INTRODUCTION

Welcome to Sandy Pines. On behalf of the entire staff, may we extend our most cordial welcome and our sincere wishes for a quality recreational experience.

We realize the happiness of our members is the key to successful growth, and are therefore committed to providing the optimum combination of recreation and services in a clean, safe and secure environment.

This Handbook is provided to assure all members the right to enjoy their membership, and to provide a secure campground for all members, associates and guests. All of us must understand that to accomplish this, rules and procedures must be enforced.

Members must be responsible for the actions of their children, associates and their guests. Individuals who violate the rules may have their membership privileges suspended or terminated.

This Handbook is also intended to make clear the rules and procedures members are to follow. It should be understood when references are made to the Park President in this book, this applies also to his designee. Regardless of what a Board member or staff person may tell a member, every member will be held responsible for following the rules stated in this Handbook.

THE BOARD IS UNITED IN ITS MANDATE TO THE PARK PRESIDENT TO ENFORCE THIS HANDBOOK

We shall do our best to make you feel comfortable and "at home" each time you visit us. The Sandy Pines Handbook is divided into four sections. One section contains Services, Procedures, and Rules, another section contains Permit Items, and then Articles of Incorporation, and the Bylaws.

DEFINITION OF TERMS

(Amended 9-19-2014, Resolution 091914A, 06172016, 071516A)

A. MEMBERSHIP - Is the rights, privileges and duties of an individual and/or co-owners of a membership who has demonstrated to the satisfaction of the Board or its designated agent(s) their sincere interest in outdoor recreation; and further, having in mind the financial burdens of the Association, their ability financially, to properly share in the responsibilities of membership.

B. JOINT MEMBERSHIP - A married couple or two (2) single adult individuals may jointly own a membership. For voting purposes, each membership, whether owned individually or jointly, shall be entitled to only one vote.

C. MEMBER - Is an individual and/or his/her spouse and/or co-owner who maintains a membership in good standing with the Park. A membership cannot have more than two individuals. Member includes a valid Trust Membership.

D. TRUST MEMBERSHIP: Members are free to transfer and assign his/her/their Membership to an inter-vivos trust qualifying as a Grantor Trust under Subchapter J of the Internal Revenue Code,

which by its terms provides that the Member is the grantor, trustee and beneficiary of all of the trust income, and in which he or she has retained for his or her own life the power to revoke the trust in full, and such trust is in full compliance with all provisions of the Rules and/or Bylaws and the Sandy Pines Membership Agreement. The primary purpose of the trust must be to avoid probate on the assets held by the trust on the day the Member dies (or the day the surviving Member dies if the Membership is held jointly), and the transfer and assignment of the Membership must be for no consideration. The death of the Grantor (or surviving Grantor in the case of a joint trust) will be treated as the death of the Member(s) for purposes of these Rules and Bylaws and the Sandy Pines Membership Agreement. The Membership transferred to or held by any such trust will continue to be governed and bound by the terms of these Rules and Bylaws and the Sandy Pines Membership Agreement, whether or not the terms of the trust are subsequently changed, amended, or altered in any way. In any transfer of a Membership to a trust, the transferee must agree to be bound by these Rules and Bylaws and the Sandy Pines Membership Agreement in order for the transfer to be effective and comply with the other provision of these Rules and Bylaws. A trust with more than two Grantors is not eligible for Trust Membership.

The Member(s) who is/are the Grantor(s) of the Trust ("Member(s)-Grantor(s)") is/are the only individual(s) who may exercise the right of the membership while he/she is/are alive and has/have legal capacity. If the Member(s)-Grantor(s) is/are (both) legally incapacitated, the Acting Trustee of the Trust is the only individual who may exercise the right of the membership during the Member(s)-Grantor(s) legal incapacity. After the death of the Member(s)-Grantor(s) (or the survivor of them in the case of a joint trust), the Acting Trustee of the Trust is the only individual who may exercise the right of the membership. If there is more than one Trustee who is not also a Grantor of the Trust, then the non-Grantor Trustees must provide the Park with written notice of which Trustee is the official representative of the Trust Membership. The Trustee so chosen by the non-Grantor Trustees is the only person to whom the Park will provide information regarding the Membership and the only person from whom the Park will take direction regarding the Membership. Such notice must be provided to the Park no more than 30 days after the Member(s)-Grantor(s) death (or the surviving Member(s)-Grantor(s) death in the case of a joint trust). Failure to provide the required notice within the required time may, in the Park's sole and absolute discretion, result in Park action against the Trust Membership. Such action includes, but is not limited to, suspension or termination of the Membership owned by the Trust.

After the death of the Member(s)-Grantor(s) (or the survivor of them in the case of a joint trust), the Membership may stay as a Trust Membership for no more than 180 days from the date of the Member(s)-Grantor(s) death (or the death of the survivor of them in the case of a joint trust). After the death of the Member(s)-Grantor(s) (or the survivor of them in the case of a joint trust), the Membership must be transferred to another valid form of ownership no later than 180 days after the date of the Member(s)-Grantor(s) death (or the death of the survivor of them in the case of a joint trust). If the Trustee of the Trust owning the membership interest does not transfer ownership to another valid form of ownership within the required 180-day time frame, the Park may, in the Park's sole and absolute discretion, take action against the Trust Membership. Such action includes, but is not limited to, suspension or termination of the Membership owned by the Trust.

In all cases involving Trust Membership, a current, legally valid Certificate of Trust Existence must be provided to the Park and shall serve as the only valid proof of who is serving as the Acting Trustee. The legally valid Certificate of Trust Existence is the only acceptable proof of a Trustee's authority under the Trust.

E. ASSOCIATE MEMBERS - Are member's spouse, member's adult children and their spouses, adult grandchildren and their spouses, member's parents, stepchildren and those children under legal guardianship, 16 years and older. A membership who has no other associate, may designate one

associate. This may not change more than one time per year.

An associate would be allowed one significant other at the discretion of the member. Both parties must be at least 21 years of age or older.

Significant Other Definition: Means that a relationship exists between two people, neither of whom are married, that is intended to remain indefinitely and where there is a joint responsibility for each other's common welfare. (Amended 8/25/2023, Resolution 081823A)

Section 5, Other Authority to Assess Membership: The Board shall have the authority to: (a) assess the membership for all expenditures mandated by federal, state, or local governments. - iii. Any expenditure that is required by any act of or notice from any federal, state, local or other governmental agency.
- iv. Any expenditure that is deemed an emergency or of an emergency nature, in the discretion of the

Board.

- v. Any sale of personal property where the asset has an appraised value greater than \$25,000.00.

B. Member Approval Required. Member approval for the purchase of personal property is required in the following circumstances:

- i. When the budgeted cost of a single construction project or asset is more than 2.5% of the Sandy Pines then current annual operating budget (unless approved by the Board per Section 2(A) above).
- ii. When the acquisition of the personal property would require Sandy Pines to take on debt or grant a security interest in the personal property to be acquired.

Any vote under this section shall be held at a special or annual election where such proposed action is disclosed in the notice of such election provided.

C. General Operations / Budget. If the purchase of personal property is in the approved budget of Sandy Pines, then approval of the Board is NOT required, nor is approval of the membership required. If the sale of the personal property is in the normal course of business and the asset does not have an appraised value exceeding \$25,000.00, then approval of the Board is not required, nor is approval of the membership required.

The change(s) to the electronic version of the Rules, Regulations and Bylaw Handbook shall be updated no later than one week from the earliest change(s) effected date.

ARTICLE VI TERMINATION. SUSPENSION. OR OTHER

ACTION AGAINST MEMBERS

Section 1, Termination of Membership: The membership and rights of a member to use Sandy Pines facilities and property may be suspended or terminated for the following reasons: **a)** The nonpayment of any annual dues, special assessments, capital assessments, membership fees, or any other amount owing to Sandy Pines by a member within sixty (60) days after the same shall become due, shall result in the automatic suspension or termination of that individual member's rights and privileges of the use of Sandy Pines facilities. **b)** A member may be terminated pursuant to the procedures set forth in Section 4, Article VI for serious and/or repeated violations of the rules and regulations of Sandy Pines, or for conduct which endangers the safety of, or disturbs the enjoyment of the use of Sandy Pines' facilities and/or property by other members.

Section 2, Suspension of Membership: A member's privileges to use their campsite and other Sandy Pines' facilities, may be suspended for serious and/or repeated violations of the rules and regulations of Sandy Pines, or other actions which endanger the safety of or disturb other members' enjoyment of Sandy Pines. The length of any such suspension is within the discretion of the Board and does not relieve the member of any financial obligation to Sandy Pines.

Section 3, Other Action Against Members: Other action, including probation and/or special assessments for damage, may be levied by Sandy Pines should the circumstances so warrant.

Section 4, Procedure for Termination or Suspension for a violation of bylaws or rules and regulation: The following procedures shall be followed with respect to any termination, suspension, or other disciplinary action against a member:

- a) When a violation of these bylaws, the rules and regulations of Sandy Pines, or other complaint against a member is brought to the attention of the Board, the Board shall notify that member of the charges against them as well as the identity of the person(s) making the charges. The Board shall schedule a meeting at which the person against whom the charges are made may be present and those charging person(s) shall be present. This meeting shall constitute an informal hearing at which time the Board shall hear allegations and responses pertinent to the complaint. The member who has been charged shall be entitled to question the charging person(s). In the event a charging person(s) fails to appear at the hearing, the Board in its discretion may continue the hearing for a reasonable period of time not to exceed forty-five (45) days, may dismiss the charge, or hold the hearing if sufficient credible evidence supporting the charge exists. In the event of a continuance, and should the charging person(s) again fail to appear, the Board shall dismiss the charge unless sufficient credible evidence supporting the charge exists.
- b) Should the Board determine that the complaint has merit but is not serious enough to require termination, the Board shall determine whether the member shall be suspended, put on probation, be required to pay a special assessment for damages, or any penalty that the Board may deem appropriate. The decision of the Board shall be final and binding on all parties.
- c) Sandy Pines reserves the right to place a member on suspension for the purposes of investigating any disciplinary offense. If, following such investigation, Sandy Pines takes no action, the suspended member's dues shall be credited for the time of such suspension.
- d) Should the Board determine, by majority vote, that the complaint has merit and is of such a nature as to possibly require termination, a hearing shall be set by the Board where a special panel of three (3) members of Sandy Pines shall: 1) hear the evidence for and against the charged member; 2) make a decision as to the merits of the charges; 3) decide whether termination or a lesser penalty would be warranted. The special panel shall consist of two (2) members of Sandy Pines chosen by the Board and

one (1) member of Sandy Pines chosen by the charged member. No member of the special panel may be related to the charging person(s), or the charged member. The Board shall name a third member to the panel who shall serve only if the charged member does not name a member to the panel, or the member so named does not appear at the hearing. It is within the sole option of the charged member whether this hearing shall be open or closed to other Sandy Pines members.

e) At any hearing before this special panel, the charged member may be represented by counsel. Should such member be represented by counsel, then the Board may also be represented by counsel. Furthermore, the rules of evidence shall not apply at a hearing before the three (3) members of Sandy Pines. The chairman of this special panel may receive any evidence deemed relevant to the matter.

f) The three (3) Sandy Pines members shall determine the merits of the charges and the appropriate penalty. The panel shall notify the Board and the charged member of their decision in writing by certified mail to the member(s) address as shown in the membership book within fifteen (15) days from the close of the hearing. The decision of these Sandy Pines members need not be unanimous but must be concurred in by two of the three members. The decision of the special panel shall be final and binding on all the parties.

g) After the determination that the charged member must be terminated, the effective date of said termination shall be thirty (30) days after mailing of that decision to the member.

h) Upon the effective date of the termination for disciplinary reasons, the membership and all rights and privileges related thereto shall revert to Sandy Pines and the terminated member shall have no right to recover any monies from Sandy Pines which may have heretofore been paid by the member to Sandy Pines or it assigns for membership, assessment or otherwise.

Section 5:

- a) Collection procedure protocol, as written in the Policy Manual, will be used as approved by the Board of Directors for the purpose of notification and/or recapture of Delinquent Membership Accounts.

Section 6:

Duty to Remove Personal Property of Transfer Title to Such Property subsequent to Termination of Membership (Revised 10-1-2015)

Upon the termination of a Sandy Pines' membership for any reason, the Member has a duty to remove all personal property from the Lot and/or Sandy Pines property within the time period established by the Park President.

If the Member shall fail or refuse to comply with the Member's duty to remove all personal property from the Lot and/or Sandy Pines upon the termination of their membership, the Member agrees that Sandy Pines may, at its election:

- (i) Treat such failure or refusal as an offer by Member to transfer title to such personal property to Sandy Pines, in which event the title thereto shall thereupon pass to Sandy Pines under these Rules & Regulations as a bill of sale; or
- (ii) Treat such failure or refusal as conclusive evidence, on which Sandy Pines shall be entitled to rely absolutely, that Member has forever abandoned such personal property.

In either event, Sandy Pines may, with or without accepting title thereto, keep or remove, store, destroy, discard, or otherwise dispose of all or any part of such personal property in any manner that Sandy Pines shall choose, without incurring any liability to Member or to any other person. In no event shall Sandy Pines ever become, or be charged with, the duties of a Bailee of any personal property of Member. The failure of Member to remove any such property from the Lot and/or Sandy Pines shall forever bar Member from bringing any action or asserting any liability against Sandy Pines or its agents with respect to any such property which Member fails to remove upon termination of their Sandy Pines Membership, for any reason.

a) Security Interest and Lien Rights:

To secure the payment of all money due to Sandy Pines under any agreement with Member, Sandy Pines is hereby granted a security interest in any and all personal property on or about Member's Lot at Sandy Pines. Contemporaneous with the delivery of these Rules & Regulations, and at such other times as Sandy Pines may request, Member agrees to execute and deliver to Sandy Pines financing statements and such other documents as may be required to perfect Sandy Pines' security interest. The security interests granted Sandy Pines hereby are, and shall be, subordinate to any bona fide perfected purchase money security interest that Member may wish to create.

ARTICLE VII TRANSFER OF MEMBERSHIP

Section 1, Right to Transfer: Any member in good standing may transfer a membership to other person(s) who would be eligible for membership upon application under these bylaws, subject to approval of the Board and Sandy Pines' right of first refusal. The terms and conditions of transfer shall not violate any provisions of these bylaws or the rules and regulations of Sandy Pines. Prior to approval of such transfer, Sandy Pines shall have the first option to purchase such membership on the same terms and conditions made to the member proposing to transfer a membership.

A member proposing a membership transfer must notify Sandy Pines in writing of the proposed terms and conditions of transfer. Sandy Pines may waive its right of first refusal in writing or shall exercise this right within ten (10) days after receipt of such notice of transfer. If Sandy Pines does not exercise such right, the proposed transfer may be made according to the terms and conditions stated in the notice. If the terms and conditions of transfer are changed in any material respect, then Sandy Pines shall again have the first option to purchase such membership on the modified terms and conditions.

Section 2, Recording of Transfers: Membership transfers shall be shown only upon the record books of Sandy Pines. No transfer shall be entered or become effective until it is demonstrated to the satisfaction of Sandy Pines that the selling member's dues have been paid in full or adequate arrangements have been made for the payment thereof, that all assessments are paid, that any Membership Certificates and cards issued to the selling member have been returned to Sandy Pines, and that such reasonable fee as may be imposed by the Board to defray the costs of processing such transfer has been paid.

ARTICLE VIII BOARD OF DIRECTORS

Section 1, Number of Directors: There shall be nine (9) directors. Directors must be members in good standing, with no monies or fees past due to Sandy Pines throughout their tenure in office.

Section 3, Election of Directors: The election of directors shall be by written ballot at the annual election. The three (3) nominees receiving the highest number of votes shall be elected to serve for a term of three years. The Chairman shall have a voice and vote in all proceedings of the Board equal to that of the other members of the Board. The Chairman shall have no veto power; **b)** a vice-chairman who presides at the Board meeting in the absence of the Chairman, **c)** a secretary who insures that the minutes of all Board meetings are recorded; **d)** a treasurer who insures that Sandy Pines financial records are properly maintained.

2) The preliminary annual operating budget and the preliminary annual capital budget may be approved by the Board prior to the next fiscal year without a vote of the membership if the following requirements are met:

a) the preliminary annual operating budget and the preliminary annual capital budget do not show a deficit;

b) the annual dues increase or capital assessment increase is not higher than the percent increase for the preceding twelve (12) months of the Consumer Price Index (CPI) for all items published for the North Central Region of the United States for the month ending six (6) months prior to the beginning of the next fiscal year.

3) If the annual operating budget and the capital budget do not meet the requirements of Article VIII, Section 6, Paragraph h), Subparagraph 2, the following procedure shall be used:
