

# PARK & GARDEN RENTAL INFO

---

Thank you for renting a Sandy Pines Golf Cart! For a successful rental experience, please note the following tips.

## ELECTRIC GOLF CARTS

You can leave the charger in the cart as it's not designed to be removed or be out in the weather. Chargers must be returned with the electric cart. Anytime you have an hour or more at your campsite it is a good idea to charge the batteries.

## GAS GOLF CARTS

All gas carts are to be returned with a full tank of gas.

## RETURNING GOLF CARTS

All carts are to be returned by 10:00 am on the last day of the rental. Please be sure to leave the key; there is a drop box provided on the door. Cost to replace keys if lost or missing is \$25.00.

## RULES

No open alcoholic beverages are to be on the golf cart. No one under the age of 18 is allowed to drive our rental carts; this is due to our insurance regulations. If you violate the rules, your golf cart can and will be taken from you.

## TROUBLESHOOTING

Won't Run? Doesn't charge? Mechanical problem?
