1/2025 5:34 PM
156	If we redid the Dairy Dip it would be amazing to move it to the shore, add a bit of restaurant, have a deck over the water, and have spots for boats to pull up for food. Wish we had more comfortable lounge area in what used to be the Golden Onion. It's a cool building with a great view but nowhere to chillax. More chaise lounges at the waterpark adult pool and the phase 2 heated pool. Can almost never find one on a hot day, especially weekend. Wish we could stop people from putting a towel on them and never sitting on them. Love that you are lengthening hole 13 on the back nine.	7/1/2025 5:26 PM
157	Update some of the older CCs so they look newer.	7/1/2025 5:17 PM
158	Membercard access to ccs during off season	7/1/2025 5:14 PM
159	The phase 1 pavilion should have been fixed when we were asked for more money to do just that. Nothing as ever done. This is bad management of our money.	7/1/2025 5:10 PM
160	I'd love to see a family shower option. I'm not sure the "rules" on this but there are several times I'm out here with my 4 kids (3 boys) that I'd love to just take them all in the shower together to make it quick. Some of my boys aren't old enough to shower alone in the stalls so I bring them in the women's with me. I've also heard a member run into an issue when they have a handicapped spouse and they can't enter the other sex bathroom to shower. I just think it would be a nice option to have a few of these around the park!	7/1/2025 4:52 PM
161	Indoor pool. Things to do when weather is bad.	7/1/2025 4:51 PM
162	New gate coming off 26 into phase 3 .For members only.	7/1/2025 4:50 PM
163	Replace old split rail fences. Phase 5 walk way to the board walk was removed and not replaced with the new ones that have been done in other areas in the park.	7/1/2025 4:48 PM
164	Library	7/1/2025 4:48 PM
165	Expanded golf clubhouse Additional pickleball courts! TIA	7/1/2025 4:46 PM
166	Disc golf phase 3 clean up/maintenance, fix broken games and add free games to the Den. Also, ability to rent/borrow outdoor games like kan jam, spike ball, croquet, corn hole, ladder ball, yard yatze , yard jenga, etc.	7/1/2025 4:43 PM
167	Pave the bumpy roads, more parking for guests	7/1/2025 4:41 PM
168	Utilize the water park facility and cafe (only open a few hrs a day) for ice cream. They feel underutilized. maybe a portion of the new pavillion or north shore building could add concessions. Tear down existing ice cream shop.	7/1/2025 4:41 PM
169	Phase 3 separate entrance for members only, not rentals or dump users.	7/1/2025 4:39 PM
170	Some cull trees should be removed. Some "weed" trees should be removed. Healthy trees should be featured with information about species and age	7/1/2025 4:38 PM
171	Removal of dead trees Improved fitness room	7/1/2025 4:35 PM
172	-A few additional sun shields on the beach similar to the one at the North shore center. -Better	7/1/2025 4:33 PM

	access to boat docks -Small chip and putt for younger golfers	
173	I've been meaning to send an email about the dog park for quite a while. I feel like it would not take much money or effort to do a better job for our 4 legged family members. A second dog park for small dogs would also be wonderful.	7/1/2025 4:32 PM
174	Handball court.	7/1/2025 4:29 PM
175	Don't add anything new until all the old stuff is fixed	7/1/2025 4:28 PM
176	There is a high voltage power line running over the park that runs over 69,000 volts of electricity. Wolverine Power Co-Op owns the line and has widened the easement in the last 10-15 years. They are aware that there are about 10-12 trailers under the line in their easement. They have told the park that they will not currently make anyone move off their easement but they maintain that they have that right in the future. Are we thinking about ways to adjust trailer locations in the future ? I submitted some ideas to the board 2 years ago but never heard back. Let me know if you'd like some ideas on the books for future planning. Thanks, Pam. N-19	7/1/2025 4:27 PM
177	Speed bump by phase 2 gate, further up the road where there's no stop sign to slow people down right by many lots. Speed bump by car wash area in phase 1, many people speed down that stretch to the gate once they go thru the stop sign.	7/1/2025 4:23 PM
178	Sewer system!!!!!!	7/1/2025 4:23 PM
179	Not only do the older pools need new chairs / chaise lounges but way more of them. Very frustrating to go to the pool & not have a place to sit after pays dues/fees etc	7/1/2025 4:23 PM
180	What ever happened to the promised road repaving? And, we have a new pavillion..phase I isn't necessary..update those bathrooms only.	7/1/2025 4:22 PM
181	More boat docks! If you're not using it with a motorized boat, give it up!	7/1/2025 4:20 PM
182	Indoor pool	7/1/2025 4:20 PM
183	Replace Phase 1 pavilion with multi-use outdoor bandshell/stage, Fence around Park Perimeter.	7/1/2025 4:19 PM
184	The phase 2 and 5 pickle ball courts are very overcrowded during morning and evening play times. Tennis courts are rarely used by comparison.	7/1/2025 4:18 PM
185	The gym facility is too small maybe switching with game room! Or using both rooms for gym. Machine in current location and free weights, Matt's, yoga balls and other floor exercises options in the current game room. Game room is not being used much and items are messed up bad	7/1/2025 4:14 PM
186	Keep replacing the old split rail fences, new poles and ropes, also replacement stone for parking lot areas. Great job keep it going!	7/1/2025 4:13 PM
187	Hot tub	7/1/2025 4:11 PM
188	Phase 3 nature walk. Mostly is a disgrace. It is not maintained with multiple trees over path.	7/1/2025 4:10 PM
189	Indoor pool	7/1/2025 4:10 PM
190	Replace all old CCs and make them FEMA storm shelters. Current old CCs have showers with water temps you cannot control. Also, keep the fitness center up to date with cleaning, repairs and equipment maintenance.	7/1/2025 4:09 PM
191	INDOOR POOL	7/1/2025 4:08 PM
192	More pools	7/1/2025 4:07 PM

## Q7 Other IdeasAre there any other capital projects, services, or activities you'd like the LRPC to consider?

Answered: 195    Skipped: 469

#	RESPONSES	DATE
1	Designated fishing areas so people don't fish off of people's personal docks & rip their boat covers with hooks!! Clear & obvious rules regarding fishing areas. This is a real issue for dock owners that no one ever addresses.	7/19/2025 10:12 AM
2	Fix the erosion issue by phase 2 boat stakes.	7/18/2025 1:41 PM
3	Put in a second kids park in the green space closer to the pool in phase 3	7/18/2025 11:46 AM
4	Disc golf course	7/18/2025 9:26 AM
5	Create a space for food trucks with picnic tables and lights and trash bins	7/18/2025 7:36 AM
6	Weekly Farmer's Market baked goods and fresh produce in season or turn the current "candy & junk food store" into a small grocery store with basic items like bread, milk, cheese, fresh produce, eggs, condiments, deli meats and limited frozen meat not found across from the park at the liquor store.	7/17/2025 10:24 PM
7	Hot tubs	7/17/2025 9:29 PM
8	the phase 2 pool area should match that of the rec pool. You should have a more standardize format for the food trucks throughout the parks including power options. need to restrict vehicle access around the food trucks and the flea market. more speed bumps/tables around park.	7/17/2025 9:17 PM
9	Some sort of docking area or area to beach your boat to enjoy other areas of the park while on the water.	7/17/2025 8:57 PM
10	Adult grandchildren to get discounts on golf	7/17/2025 8:41 PM
11	Not necessary NEW water park chairs, but MORE water park chairs and adult pool chairs.	7/17/2025 8:34 PM
12	Biking or walking path from phase 3. bridge to Phase 2 entrance down highway. So you can safely go around the park.	7/17/2025 8:34 PM
13	Missed age group 11-16 in survey A group that needs access to activities. Please consider adding Yoga to rec department	7/17/2025 8:28 PM
14	Roads	7/17/2025 8:17 PM
15	Larger adult pool or additional one	7/17/2025 7:32 PM
16	Start saving	7/17/2025 7:26 PM
17	No	7/17/2025 7:20 PM
18	Ice Cream shop repairs should come out of ice cream shop funds. Same with Restaurant.	7/17/2025 7:02 PM
19	All safety issues are prioritized over others.	7/17/2025 6:42 PM
20	More chairs at the adult pool. The phase one pavilion should be the new ice cream shop candy play area .	7/17/2025 6:39 PM
21	More areas around boat dock areas for handicap people. Or dock by the launch designated for handicap.	7/17/2025 6:23 PM
22	Bring back monthly Bingo and other community events that are good for adults	7/17/2025 5:49 PM
23	Fundraisers to gain capital, bring back trucks n tunes like a few years ago.	7/17/2025 5:41 PM
24	Continue to do outdoor activities. There used to be a maintained walk in phase 3. It would be interesting if things would be labeled so we would know what we were looking at. Continue	7/17/2025 5:30 PM

## Sandy Pines 2025 Long Range Planning Survey

experimenting with activities! The human foosball might not be popular, but it was a great creative addition. I miss the days where we would come back in the spring and there would be a new activity. One year it was the ropes course, the next year of waterpark, then a dog park... It seemed like there was always something new and fun to come back to. So keep experimenting!

25	If somehow, a restaurant could be incorporated/expanded at the Sandy Pines Golf Club. Could be open easily to the public too for most of the year. The basketball court at the rec center gets rarely used. That is valuable space that could be used to expand the pickleball court area. Maybe even host tournaments in the area as a way to fund this project & beyond.	7/17/2025 5:13 PM
26	I would like to see picnic tables in the area by the food trucks.	7/17/2025 5:13 PM
27	Golf cart drive in theatre with concessions	7/17/2025 4:48 PM
28	Food truck at Ice cream beach Wed-Sun	7/17/2025 4:25 PM
29	The point where the channel enters the lake has a shoreline at risk. Many trees previously fell in the lake, 3 more are leaning. Erosion leads to a larger sand bar at the channel entrance. Add large boulders now to avoid having to excavated sand out of the channel.	7/17/2025 4:06 PM
30	Food trucks need to move to soccer field. They need a few picnic tables by them over there.	7/17/2025 4:05 PM
31	Indoor pool is always a dream	7/17/2025 3:58 PM
32	More pickleball courts and a indoor pool	7/17/2025 3:47 PM
33	X	7/17/2025 3:46 PM
34	Hot tubs, larger pools, phase 1 pavilion area could be a nice place for light food/drinks on the water.	7/17/2025 3:33 PM
35	Clubhouse expansion	7/17/2025 3:30 PM
36	Phase 3 disk golf, clean it up spray for bugs it's really bad in phase 3.	7/17/2025 3:22 PM
37	umbrellas or more sun protection area in the adult pool area. Adding benches and trash bins near North Shore when food trucks are there. Open route from Phase 6 to Phase 4 for quicker access to other side of the resort (could there be a golf cart only lane along 26th street to 136th Ave with safety rails)	7/17/2025 3:21 PM
38	Adult only hot tub	7/17/2025 2:59 PM
39	Upgrade showers so they can be easily turned on and off like in phase 3. Handicap people have issues with the smaller showers in phase 4 and the strings for operating the water.	7/17/2025 2:59 PM
40	A Splash pad area for children only ages 1-8 If new pavillion is built please add another tot center in it the size of the library.	7/17/2025 2:53 PM
41	Maintain Phase 3 Disc golf. Remove trees and cut down weeds.	7/17/2025 2:49 PM
42	Expand mini golf, add addl mini golf space	7/17/2025 2:47 PM
43	A nice place to sit and have dinner and glass of wine	7/17/2025 2:44 PM
44	Additional sand volleyball pit	7/17/2025 2:38 PM
45	More boat docks, Handicap accessible beach area, Swim area in phase 3 side if depth allows. I know it is quite shallow over there.	7/17/2025 2:29 PM
46	More fishing locations	7/17/2025 2:27 PM
47	Lower the cost for flea market spaces and I'll bet u would make up the difference by having more vendors.	7/17/2025 2:26 PM
48	Free wagon or train rides Activities during vbs week kids club used to still happen on vbs weeks,	7/17/2025 2:25 PM
49	I like the activity center idea but would like it better if it were family friendly (crafts, board games, recreation games)	7/17/2025 2:24 PM
50	N/A	7/17/2025 2:22 PM

## Sandy Pines 2025 Long Range Planning Survey

51	The lighting in most of the CC's are very dim inadequate. I would like to see lighting such as CC #11. Also, why can't the CC's be steam cleaned a couple times a year. The floors are filthy even after a cleaning crew has mopped the floor. I once took some paper towel before the floor dried from mopping and the towel was black!	7/17/2025 1:56 PM
52	Additional picnic tables on the lawn areas by the Food Trucks, a few more benches around the lake and in key viewing areas	7/17/2025 8:41 AM
53	Partnering with additional communication companies to bring fiber optic service into the park. Whatever thought is being had for phase 1 pavilion, an indoor type of pool needs to be included and brought back to the park. Even if it a garage door style one that can be opened up most of the year. Pillow jump pad, similar to tri-ponds.	7/15/2025 1:00 PM
54	New and expanded adult activities building.	7/14/2025 1:28 PM
55	Kayak launch for elderly and disabled	7/12/2025 12:58 PM
56	Install permanent radar signs throughout the park, (similar to the ones in Dorr). This will give proper feedback on just how fast golf carts and now the silent scooters are going. With this feedback, speeders will either voluntarily slow down or understand why they are receiving a speeding ticket.	7/9/2025 6:43 PM
57	Increase number of seasonal sites by removing eye sore and neglected units.	7/9/2025 8:35 AM
58	NO!	7/9/2025 12:31 AM
59	Refinish shuffle board courts.	7/8/2025 3:37 PM
60	Bigger dog park	7/8/2025 3:09 PM
61	Continue to offer free or inexpensive activities for kids and families as much as possible.	7/7/2025 8:59 PM
62	Lake need dredged bad. Seaweed is horrible and they have yet to spray anything in Sailboat Cove. They came through one time but told people in the lake they were fine, they weren't spraying. Also trees on sailboat cove, especially the one that's almost all dead need to be removed. Playgrounds are all in full sun and equipment too hot for kids to even touch especially this summer. Need some shade trees.	7/7/2025 7:59 PM
63	CC shower water is too hot everywhere but in phase 3. Save money by installing temperature controlling valves.	7/7/2025 3:12 PM
64	Connect phase 6 and phase 2 or phase 2 and phase 3 with a cart path. This could be via the fitness trails and doesn't need paving. Dispersed food trucks, maybe allow a couple at the chapel parking lot.	7/7/2025 2:03 PM
65	New water wells to pump clean water into the lake instead of the dirty water from the creek. 2. Advertising the Golf Course to the public to increase revenue. Live music on Saturday night and dinner specials.	7/7/2025 4:57 AM
66	Indoor pool	7/6/2025 1:45 PM
67	Warm water for the splash pad. More train rides for kids. Teen dance and karaoke. Adult crafts. Young swimmers test at a designated time (8:45, noon, and 5:45)	7/6/2025 1:32 PM
68	Clean our lake! Clean our beaches. More focus on lake things.	7/6/2025 11:41 AM
69	Fix and expand phase 3 park just swings by pool, Self service dog wash, add agility course to dog park, offer Loose leaf curbside pick up, vending machine for meals outside phase 2 & 3 pools i.e. farmers fridge	7/6/2025 10:34 AM
70	An indoor pool to replace the one that was removed	7/5/2025 8:44 PM
71	Quit spending money you don't have!	7/5/2025 9:52 AM
72	Second ice cream location to be open on weekends	7/5/2025 7:07 AM
73	Tennis courts	7/4/2025 7:25 PM
74	We'd prefer repairing it, but If phase 1 building is ever replaced, do not waste prime beachfront property to do it—move it off the beach.	7/4/2025 10:13 AM
75	Update exercise machines. A new rowing machine would be nice. Have used this amenity for 5	7/4/2025 8:40 AM

	years and no equipment has been replaced or updated. Leg press is often broken	
76	Expand a restaurant at the golf course instead so can be used more	7/4/2025 6:57 AM
77	Improve the disc golf course in phase 2	7/3/2025 10:23 PM
78	More classes for adults would be great. More than craft classes. How about "Speed dating" or social dance nights? Another dog park is needed.	7/3/2025 8:49 PM
79	Please install speed bumps by the 2nd phase 1 entrance near laundry, and at phase 2 entrance	7/3/2025 8:36 PM
80	Better septic system. Open the nature trails. Golf cart games . Better family fun day. Do something other than just sports tournaments on the holiday weekends .	7/3/2025 7:59 PM
81	Bridge and trail from phase 1 in the condos to phase 2	7/3/2025 6:19 PM
82	South woods trail needs improvement. Road is narrow with trees close to road.	7/3/2025 2:45 PM
83	Yes.. A permanent stage and sound system for entertainment and bands	7/3/2025 2:10 PM
84	See question #3	7/3/2025 12:23 PM
85	Cleaning up the beach/water area in the phase 3 beach. Make it swimmable so phase 3 also has a nice beach area to go to. Add more playground equipment to the area in phase 3 where the random swings and basketball hoops are by the pool. Phase 3 gets neglected most of all.	7/3/2025 11:13 AM
86	No	7/3/2025 10:40 AM
87	a sand volleyball court in the phase 2 pool area or field	7/2/2025 11:59 PM
88	Have the train available every weekend. Kids look forward to this and it only runs a few times a summer. More kids club availability on the weekends. Keep the country café open for dinner. Bring back more inventory in the SP store like old renters/business had.	7/2/2025 11:09 PM
89	Plant more fish in the lake, dredge lake	7/2/2025 10:30 PM
90	Roller rink/areas	7/2/2025 8:09 PM
91	The disc golf in 3 needs improvement. More pickleball courts	7/2/2025 8:08 PM
92	Second entrance into phase three for members only.	7/2/2025 7:54 PM
93	Our shuffleboard courts are horrible need to be resurfaced	7/2/2025 7:26 PM
94	Upgrade equipment on rope course add a climbing wall. Place an equipment box at the baseball field.	7/2/2025 3:45 PM
95	Fix up the splash pad. Many features are broken. Needs heated water!!! Often the water is so cold, the kids won't go in it until it starts being hot out. Any improvement would help so that it would get used even more. Add a white noise machine in the convenience centers. Many use these bathrooms and no one wants to listen to the 10 other stalls doing their business. A little white noise would make everyone more comfortable. Ice cream shop - Have a soft serve only line. The old building just torn down would have been great for that. People with this simpler order could get their ice cream faster while avoiding the long lines. Many would opt for this speedier service, helping to reduce the main line. What's faster....5 soft serve cones or 5 custom orders that need mixed, blended, etc.?! More train rides! The creator of the train did a fantastic job and it's cool to have at the park. Can't imagine how much was invested in the building to house the train, something that is rarely used. Seems that if funds are tight, we should not have built that building for something that the community can use (train rides) so infrequently. However, I do commend whoever built it, it turned out great. Just not really a necessity to have this building or the train if we're not using it more or if park funds are tight.	7/2/2025 3:44 PM
96	QUit spending money!!!!!!!	7/2/2025 3:27 PM
97	Random thought - my 4 year old just passed the swim test. She received her wristband, but it doesn't fit her wrist so she has to wear it on her ankle. It is light orange in color so understandably, lifeguards aren't able to see it easy and so we are constantly being questioned about why she doesn't have a life jacket. I'd like to suggest the bracelets be made in brighter colors - neon colors, that a life guard could quickly identify.	7/2/2025 2:42 PM
98	Tool lending library or database with contacts/tools to borrow	7/2/2025 1:35 PM

## Sandy Pines 2025 Long Range Planning Survey

99	Bring back the Adult game room that was removed when North shore was built.	7/2/2025 1:28 PM
100	Allow surfing- dredge the lake	7/2/2025 12:07 PM
101	New pool. Separate splash pad from pools. Indoor bball gym. Bring back Friday activities for kids (swim kids club) jumping pillow. Sandy pines mascot, more kids vs staff Water, more park decor for holidays (not ugly signs) indoor play structure Pick up bball league for teens and young adults	7/2/2025 12:03 PM
102	Pickleball lessons- the previous ones filled up too fast	7/2/2025 11:35 AM
103	Bring back the adult area with comfortable chairs and round tables. Table shuffleboard?	7/2/2025 11:21 AM
104	seating areas by food trucks cleaner seating area by ice cream shop shaded playground more shade phase 2 pool scavenger hunt prizes - maybe all turned in get in drawing for ice cream for whole family or something like that. Meet the PSO night - go over simple rules (have a handout) - like no passing on the bridge, no golf cart parking on the streets, one way streets, these things are not physically posted anywhere... keychain card for entrance into park areas (at least let us know where to get one and if one is available)	7/2/2025 10:59 AM
105	The golf course belongs to everyone. We do not golf but we sure like our "lawn". We believe it is a significant part of our overall capital and individual membership net worth. We think that the golf course should be funded by cheap but fair green fees along with the entire membership structure. We feel that more people would leave Sandy Pines if the golf course failed and was shut down. We do not believe that people leave because they don't golf and resent supporting a golf course.	7/2/2025 10:34 AM
106	Replacement storage areas for the Tot Center	7/2/2025 10:34 AM
107	Additional garbage cans throughout the park, especially near the food truck area. A space for picnic tables between the food trucks and the ropes course would serve as a great location for eating and socializing. Bi-annual Trucks and Tunes event!	7/2/2025 10:30 AM
108	Expanding the park and adding more sections of ever possible. Cap and ballers across street to south could be another nice area to expand if ever possible.	7/2/2025 10:29 AM
109	More water park options. Maybe another pool/water slide. It isn't fun to show up to a pool that has reached capacity when you bring family/friends to the park.	7/2/2025 10:12 AM
110	Update instead of replacing.	7/2/2025 10:05 AM
111	focus on electrical and water upgrades throughout the park for members' units	7/2/2025 10:01 AM
112	Indoor pool. And explore ways to make amenities available outside of the months of summer vacation. (Too may are just staffed with students. The students are great, but we only get access to the full amenities for half the season)	7/2/2025 9:39 AM
113	A road that would connect phase 3 to phase 2 so that you do not have to go all the way around the lake.	7/2/2025 9:36 AM
114	1. Continue to improve the condition of the lake now that the source from Phase 3 has been addressed. 2. Nature trails need to be cleaned up and maintained.	7/2/2025 9:33 AM
115	An outdoor pavilion/covered picnic area by the rope course and food trucks, like the one in phase 1. A skate park for teens	7/2/2025 8:56 AM
116	Another pool phase 4	7/2/2025 8:49 AM
117	Shuffleboard court clean up and possible cue/stick rental	7/2/2025 8:15 AM
118	Move tot center to rec center	7/2/2025 7:25 AM
119	More shade areas at the Phase 2 pool.	7/2/2025 5:47 AM
120	Skateboard park Restrooms and drinking water near phase 2 flea market pavilion	7/2/2025 12:39 AM
121	How to enforceably protect our girls from transgender males in the ladies bathrooms!	7/2/2025 12:14 AM
122	Id love to see more weekend activities that don't revolve only around sports. Id love to have more crafts or social activities. I would love to see shuffleboard leagues.	7/1/2025 11:47 PM
123	A handicap walkway to phase 1 beach east of picnic pVillion. Mid entrance is hazardous.	7/1/2025 11:39 PM

## Sandy Pines 2025 Long Range Planning Survey

124	I miss having the indoor shuffle board or adult activity room and restaurant	7/1/2025 11:36 PM
125	I sure wish we could deal with things in SP through an app.	7/1/2025 11:06 PM
126	Having a software program to make a park directory for those members who want to share names, lot #, home town, activities they enjoy, etc. great way to connect with others. I would be willing to help facilitate this because i have talked with many people who agree this would be helpful	7/1/2025 11:01 PM
127	Restaurant on the outside of the park that could be open to area residents to provide additional income for the park. Sewer is needed if we want to continue to market the park for camping. During the week, most of the campsites sit empty but having full hookup would assist with getting people to use it during the week. I know many will not camp here for that reason. A true teen center like the happy shack use to be. Probably would need an id to get in so you know who is there. Better swimming program instead of waiting in line in the hot sun to end up not getting in. There should be an easy online program for this.	7/1/2025 10:09 PM
128	Fitness Room upgrade	7/1/2025 10:06 PM
129	Creating a second lane entrance for phase 3	7/1/2025 9:59 PM
130	development of property north of phase 6	7/1/2025 9:51 PM
131	sports bar would be fun, credit card reader for car wash, obstacle course,	7/1/2025 9:48 PM
132	More over flow parking. Seeing the food trucks have taken all of our parking.	7/1/2025 9:47 PM
133	Nature trail in Phase 3 cleaned up, groomed and more unusable for hiking/biking.	7/1/2025 9:33 PM
134	Escape room	7/1/2025 9:15 PM
135	Very weedy over in no wake area for swimming off boats Lost many anchors around tree stumps Wish our lake was deeper	7/1/2025 9:09 PM
136	Better basketball courts and rims throughout	7/1/2025 9:02 PM
137	Entertainment fundraisers at the Chapel offering music other than Christian music, art shows, craft shows, comedy shows, Big flea market with donated goods. Activities where admission is charged and it goes towards a certain park improvement.	7/1/2025 8:55 PM
138	No	7/1/2025 8:53 PM
139	Music at Adult pool and more lounge type chairs, lay down.	7/1/2025 8:47 PM
140	Phase 3 pool expansion	7/1/2025 8:38 PM
141	Please DO NOT turn our lake into a pontoon only/ fishing lake, we love boating, tubing etc with our kids and family	7/1/2025 8:01 PM
142	Retaining wall along the sandy pines property in the channel in phase two. Badly needed.	7/1/2025 7:52 PM
143	Tree removal in green areas that are a danger to members and guests! This is a liability that has been ignored and a lawsuit waiting to happen!	7/1/2025 7:34 PM
144	The camper app for communication is dire at this point. Signs, papers, texts, fb page, website, staff all have different info. Wildly disrespectful of people's time, rental campsite families, and those with little kids where precise timing planning to avoid meltdowns is important. Camper App ... please!	7/1/2025 7:29 PM
145	Fix the crumbling roads	7/1/2025 7:14 PM
146	for most activities would need to see statistics to know how to rank versus new mail delivery bldg which could be located near admin bldg so close to flea market area	7/1/2025 6:57 PM
147	Theater group or having a garden tour or land scraping prizes	7/1/2025 6:48 PM
148	Picnic tables by the food trucks	7/1/2025 6:25 PM
149	No	7/1/2025 6:19 PM
150	Get rid of the golf course that loses money year after year after year and put in a Lazy River in the Soccer Field that nobody used!	7/1/2025 6:16 PM

## Sandy Pines 2025 Long Range Planning Survey

151	Clean up disc golf in phase 3, and relocate phase 2 disc golf to another area	7/1/2025 6:14 PM
152	Upgrade the exercise facility equipment with newer/better equipment.	7/1/2025 5:57 PM
153	Rock climbing wall Scooter area for kids Utilize lake for activities. Hire more workers assigned to implement and oversee events	7/1/2025 5:50 PM
154	When planning get input from people familiar with the project. Poor planning in phase 3 on tennis/PBcourt. Tennis court surface at water park people hate. Change surface and make both tennis and PB usable. Check how nice Courtland township made their courts. Find out who did them and how much experience they have. Our (new) courts were not done well and the patch job is AWFUL!!	7/1/2025 5:47 PM
155	I loved the golden onion and indoor pool. Even after that I lived the adult hangout area with pool tables and ping pong and puzzles.	7/1/2025 5:34 PM
156	Install mailbox's in each phase to make room for packages in the current mail room	7/1/2025 5:29 PM
157	You don't use phase 1 pavilion enough to spend money on it	7/1/2025 5:23 PM
158	Picnic tables and trash cans for food truck area	7/1/2025 5:14 PM
159	A sound system for pools and water park should not even be a priority. It is too loud at the water park now.	7/1/2025 5:10 PM
160	Improve guest sign in on member site. Difficult to sign a new guest in unless on a computer or iPad. Returning guests works fine.	7/1/2025 5:07 PM
161	Improve guest sign I. On website to be more user friendly	7/1/2025 5:05 PM
162	Hot tub in adult pool	7/1/2025 5:02 PM
163	Walking/biking paths, outdoor exercise equipment	7/1/2025 4:54 PM
164	As I mentioned I think a splash pad that was open from dawn to dusk and not gated for families to cool down would be a huge hit. No capacity, no lifeguards. But a way to still cool off on those hot days!	7/1/2025 4:52 PM
165	Move play ground in phase3 by the dump station to a safer area and make more parking in its .place	7/1/2025 4:50 PM
166	Drop in golf league/ events	7/1/2025 4:49 PM
167	Septic system	7/1/2025 4:46 PM
168	Expanded golf clubhouse Condo bridge between phase 1 & 2	7/1/2025 4:46 PM
169	Move the ice cream shop to the North Shore Bldg, serve more food from there. Add a dinner restaurant in the building where you can sit on the outdoor patio. This building is under utilized!!!	7/1/2025 4:41 PM
170	I think our own concessions truck placed around different areas of the park during concerts, flea markets, garage sales, etc. would be a cool idea. We are missing out on opportunities to sell food and drinks. A shaved ice machine. A farmers market once a week. Expand the poker run event to include a cookout afterwards.	7/1/2025 4:41 PM
171	More pickleball courts please. It's hard to find a court on the weekends	7/1/2025 4:40 PM
172	We are selling but dog groomer would be great!	7/1/2025 4:39 PM
173	Water obstacle course for lake Indoor pool	7/1/2025 4:38 PM
174	More potlucks; north building is underutilized! Town hall meetings," so you've got talent" or coffee house or sharing of personal experiences	7/1/2025 4:38 PM
175	Would love a hot tub! Would have to be a big one.	7/1/2025 4:37 PM

## Sandy Pines 2025 Long Range Planning Survey

179	Again, dog park. And finding someplace for another huge pool. There just isn't enough pool space for how many people there are and we don't like getting kicked out on the hour.	7/1/2025 4:32 PM
180	Better shuffle board courts to all more people to play at once.	7/1/2025 4:29 PM
181	None	7/1/2025 4:28 PM
182	Really need larger dog park for bigger dogs please.	7/1/2025 4:25 PM
183	Don't allow kids to ride on electronic scooters, bikes, etc they speed worse than cars and golf carts. They don't pass safely and they're difficult to see. Require them to have license plates/register them or some way to track/report.	7/1/2025 4:23 PM
184	Dredge the whole lake! Change no wake times to the same as all other normal MI lakes. Make the big no wake area by the chapel a regular part of the lake. It would make water sports behind a boat way more safe. If the lake was dredged parts of the current no wake area could still be no wake for swimming on boats along with sailboat cove and phase 6. Make more docks so less boat stakes are around the lake. Each member on the water has a boat stake in front of their place and they pay more for that. All people not on water with a current boat stake go to my new proposed dock areas. Most people on the water would pay more if we had no extra boats in front of us and people were not walking past all the time. If it doesn't change then I wouldn't want to pay more.	7/1/2025 4:23 PM
185	Up grade the Rc track. The current sand makes a huge dust storm when running and residents that live by the track come out and yell at the people running on the track. If the proper dirt was put in there would be less maintenance and no dust storms.	7/1/2025 4:23 PM
186	Lawn bowling	7/1/2025 4:22 PM
187	More boat docks! Shared docks!	7/1/2025 4:20 PM
188	new strategy with food trucks, stop overcharging them	7/1/2025 4:20 PM
189	Move store and combine with park and garden. Open up space between current store and restaurant to increase restaurant space. Have coffee bar in restaurant with variety of coffees (hot and iced) with donuts/pastries. Use current store space to facilitate the coffee bar and expand restaurant. Use tot center as new dairy dip with indoor seating and serve only ice cream related items. Keep the restaurant as main facility for food and have open until 8. Serve sandwiches, wraps, walking tacos, salads, nachos. Dishes that do not need a fryer. Have a fountain drink machine in restaurant and dairy dip. More profitable than cans.	7/1/2025 4:20 PM
190	Larger areas of road replacement and widening in some areas, Fences around Property.	7/1/2025 4:19 PM
191	No	7/1/2025 4:17 PM
192	Indoor pool	7/1/2025 4:14 PM
193	We have waited 4 years for a dead tree to be removed by SP. Tree removal is in need of attention.	7/1/2025 4:13 PM
194	Ice cream truck that rolls through the park on weekends, better shuffleboard area	7/1/2025 4:12 PM
195	Additional boat stakes or docks	7/1/2025 4:10 PM

## Q8 Funding for Improvements If future needs exceed current capital budget limits, what suggestions do you have to help fund priority projects?

Answered: 197   Skipped: 467

#	RESPONSES	DATE
1	Fund raisers within the park & so those interested in that item will rally support & help meet the goal - while those not interested do not need feel like they need to fund things they don't want.	7/19/2025 10:12 AM
2	- Fundraising for a specific improvement. - 50/50 raffles	7/18/2025 5:58 PM
3	Capital assessment	7/18/2025 3:26 PM
4	Smaller scale probably, but.... some sort of raffles, silent auctions, more horseshoe and cornhole tournaments. Pickleball and even shuffleboard tourneys, etc.	7/18/2025 1:41 PM
5	Increase camping fees and rental fees	7/18/2025 11:46 AM
6	Don't fund the lower priority projects.	7/18/2025 9:26 AM
7	Keep cost in line...manage the budget without asking for more \$!	7/18/2025 8:31 AM
8	Sponsoring things with a plaque or inscription (tables, benches, bricks, etc), sponsoring holes on golf course	7/18/2025 7:36 AM
9	Business partnerships Paid Events	7/18/2025 7:34 AM
10	Increase membership so folks know what it will cost them. Some folks, unfortunately don't realize the full value they are currently getting! I'm fine with assessments too! You are doing a great job with what money you have to work with! Thank you all for your commitment and dedication to this Happy Place! A shout out to maintenance for the beautiful landscape and all they do!	7/18/2025 6:20 AM
11	Raffle tickets for a weekend or a week stay as a guest at Sandy Pines potentially will bring in new members once they experience the magic.	7/17/2025 10:24 PM
12	Golf cart and camping rentals	7/17/2025 9:29 PM
13	Sell the golf course. Trailer sales transaction fees. No longer have full time employees. Higher camping fees.	7/17/2025 9:17 PM
14	Thorough evaluation of how funds are currently spent. Cut backs where they can be cut. Open forums for members to understand how funds are spent and suggestions offered on how to reallocate funds.	7/17/2025 8:57 PM
15	Maybe take a look at what excessive expenses there are that don't need to be? Is there something being funded too much that can be cut back?	7/17/2025 8:34 PM
16	Update CC #9 phase 4	7/17/2025 8:34 PM
17	Look at overhead first. Some areas in park could use some cost cutting.	7/17/2025 8:28 PM
18	Increase an annual dues per Lot in order to meet the needs so we can pay our bills and keep the park main maintained and safe.	7/17/2025 8:17 PM
19	Auction fundraiser	7/17/2025 8:16 PM
20	Use retired assessments from one project to use in a new project	7/17/2025 7:26 PM
21	Save money know, quit spending money	7/17/2025 7:26 PM
22	Ask for volunteers to help with building and repairs. As a charter member that is how SP started. We helped with everything. We are owners so we should help if we can. Ask the membership to help.	7/17/2025 7:02 PM
23	Prioritize what is affordable per year. Once accomplished, prioritize for following year. K	7/17/2025 6:42 PM

## Sandy Pines 2025 Long Range Planning Survey

24	Special short term assessments.	7/17/2025 6:20 PM
25	Seek outside grants or funding to minimize expenses to owners. Increase charges to units with large amounts of members/associate members on account	7/17/2025 5:49 PM
26	Fundraisers, renting out the current boat stakes that are not being used and haven't been used by members in years	7/17/2025 5:41 PM
27	Continue to bring items to vote multi year projects. The dam was so sudden there was no time to plan for an extra expenditure	7/17/2025 5:30 PM
28	Need more informative power outage notices. Not only the loss of power info, but when it returns would be greatly beneficial!	7/17/2025 5:13 PM
29	More businesses and services provided by park.	7/17/2025 4:48 PM
30	Cover over the human fooseball	7/17/2025 4:46 PM
31	You could have all members contribute to the lake pumping right now members with boats and boat stakes pay every year, we all pay for the golf course why not all of us ?	7/17/2025 4:29 PM
32	Increase golf cost and other than that do it within the current budget.	7/17/2025 4:25 PM
33	Member assessments are unpopular, but they are the easiest source of funds. As a member I am willing to pay for very important improvement projects, like the dam. One other idea is to consider making a rummage sale on the garage sale weekends which people can donate stuff to sell and all the proceeds go to the park.	7/17/2025 3:55 PM
34	An added assessment	7/17/2025 3:47 PM
35	Grants application	7/17/2025 3:46 PM
36	Staff reductions and decrease of frivolous days off. Bureaucracy exceeds its usefulness	7/17/2025 3:44 PM
37	Partnering with local businesses, bottle drives	7/17/2025 3:33 PM
38	Endowments	7/17/2025 3:30 PM
39	Grants, endowments, carve out % of investment \$\$ as seed funding for highest priority projects. Other \$\$ could come from sales of Sandy Pines merch, participation in certain events and activities.	7/17/2025 3:21 PM
40	Wait until you have the funds since you've already pissed off most of your members with the nickle & diming (as they call it) making them want to sell. Also, if it aint broke, don't fix it	7/17/2025 2:59 PM
41	No pay raises. No new vehicles. Find other areas to cut. Delay some projects until grants are found or seek volunteers to help with getting projects completed.	7/17/2025 2:59 PM
42	Take portion of budget surplus each year and invest so we can pull 5% each year	7/17/2025 2:48 PM
43	Have an in park fund raiser; example: park and garden could sell flowers in spring as a fundraiser.	7/17/2025 2:44 PM
44	Rebalance budget. Cut other areas of spending.	7/17/2025 2:38 PM
45	Is there a way to implement a more fee for use type charges? Members with large numbers of family using park vs members with very limited associate usage? While associate membership is very generous here, we may need to share the costs in a more use based fee structure?	7/17/2025 2:38 PM
46	Grants, Fundraisers, Sponsorships.	7/17/2025 2:29 PM
47	Do not ask for outside money, fund raising activities, 3-5 year raise in dues	7/17/2025 2:27 PM
48	increase dues	7/17/2025 2:25 PM
49	There is a lot of admin jobs and communication jobs that could be trimmed and more efficient.	7/17/2025 2:25 PM
50	I love the amenities but when it comes to priorities, I think safety needs to be a top priority.	7/17/2025 2:24 PM
51	Increase dues	7/17/2025 2:22 PM
52	Fundraising, increase golf dues and use that funding for more universal priorities	7/17/2025 2:16 PM

## Sandy Pines 2025 Long Range Planning Survey

53	Grants or fundraising	7/17/2025 2:14 PM
54	Find places in the budget for savings.	7/17/2025 1:56 PM
55	Since the golf course is now making net revenue, reduce the recently adopted capital payment for the golf course and put towards priority projects.	7/17/2025 8:41 AM
56	Grants and fundraising projects.	7/14/2025 1:28 PM
57	Don't exceed budget limits. Just like everyone else, budget money until the funds are raised then build the project. STOP spending our money then raise our dues!!! If we can't afford it, don't build it!!!	7/13/2025 11:14 AM
58	Raise rental rates and One pontoon for rides for \$\$\$	7/11/2025 8:06 PM
59	Find ways to fund without raising costs for members.	7/10/2025 10:15 AM
60	1. Utilize the north shore building more for bussiness events, business picnics, business team building exercises. Weddings, baby showers, bridal showers, birthday parties. 2. Hold concerts in flee market or church area and sell tickets to the public to attend. 3. Hold raffle events to raise extra money. Winners could win a free camping weekend, free golf, prizes. 4. Basketball or pickleball tournaments. Pay to play.	7/9/2025 9:56 PM
61	Increase the yearly amount of Capital funding per member and make this an annual assessment.	7/9/2025 6:43 PM
62	Increase number of seasonal sites and increase the charge for them since there is a waiting list.	7/9/2025 8:35 AM
63	Just because someone likes an idea doesn't mean Sandy Pines HAS to have it. You need to start living within your means, quit trying to keep up with the Jones' and budget, say 'no' to ideas that cost money. Your wanting of everything is ridiculous and outrageous and we members are tired of paying for things we never wanted, or did not vote for! The lake needs to be dredged. Do we really need a bigger dog park? No. If dog owners want one, THEY should pay for it. Dog owners should have their dogs registered with the park. With the number of violators that don't leash them, have them at the flea market, etc and no PSO enforcing the rules! There needs to be accountability! Every dog should be registered with a fee of \$50 per dog and THOSE fees can build a new dog park!	7/9/2025 12:31 AM
64	Up the annual dues	7/8/2025 3:09 PM
65	Casino night (porker run is extremely popular), bring in floating water obstacle course & sell tickets.	7/7/2025 10:38 PM
66	Remove the sport court and repair the surface of the tennis courts by the rec center and turn them into 4 additional pickleball courts. The basketball court that is barely used could be turned into a parking lot or additional pickleball courts. Tennis lessons could be moved to phase 1 or phase tennis courts.	7/7/2025 8:59 PM
67	Security could use more golf carts and less vehicles where some are often not being used. Golf course should be self supporting , move additional membership fees from that to capital budget items that benefit the entire park not just the same golfers.	7/7/2025 7:59 PM
68	Raise capital limits and/or dues.	7/7/2025 3:12 PM
69	Increase the fees for golf, it's far below market rates. Better utilize the golf club house as a restaurant.	7/7/2025 2:03 PM
70	Then delay the projects...a budget is a budget. Thats what we have to do at home. Not fair to keep moving the goal posts. Not doing your job if you are, and it is becoming more and more of an issue with this new administration.	7/7/2025 8:56 AM
71	The golf course could be a dinner and bar destination to the public. Bunker Hill restaurant has closed down. Advertising the restaurant in the sandy pine bulletin.	7/7/2025 4:57 AM
72	Corporate investment and sponsorship	7/6/2025 1:45 PM
73	Grants, T-shirt fundraiser, gold scramble, BBQ summer party, covered beach chair rentals, boat rentals, can drive, carnival, campfire cookout competitions (like a chili cook-off), remove one RC track and add add more cabins, babysitting/kids activity night for adults to have a night off/out. Fishing tournament	7/6/2025 1:32 PM

## Sandy Pines 2025 Long Range Planning Survey

74	Vote vote vote for special assessment.	7/6/2025 11:41 AM
75	Prioritize and fud as budget allows. Remove cost in inefficiencies of current operations.	7/5/2025 8:44 PM
76	Activities that are fun, yet at a good price point.	7/5/2025 5:42 PM
77	Eliminate \$40,000 park vehicles patrolling when ATVs or golf carts would work most of the time. That way PSOs could patrol bikers and scooter operators going through the park 25+ mph.	7/5/2025 9:52 AM
78	Fundraisers	7/5/2025 9:12 AM
79	Cut other expenses	7/4/2025 7:25 PM
80	Partnerships	7/4/2025 6:57 AM
81	Auction	7/3/2025 8:36 PM
82	Put on more events to raise money.	7/3/2025 7:59 PM
83	Review current budget needs before adding funds. Eliminate not needed tennis courts before building pickle ball courts.	7/3/2025 6:19 PM
84	Do not ask for a blank check. For each project the park thinks is important. Come up with a price and let us vote on if we think it's important and they're willing to pay for it.	7/3/2025 3:30 PM
85	Camping fee should be evaluated each year. We are still very moderately priced for what we offer. Maybe consider a nominal fee for all of the free lessons like golf and swimming. The chapel committee should also not have full control of the chapel grounds and need to pay a much higher lease with stipulations that the park can also use it for whatever they want	7/3/2025 2:10 PM
86	Fund raisers	7/3/2025 12:23 PM
87	Raffles, sell Sandy Pines tshirts and hats.	7/3/2025 10:40 AM
88	Grants and donations should be at the top of the list prior to members having to expense future wish lists	7/3/2025 9:31 AM
89	Use money that you are price gouging members to have guest come in to the park and from tickets pso give out.	7/2/2025 11:09 PM
90	increase dues	7/2/2025 10:43 PM
91	Donations, fund raisers	7/2/2025 9:54 PM
92	Look at grants or raise fund from people interested in certain activities	7/2/2025 8:08 PM
93	Organize leagues and charge a fee to get involved and make sure proceeds go to maintaining that facility	7/2/2025 7:26 PM
94	Fundraising with events, like concerts, golf outings, corn hole or horseshoe tournaments. 50/50 raffles. Promote the Northshore building for more rentals.	7/2/2025 3:45 PM
95	Need to consider what can be cut. Tough decisions may need to be made. Like this survey, identify a list of potential cuts and let the members voice their opinion on what to cut as a final decision.	7/2/2025 3:44 PM
96	Only needs...NO WANTS!	7/2/2025 3:27 PM
97	Grants	7/2/2025 2:07 PM
98	Dog park has enough users that you could probably fundraise that project, ask for supply and labor donations. Pet parents spend a lot of money on their fur babies!	7/2/2025 1:35 PM
99	Lake improvement -allow surfing	7/2/2025 12:07 PM
100	Grants Business donations Fundraisers Indoor play structure park	7/2/2025 12:03 PM
101	Turn the tennis court at the rec center into pickleball courts as tennis players don't use them anyway because they don't like the existing surface	7/2/2025 11:35 AM
102	Share expense among members as we all benefit.	7/2/2025 10:36 AM

## Sandy Pines 2025 Long Range Planning Survey

103	Like dad said, "Save your money. Check your priorities. The Lord will help you find your way when the "need" arises. Wants are seldom needs."	7/2/2025 10:34 AM
104	- Donations collected at activities (e.g. cribbage, sports, movie nights, etc) - Selling other Sandy Pines branded items (e.g. pool floats, clear bottles) - "Loyalty" punch cards that earn rewards to encourage purchases (e.g. ice cream shop, guest passes, sport equipment rentals)	7/2/2025 10:34 AM
105	Create new dues structure that does not require repeated capital funding voting.	7/2/2025 10:33 AM
106	Assessments	7/2/2025 10:30 AM
107	Usually the only funds seem to come from grants that are limited or special assessments. Wondering if possible to make an incentive program to have for inheritance of individuals who may not have anyone to pass down or those who do not want their family in a trust situation.	7/2/2025 10:29 AM
108	Fund raisers, small assessments.	7/2/2025 10:12 AM
109	partnering with outside entities, soliciting private donations, spreading the costs and the revenues more equitably	7/2/2025 10:01 AM
110	Sell the gold course. It does not pay for itself.	7/2/2025 9:36 AM
111	1. Silent auctions (ask members and solicit local businesses, for donations). 2. Increase funding for lake improvement projects e.g. wells, rip wrap, etc.	7/2/2025 9:33 AM
112	Add to our dues with a detailed plan of what is going to get completed. Be sure to take member input so we have a voice!	7/2/2025 9:28 AM
113	business sponsorships	7/2/2025 8:56 AM
114	Stop raising fees!	7/2/2025 8:29 AM
115	Community events/activities: Festivals with stalls/games/food, Themed event nights, Car/golfcart wash	7/2/2025 8:15 AM
116	Club memberships, business sponsors and grants	7/2/2025 7:25 AM
117	Golf scramble Auction Offer lake for local high schools to develop crew program	7/2/2025 12:39 AM
118	I think it would be great if you would allow over night parking permits for boat trailers in the overflow parking. Something like \$10 to park a boat trailer over night. You could raise money that way. Also the speeding and not stopping at stop signs is out of control on golf carts especially in phase 2. Give out more tickets to help pay the bills. You could also expand the bullpen area to make more money on storage.	7/1/2025 11:47 PM
119	Voluntary fundraisers, not assessments	7/1/2025 11:39 PM
120	Make the electric bike and scooters need a lot tag and license	7/1/2025 10:10 PM
121	Fundraisers. If it is an item that a good majority would like to see added, a fundraiser would generally work great. Like sell tickets for a nice dinner and a dance or another activity after. Also, you maybe be able to use people in the park to volunteer there service to provide some improvements. Maybe someone would volunteer IT time to set up a swimming reservation system. There are a lot of qualified people in the park and it would be good to allow people to volunteer their services.	7/1/2025 10:09 PM

139	Bake sales	7/1/2025 7:23 PM
140	Offer to sell the green areas that are never accessed or can not be accessed by anyone, (and that the park does not properly maintain), to the adjacent site owners. We would love to add an additional 15 or 20 feet behind our lot that nobody in our 36 years here has ever used to our lot. Then we could maintain it, which the park is not doing. It is currently an eyesore of overgrown bug infested weeds and downed trees. We are willing to pay for it and the park could avoid having to pay when one of their dead green area trees falls on our trailer. Win Win for everyone!	7/1/2025 7:14 PM
141	Ever year I have heard that business are looking for projects to help the communities. Contacting the business to support community projects is something that may interest them. 162	Increase dues	7/1/2025 4:54 PM
163	Fed or state grants or programs	7/1/2025 4:54 PM
164	Any maintenance issues need to be addressed first. I know members don't like total overhauls because they're so costly, but the truth is, many things are old and were not maintained properly. I think evaluating if the item is a true need is essential, then fixing it before we have future problems comes before the fun stuff. (Like the dam) also for example, is the phase 1 pavilion something that really needs to be rebuilt, or is this something where some of those amenities can be moved to the north shore or merged into a new ice cream building? Can we combine the two buildings? Are we upgrading convenience centers because they just look old but function fine or because they truly are not functioning anymore?	7/1/2025 4:52 PM
165	Rent the north shore building out more.	7/1/2025 4:50 PM
166	Do not charge members. Find other ways to raise money. Increase golf course fees. Get a liquor license. Open a party store for our park. Don't give away that profit to anther business.	7/1/2025 4:48 PM
167	Put on events like a pig roast with music and drinks . Food , drinks and music brings people together. Theme party . Lower the rental cost so members will use the buildings. Have more golf cart games. Add on to golf course making it a sports bar so it can support its self . There are 3 holidays in the summer all missed opportunities to have big events that could bring in funds. Hundreds of guests come here and the only thing going on are sports tournaments.	7/1/2025 4:46 PM

174	Plan better or hold fundraising events. With dues and fees on the rise, middle class families will eventually be driven out. Unless that is the goal.	7/1/2025 4:33 PM
175	I mean... I might be the minority here because a lot of people are on a fixed income. But I am always on board for anything that makes our park better! So have some fundraisers right here in our park! Have a golf outing or a 5k... there are people whose job it is to come up with ideas for fundraisers!	7/1/2025 4:32 PM

## Q9 Program Elimination Suggestions

Are there any current programs, services, or amenities you feel Sandy Pines should consider phasing out?  
Examples: Human Foosball, Phase 3 Disc Golf, Tot Center

Answered: 246   Skipped: 418

#	RESPONSES	DATE
1	Human Foosball, make 1 nice Disc Golf somewhere more open & close Phase 2&3 disc golf (phase 2 is wayyyy to close & congested) other one too far away. Find a middle ground! Put more play equipment in phase 2 park instead or another pickle ball court.	7/19/2025 10:12 AM
2	Remove Human Foosball - it's rarely used. Replace it with a "community garden" or a little "park" area with tables and benches, maybe a little water feature, where people can just sit and relax, read a book, etc. It would also be a great spot for walkers/runners to stop a bit and catch their breath.	7/18/2025 5:58 PM
3	Turn human foosball into additional pickle ball court	7/18/2025 1:41 PM
4	No	7/18/2025 11:46 AM

15	Human Foosball and Disc Golf, is there still the game room/exercise room by the water park and is it still used?	7/17/2025 8:34 PM
16	Human foosball replace with pickle ball.	7/17/2025 8:34 PM
17	Very little cost to any of these examples. Keep them.	7/17/2025 8:28 PM
18	A lot of the activities here I'm not familiar with, because there are so many. I have not attended several. However, all of the ones that I attend are part of what help makes. Sandy Pines our happy place, so I think we should look for new opportunities for recreation and if facilities or activities are not being used, like the human foosball, Then OK let's make some changes. I don't have enough knowledge to suggest which ones at this point,	7/17/2025 8:17 PM

62	Human foosball can go, that being said, it's there and not costing anything really.	7/15/2025 1:00 PM
63	I never see the Human Foosball being used. But I don't see a need to remove it until it needs repairs.	7/14/2025 1:28 PM
64	Example: 1 You removed a perfectly good pavilion we used for pancake breakfast and build another one just like it, when we could've used the old one to sit under while the new one was used for the cooking and seating. 2. You removed the indoor pool building that everybody used and replaced it with a building nobody can use/don't use. Sandy Pines members don't want outsiders renting it for weddings and such. The building isn't big enough to occupy all the people of the phase it sits in, but if we have a tornado it's written that we have to let outside residence come in to use the shelter as well. So myself being a Sandy Pines member if a tornado is coming and all the outside residence occupied the building, are they gonna let me in? These two examples just show that money is not spent wisely.	7/13/2025 11:14 AM
65	No, keep for varied interests	7/12/2025 12:58 PM
66	Human Foosball	7/12/2025 10:06 AM

75	Human foosball	7/8/2025 3:09 PM
76	Phase 3 disc golf would be used more with a little maintenance. I used to try, but became overwhelmed over time.	7/8/2025 11:12 AM
77	Labor Day Weekend fireworks, Phase 3 disc golf (didn't know we have disc golf in phase 3)	7/7/2025 8:59 PM
78	Don't need fireworks twice. Added expense. Never see anyone in human foosball. Space could be used for parking or something more useful.	7/7/2025 7:59 PM
79	Human Foosball, Disc golf,	7/7/2025 3:12 PM
80	Human foosball is a no brainer. Golf subsidies, it's too cheap to play. All the concerts at the chapel, or charge admission like is done for the kids train.	7/7/2025 2:03 PM
81	Tot Center, Disc golf	7/6/2025 6:59 PM
82	Human foosball could be pickleball	7/6/2025 1:45 PM
83	The 3 already listed, the soccer fields, and one of the RC tracks.	7/6/2025 1:32 PM
84	Bulk cable and internet this has to stop it is stupid for those coming here to do recreational things and turn off the screens shouldn't be forced to pay for this. This is a campground those who want these things should pay for them.	7/6/2025 11:41 AM

97	Replace human foosball with a new dog park.	7/3/2025 5:36 PM
98	Human foosball, tot center, The amazing race-that activity has such a small number that can participate and requires at least 30 staff to run it. I also understand the need to expand breakfast service, but if the dairy dip is going to fill that slot, they need a much larger staff. Some of those kids are working 12 to close at least three days a week which totals 36 hours plus a breakfast shift. We shouldn't expect that of teenagers. Also, I understand the need to control a budget, but the activity scheduled this year seem pretty lame. As far as I am aware, there are no big events planned with an outside company needed. That means really fun things like the foam party and having battle GR are not offered this year.	7/3/2025 2:10 PM

113	Do any of the examples cost Sandy Pines much money on an annual basis? Human Foosball is more of an eye sore and I never seen anyone using it on the weekends. Does the park have studies or keep track of the activities that are most and least attended? While there are a lot of great ideas to try and get members involved, if only a few are participating in an event, it should be considered for discontinuation the following year.	7/2/2025 3:44 PM

1	While many have skills - they also have jobs. The park heavily relies on those that are NOT currently working which is great for those who are retired but a lot of people still work & really just want to come there & relax and unplug during the weekend when they are off work. The park is great & honestly offers a lot of things (maybe too many?) Strive for a nice balance of action & then maybe just more basic events like potlucks in phases (or divide up the phase) and have a group bonfire at night or something else that doesn't cost a lot but brings people together.	7/19/2025 10:12 AM

1	I think the park currently offers plenty of activities and if you're gonna add more, you should remove 1 item for 1 added instead of just adding to the budget and that will keep costs down & interest high. ***Make a different designated area for the food trucks so that we don't have to give up an entire guest parking lot for that.	7/19/2025 10:12 AM
2	Please no speaker in Raiden areas	7/18/2025 8:40 PM
3	Good luck, this isn't an easy task and you'll never please everyone. I would suggest implementing projects that benefit the most individuals.	7/18/2025 5:58 PM
4	We greatly appreciate the staff and the wonderful opportunities we have in the Park	7/18/2025 2:33 PM
5	Thinning trees in the green areas is a high priority for me.	7/18/2025 11:46 AM
6	Please try to keep Sandy Pines simple and affordable for young families.	7/18/2025 9:26 AM
7	I think it's important to take better care of the assets we currently have rather than always trying to find/build something new to spend money on.	7/18/2025 8:53 AM
8	Manage cost/expenses and keep Sandy Pines affordable...too many \$ increases recently and asking for more \$ including guest/train/assessments/pumpouts	7/18/2025 8:31 AM
9	Rec needs to be restructured so it can be run more efficiently. Happy Shack, Dairy Dip, and the cafe should be its own Food Services department with a director in charge and the staff could work in all 3 places if they choose. Lifeguards and monitors should be separate from Rec as well with its own director. Then, the Rec director position should be in charge only of actual Rec events and activities. There are currently a lot of people unhappy about how this department is run and I think the problem is that it's structured to be three departments in one with one person expected to run all three and that's currently not being done. It's too much for one person to effectively lead.	7/18/2025 7:36 AM
10	Keep up the great work! Wish we could somehow encourage folks to attend/listen to meeting to fully understand what's involved in managing this Happy Place! And remind them to read the rule book! Thank you!	7/18/2025 6:20 AM
11	I feel that people that have residents on Fairway Drive and adjoining circles, should be able to purchase a Sandy Pines membership as the Condos do. There are many people that live there that would be interested. More money for the park!	7/17/2025 11:17 PM
12	A inviting pond and welcome sign where sandy pines bushes removed...otherside of dam. More small cabin rentals...currently none in phase 2...maybe rental 868 could be cabin	7/17/2025 11:13 PM
13	I would love to see more chairs at the pools. There's tons of open spaces to add more chairs. We don't go on the weekends because nothing is ever available.	7/17/2025 10:31 PM
14	We need to keep this park family friendly! It is not a retirement community the the Villages in Florida!	7/17/2025 10:00 PM
15	Maintaining what we have with the funding available and build new and better when funding is secured. Large expenditures should benefit a large portion of the membership, not 1-2% like that new truck track in phase 4.	7/17/2025 9:29 PM
16	The whole park should be run by volunteers. If you cannot have a full 6 months of services and events for us, why should there be any full-time employees. The board needs to publish their meeting notes online like they use too, not just videos. We as "owners" have the right to know about each and every trailer sales transaction. how much, who sold, who bought. Every position and salary should be published as well. The park has lost its personal touch. There	7/17/2025 9:17 PM

should be an online table listing of all incidents from the rangers. What is published in the newsletter is hard to track and follow.

17	Have more food trucks but not have them pay percentage of what they earn. It's to bring people together not make money.	7/17/2025 8:34 PM
18	After you get the report and suggestions of the company hired to prioritize needs, I would be happy to brainstorm what's first and how to tell/sell it to the members So they'll happily help fund it. It's a tall order.	7/17/2025 8:17 PM
19	Second entry gate for members only, phase 3	7/17/2025 7:26 PM
20	You need to spend less, save more and lower the cost to members. Need to get rid of cable and get us option for internet only.	7/17/2025 7:26 PM
21	No	7/17/2025 7:19 PM
22	Let's remember this is a camp ground, not a 5 star resort. Maintain what we have with improvements. Too easily thus place will no longer be affordable if we adding amenities. Let's get back to making our own fun. The health of the lake should be the top priority!	7/17/2025 7:13 PM
23	Use our resources wisely. Do upkeep don't replace unless it's falling down.	7/17/2025 7:02 PM
24	Great survey. Please report results. Thank you fir your service.	7/17/2025 6:42 PM
25	Keep the tot center. Lots of families use it	7/17/2025 6:39 PM
26	Laundromats in all phases.	7/17/2025 6:33 PM
27	Many individual sites have too many people on them at times (especially holiday weekends). It is a strain on our parking, staffing and PSO officers and is taxing our resources (power and wells). Wish that those who pay for memberships would consider this when they invite everyone they have ever known out to our Happy Place. Perhaps SP should look at and limit or charge more for how many Associate/Grandchild memberships are allowed per site.	7/17/2025 5:49 PM
28	I know I mentioned the indoor pool a few times. Michigan has such unpredictable weather, and we could encourage local schools to use it as well.	7/17/2025 5:30 PM
29	Do not buy up any nearby property for golf holes unless there is a true money making plan. The golf club house area could be a perfect site for a restaurant for Sandy Piners & public too.	7/17/2025 5:13 PM
30	I think the adult pool needs 10-20 more lounge chairs.	7/17/2025 4:39 PM
31	Thank you for helping!	7/17/2025 4:36 PM
32	Have we (sandy pines) ever thought of having free or low cost picnic days for our communities/neighbors to introduce them to our park	7/17/2025 4:29 PM
33	Please tale the time to review the new report for the Pavilion. Please do not take the current president's word for the need to replace. Ask people in the building trades to review the latest report. The pavilion is a beautiful building that meeds to be saved.	7/17/2025 4:05 PM
34	I have heard multiple instances of families selling their place in SP because their kids "aged out of the activities". This means it is very important to keep the teen age group engaged with exciting activities that keep they wanting to come to the park.	7/17/2025 3:55 PM
35	No	7/17/2025 3:50 PM
36	Need additional care of green spaces. Some are quite unsightly. Would like better pricing for dead tree removal on sites	7/17/2025 3:47 PM
37	X	7/17/2025 3:46 PM
38	Fencing int the drain field behind the ball field would make a nice dog park, and keep people from driving on it.	7/17/2025 3:44 PM
39	Focus on family fun, safety and giving people grace.	7/17/2025 3:33 PM
40	The laundromat in phase 3 does not accommodate members and all the campers. Worse when camping is full	7/17/2025 3:12 PM
41	We appreciate everything that you do! Please be sure to represent the less fortunate members	7/17/2025 2:59 PM

and members that are single parents that just want a safe place that they can enjoy with their kids. Sandy pines is about making lasting memories with family and friends. Not about the store, restaurant, mail room, or other luxuries.

42	You are doing a great job and i know things take time and money. Keep up the good work.	7/17/2025 2:53 PM
43	Tough to please everyone. Just listen to the feedback of members.	7/17/2025 2:44 PM
44	Stop trying to build new structures. Repair and maintain existing to the best of our ability.	7/17/2025 2:38 PM
45	Great job on survey. Thanks for giving us a place to voice oyr thought	7/17/2025 2:25 PM
46	Park is a great place. Most important thing is to maintain and upgrade the facilities we have.	7/17/2025 2:22 PM
47	More lounge chairs at pools. Current amount is a joke	7/17/2025 2:12 PM
48	All in all SP is a good value for what we get. It just seems like sometimes we are nickeled and dimed with extra costs.	7/17/2025 1:56 PM
49	Though some are against additional signage, I think more specific signage noting dog rules in the park and on beaches needing to be leashed at all times and no alcohol off your lot need to be more visible and more rigorously enforced even if just by warnings.	7/17/2025 8:41 AM
50	As a member with teenage kids and full time work responsibilities it isn't always possible to be at board meetings or to volunteer. Having part of the footprints dedicated to these committees and periodic updates from each throughout the year would be helpful and improve transparency in what is being discussed for the park. Funds should be focused on what makes sense for continued growth and improvement for the park, not oddball, 'that seems neat' ideas or pet projects.	7/15/2025 1:00 PM
51	Bring back the identification of " Park Rangers" not PSO's. This is a campground, not a gated community.	7/13/2025 11:14 AM
52	Replace kids splash pad with lazy river, as it is too cold and not used	7/12/2025 12:58 PM
53	Thanks for asking the membership for ideas	7/11/2025 8:06 PM
54	Increasingly Seniors are being forced out of the park because of costs. Find ways to keep costs down for Seniors.	7/10/2025 10:15 AM
55	Reduce the rule book. Consolidate some of these rules and get rid of some rules that no longer apply.	7/9/2025 9:56 PM
56	Why not reduce the number of vehicles used by the PSO and replace with golf carts.	7/9/2025 6:43 PM
57	This survey is very poorly laid out, and the listed projects sound like they are happening at someone whether members want them or not. Do we really need music at the pools... absolutely not. People have different tastes in music and loudness of it. Most people use air pods for their music anyway. Do we need pickleball racket rentals—no. You need to deal with real issues like kids taking over the roads on their scooters doing u-turns, passing golf carts, cutting golf carts off, not obeying traffic laws. PSO is never out patrolling and setting these kids/families straight on what's acceptable/not acceptable—absolutely no accountability! Someone is going to get seriously hurt or worse!! Kids should be at least 12 or 14 to ride them, clearly marked sight numbers, wearing helmets, and tested like for golf cart permits.	7/9/2025 12:31 AM
58	A 5k or similar race/run, charge to participate but receive a shirt. See Zeeland zoom for an example. Spread out the garage sales, one phase per weekend, and rotate the weekends each year.	7/7/2025 2:03 PM
59	Seems like our "Happy place" is diminishing. Seems to be a lot of negativity around the park and membership input, thoughts and concerns are no longer important. Seems the thoughts, ideas, of a few are more important than the masses. Seems like a religious cartel...seem nice but hide nastiness behind the cross. I hear people talking about this more and more...not good and have us, and many others, looking into options.	7/7/2025 8:56 AM
60	1) keep focusing on long term infrastructure (keep improving and maintaining what we have) and realize every additional CAPEX project will need maintenance, repair, and replacement budgets to support them. 2) Engagement and environment, keep up the efforts to positively engage children/teens/young adults... these create more than just a good time/memories, they	7/7/2025 8:30 AM

will be future members who will make time and financial investments to keep strengthening Sandy Pines.

61	Again- well water pumping into the lake instead of dirty creek water for the cow pasture. We would be able to treat our lake less.	7/7/2025 4:57 AM
62	See notes above.	7/6/2025 1:45 PM
63	Focus on our lake! Please please please without or beautiful lake we won't be very happy campers!	7/6/2025 11:41 AM
64	Consider installing more boat docks	7/5/2025 9:37 PM
65	No	7/5/2025 8:44 PM
66	Live within your budget. Sandy Pines wants to please too many people, who only want to complain when their personal agenda isn't being fulfilled.	7/5/2025 9:52 AM
67	Convert some of the existing tennis courts to pickleball	7/4/2025 8:40 AM
68	Wristbands for members and associates for all amenities. So many per family. If lost a \$20 fee.	7/4/2025 7:43 AM
69	Please police the electric scooters and bikes.they need to have licences,made to follow speed rules,stop signs,age limit.they are scary	7/3/2025 8:36 PM
70	Please consider adding a second dog park on the other side of the dam, closer to phase 2. I have met many friendly people and their dogs at the dog park, but I rarely go now because it's unkempt, dirty, and dangerous. There is a long, sharp wire sticking out of the ground, and if a dog were to get too close to it while running, it could cause a serious injury and maybe even death.	7/3/2025 5:36 PM
71	Thank you for the survey and time in asking our opinions.	7/3/2025 3:54 PM
72	I never understood why there are so few chairs in the adult pool. There are room for many more. Whatever the listed capacity is for the pool that's how many chairs there should be. Anytime I go to a nice resort. There are always several rows deep chairs around the pool.	7/3/2025 3:30 PM
73	Thank you, and I appreciate everything that you do	7/3/2025 2:10 PM
74	Extend the hours of the phase 3 pool. It is unfair that pahse 3 residents cannot enjoy the pool as long as the waterpark.	7/3/2025 11:13 AM
75	No	7/3/2025 10:40 AM
76	Just to have some rules in place for scooters 🛵 in the park	7/3/2025 7:21 AM
77	Need a new safer area for kids to fish now that there is rock at the dam. Im too concern that my kids will trip and hurt themselves. At least allow fishing from the docks please.	7/2/2025 11:09 PM
78	Seating at the beach across the golf cart bridge would be wonderful	7/2/2025 7:54 PM
79	PLEASE more pickleball courts!	7/2/2025 7:38 PM
80	Bathroom near flea market and pavilion, better utilization of north building and land around it - additional splash pad, MORE OVERFLOW PARKING	7/2/2025 4:57 PM
81	Would love to see the sad little park by the phase 3 pool put to better use.	7/2/2025 3:45 PM
82	The park needs more transparency. All I see is "Attend the board meeting". It's 2025, we should be able to communicate clearly and easily to all members of the park without needing to be at an in person meeting. Having the live video feed has been a nice improvement. I think transparency and communication can still be improved. This survey is a good first step. A follow up would be to publish the results and next steps.	7/2/2025 3:44 PM
83	QUIT HAVING SO MANY FRINKING RULES! NEVER ENDS!	7/2/2025 3:27 PM
84	Re-look at storage structure maxes per lot. The 200 sq ft max is pushing it with today's storage needs.	7/2/2025 3:10 PM
85	Please consider removing counting people in the pool and 1 hr limit as it was before covid. Most people are not swimming. Michigan law for life guards is 1 to 75 ratio. A family with a few	7/2/2025 1:28 PM

different aged kids has difficulty coordinating a 50 min swim with different nap times at a precise time of 10 till the hour. Can we put current pool rules on a survey?

86	Thanks for all you do!	7/2/2025 1:28 PM
87	More pickleball courts, bring back surfing, lake improvement ( it's our biggest asset) and MANY families have been cut off from a wonderful activity	7/2/2025 12:07 PM
88	Major concerns with dog park expansion	7/2/2025 12:03 PM
89	As members for over 40 years, we couldn't be happier with the services from all employees at Sandy Pines! Keep up the wonderful work!	7/2/2025 10:36 AM
90	We are a young family that bought in Sandy Pines without any other family or friends in the park. It would be really nice if there were ways to meet other young people with young children in order to build connections.	7/2/2025 10:34 AM
91	Members need to stay informed and read information provided through official channels	7/2/2025 10:33 AM
92	Thank you for volunteering your time and energy to ensure the long term health and well-being of Sandy Pines!	7/2/2025 10:30 AM
93	Just coming from the safety aspect of it and my knowledge of the fire department. If there ever is a legit fire in the park I believe multiple units will go up prior to the fire department arriving. That being said in a long term solution it would be lovely to see a couple fire hydrants to be utilized and opened up by public safety and shut down when not in use. Easy and speedy for the firetrucks (who will have a difficult time navigating the tight streets anyway). Even a pickup truck with a large tank and small pump would be quicker and safer in my opinion.	7/2/2025 10:29 AM
94	The cable TV commitment is ridiculous in light of the streaming options. I haven't used the cable since it has been implemented. Why can't we opt out? I think maintaining the park to a high level is vital, coupled with adding amenities. A fishing area would be fun. The 1 hour swim limit when the pool capacity has been reached could be extended to 1.5 or 2 hours. Thank you!	7/2/2025 10:12 AM
95	We like our campground please keep it campground don't or commercialized.	7/2/2025 10:05 AM
96	If I were to follow the replacement times for infrastructure at Sandy Pines, I would have replaced my primary residence at least twice by now.	7/2/2025 9:36 AM
97	Continue to maintain our top amenities e.g. lake and golf course. We appreciate management and board members/committees for their tireless efforts to make Sandy Pines a great place to come and unwind.	7/2/2025 9:33 AM
98	Thank you for sending this and proactively planning for our future!	7/2/2025 9:28 AM
99	We love Sandy Pines. I think these are great questions to ask and hope you get good feedback. I especially liked the question of what should we discontinue. I've never really thought about the under utilized resources that the park must continually maintain.	7/2/2025 8:56 AM
100	Generally wonderful place	7/2/2025 8:49 AM
101	N/a	7/2/2025 8:15 AM
102	Thanks and good luck with the upcoming capital proposal	7/2/2025 12:14 AM
103	I tried to volunteer for the last golf cart permit tests but never heard back about if I was needed or not. I would love to volunteer, but much better communication is needed. I would really like to see more communication and social media presence for recreation. Amazing Race was cool last weekend but there was zero ways that spectators could get involved and the woman running it had an unwelcoming attitude. There should have been lots of hype and it would have been great to see photos from it and to find out who won. It was a missed opportunity. I would love to see photos posted from all of the events, more people would get involved. I would be interested in helping improve the outreach and social media presence. If the social media engagement increased, that would allow more relationships with businesses to raise money with advertising. Please feel free to reach out if I could be of assistance. Lindseymechnik@gmail.com	7/1/2025 11:47 PM
104	The lakes beaches need to be protected. Swim areas keep shrinking. The lake committee seems to be dominated by boaters. Please protect lake for swimmers too	7/1/2025 11:39 PM
105	Thanks for being on the committee.	7/1/2025 11:06 PM

106	Charge for people to use the electric bikes and scooters. Just like when mopeds were popular	7/1/2025 10:10 PM
107	Stop nickel and diming membership. Only members who participate in certain events or amenities should be paying - not the entire membership.	7/1/2025 10:06 PM
108	Keep yearly fee in the same range and not keep going up	7/1/2025 10:06 PM
109	I am very grateful for our park and all of its amenities. I don't want the cost to ever get so high, families have to leave because it becomes too expensive. When considering cost, please remember some of us come from far away, so we don't just have the cost of being in the park, but travel costs to get to our Happy Place too. Our family can't afford the costs getting much higher.	7/1/2025 9:59 PM

124	We don't understand the need for some of the things because we don't use them so it's hard to prioritize things.	7/1/2025 7:52 PM
125	Old management was too focused on money!	7/1/2025 7:46 PM
126	There are lots of activities and events for kids. Need more activities and events adults. There is an activities director for kids. Is there one for Adults of all ages?	7/1/2025 7:43 PM
127	Why are there so many empty rental lots especially on Sundays? You are doing a poor job marketing. You should encourage renters to increase the nights rather than have so many empty lots. Maybe a one night rental to new people who are not aware of our amenities and staying the day at SP instead of leaving too early on Sunday when they could enjoy the chapel and amenities	7/1/2025 7:34 PM
128	The park trailers are getting out of young families price range. Is there any control to this? People are purchasing only to flip given the high return. Also any expansion to the lake? How about cutting no wake area back some to relieve main lake area traffic.	7/1/2025 7:20 PM
129	Would like to see something more done about people long term parking in the convenience center parking lots during the day. We have had to drive to numerous convenience centers in order to find a place to park in order to use the bathrooms on busy weekends.	7/1/2025 7:14 PM
130	Emergency Medical and safety training for all that would like to know what to do and how to help in an emergency.	7/1/2025 7:01 PM
131	Bingo is missed!	7/1/2025 7:00 PM

## Sandy Pines 2025 Long Range Planning Survey

132	it seems that more and more is places on requiring permits and fines and fines and permits and fines. That stops being family friendly. To require a salem permit and sandy pines permit - I cannot think of another instance where if you had to pull a permit from the next level up the food chain where you still needed a local permit. seems like a lot of added rules versus parents taking responsibility for their kids	7/1/2025 6:57 PM
133	Keep a leaf blower at the recreation center that workers can use (or guests) to blow off the mini golf course holes on many days when the bark chips are covering them! I like how the score cards/pencils were just added outside. The course is very nice.	7/1/2025 6:45 PM
134	I think paying for visitors should be spread across all residents and added to annual costs. Cost sharing which is already done in some areas.	7/1/2025 6:39 PM
135	I think we should have a pump out program that would go from the second week after memorial weekend until October. Most of the Park is not here and you are pumping air when you have earlier pump out programs.	7/1/2025 6:31 PM
136	Survey way to long	7/1/2025 6:30 PM
137	Thanks for the work you do.	7/1/2025 6:19 PM
138	The park is beautifully maintained. I do feel like the workout room is in poor condition (tattered benches and broken equipment) and needs some attention...	7/1/2025 6:18 PM
139	Put in a Lazy River	7/1/2025 6:16 PM
140	We need to pay off debt, instead of finding new things to raise additional funds and spending money on.	7/1/2025 5:54 PM
141	Always change or rotate fun activities. Plan activities that can happen even when weather is poor	7/1/2025 5:50 PM
142	need to address the sudden over exuberance in ticket writing and rules that seem to be a little over board.	7/1/2025 5:36 PM
143	Thank you for serving	7/1/2025 5:36 PM
144	We have been at Sandy pines for 28 years and have paid for tarred roads, electric upgrades, water park, golf course and north shore by all the special assessments that never go away and that others enjoy who have never paid for them. Charge a special recreation fee to renters.	7/1/2025 5:34 PM
145	Another adult pool,you can't swim in the pool because the older people stand around and chit chat with each other	7/1/2025 5:23 PM
146	Thank you for making Sandy Pines a better place, can you look into the recreational department though because many of the staff there are so entitled and it's affecting their relationships with others in the workplace and causing some teens to decide against working there.	7/1/2025 5:17 PM
147	I think there should be an audit to find out what happened to the three year assessment to repair or replace the Phase 1 pavilion roof. Where did that money go? Members need to know where that money went.	7/1/2025 5:10 PM
148	My biggest concern is the lake level through the summer. It appears the pumps are working overtime but can't keep up. Additional ,more efficient pumps may be the answer. To help fund those pumps to keep the lake at a more desirable level through the summer I might suggest increasing the boat sticker cost to help offset some of that cost. It's July 1st and the lake seems way lower than normal. What's the lake level going to be in another 30 days? As we all know the lake is our biggest asset.	7/1/2025 5:09 PM
149	Communication must continue to improve. The audio on board meetings been great. Long range planning communication like this survey is good.	7/1/2025 4:54 PM
150	I'd love a way to get know families and have meetups/playdates. Also I think a directory is a great idea!	7/1/2025 4:52 PM
151	Add an am and pm poker run. It's getting way to big for everyone to get to seven locations and back to the golf course if you have a good hand. Or extend the time to 5pm instead of 4pm.	7/1/2025 4:50 PM
152	Add an activity recreation survey and maybe a committee.	7/1/2025 4:46 PM

## Sandy Pines 2025 Long Range Planning Survey

153	As we in the condos pay the same dues as park residents, I would like to see more support from the park, ie: maintenance (plowing, mowing of some green spaces, etc.)	7/1/2025 4:46 PM
154	An official "welcome to the park" person(s) After new sales, maybe a stop in visit, additional information to help navigate the rules, property usage, any questions that might have been missed or needed since purchase.	7/1/2025 4:43 PM
155	Please keep spraying for mosquitoes!	7/1/2025 4:40 PM
156	The chapel needs a long range vision for staying alive. It's really geared to 75+ currently.	7/1/2025 4:40 PM
157	Convert phase 1 Pavillion to the ice cream shop and restaurant. Then use the multi million \$ NS building for Pavillion activities.	7/1/2025 4:39 PM
158	-Love the new pool in Phase 2; thank you for adding it!! -Love the waterpark & pool in phase 4. Upgrades/maintenance to the splashpad would be good. -Ramping up the rec area in Phase 4 would be fun - adding a rock wall, water obstacle course, volleyball court, in addition to the existing ropes course, playground, tennis courts would make it appealing for families/kids of all ages. Or maybe these things could be added over by the new phase 2 pool.	7/1/2025 4:38 PM
159	Awards for members who do extraordinary things to beautify their lots and park models, Sponsor competitions for best food categories.	7/1/2025 4:38 PM
160	Less grumpy PSO- less speed traps The workout room needs cleaning on a regular basis- it is gross!	7/1/2025 4:35 PM
161	Change can be a good thing or a bad thing, and sometimes new rules and laws are necessary. What is dangerous is when new rules and laws are made to appease a very small group. Keep adding new rules to a minimum and keep this park fun, this isn't Florida, it's our getaway from the stresses and people at work.	7/1/2025 4:33 PM
162	Sail boat cove needs dredged at opening. So does channel to phase 3	7/1/2025 4:25 PM
163	We need to have a president that listens to the members and other board members. Stop the excessive fees/fines. Ppl want to leave bc of these two issues.	7/1/2025 4:24 PM
164	More Pickleball courts would be awesome! Fastest growing sport in our country and more and more are playing. Gets very crowded with only 6	7/1/2025 4:23 PM
165	Dredge the lake and sewer are the 2 biggest things I see. We are so worried about the environmental impact of our man made lake we forget about the impact for us humans that use it. Sailboat cove is nasty. Way too much seaweed when I swim in it and it is just muck. Fisherman seem to get all the benefits. What about us who love water sports and want to tub, wake board, ski & wakesurf (which was unfourtunately outlawed)?	7/1/2025 4:23 PM
166	Listen to the membership!!!! This is not what you want. This is a campground not your retirement resort. The membership is made up of more middle age working families not the retirement age and the committee should recognize that with the planning.	7/1/2025 4:23 PM
167	You need to speak with members before you make decisions and people who know the topic. You have people making decisions that really don't know anything about it.	7/1/2025 4:22 PM
168	many members are business owners or folks with business skills - utilize them.more.	7/1/2025 4:20 PM
169	Thank you for gathering our feedback.	7/1/2025 4:20 PM
170	Work on better relationships between younger families & seniors. This is a family place not 55+.	7/1/2025 4:20 PM
171	We should clean up and restore the Nature Trails	7/1/2025 4:19 PM
172	Stop increasing rates, At Sandy Pines. For instance, in nine years, both guest passes and golf course have gone up 133%. This is not acceptable.	7/1/2025 4:16 PM
173	I hear everyone saying that with all the rules people are leaving. I don't mind the rules but being new to SP I feel so anxious that I am going to do something wrong... I have tried to red the handbook	7/1/2025 4:14 PM
174	Fix the nature trails	7/1/2025 4:10 PM
175	Thank you for sending the survey.	7/1/2025 4:08 PM
