FINANCE & ACCOUNTING NEWS

Financial Statements and 2021 Dues & Assessments

We would like to thank Beth Merren for the wonderful 30+ years she has dedicated to the Sandy Pines team. Her knowledge and understanding of the ins and outs of Sandy Pines was close to her heart and invaluable. Despite a slow start to the 2020 season, we have been making huge progress in the past couple of months and the park is in good shape. The June 2020 financial statements for both Sandy Pines Wilderness Trails and Lake Monterey Golf Course have been approved at our July Board of Directors meeting and posted on the Finance Page. Please note that we'll have the final 2021 Annual Dues & Assessments total after the August BOD Meeting. THANK YOU

Thank you to the entire Public Safety Office team for all of their work and long hours for the past two weeks. They all worked diligently to keep us safe while Admin and Public Safety Offices were closed due to a positive COVID case. We would also like to thank Julie Kohn for all of her work in distributing the new Spectrum Modems. Along with Debbie Huntley, who volunteered to help to with the project over the past couple weeks while our Admin Office was closed due to the associated COVID case. Our park would not be able to run as well as it does without all of the extra work our staff does to keep everyone safe, and with all of the awesome volunteers that we are lucky to have. Thank you! If you know of someone who deserves a thank you shout out, please email us at communications@sandypines.com.
