In previous years we have purchased various playground equipment and new AED's for our program. This year we will be continuing to focus on outdoor opportunities for the youth in the park.

We appreciate ALL the support and sponsorships we have received and remember to turn in the forms early to guarantee a sponsorship.

Please consider a sponsorship today and turn in your form and donation by the dates given above, for the different levels, so that we can get your company name on the various different items for the levels of sponsorship.
