We are now in full swing planning for our 50th celebration in 2021. We are driving this committee and event with a member team that is creative, excited, driven and focused to deliver the best Anniversary Celebration Sandy Pines has seen. We are requesting and accepting many volunteers to support this awesome event. If you would like to get involved, visit SandyPines.com/50th. The North Shore Center is also coming along nicely, thanks to FCC Construction. Be on the look out for images posted as the project continues to move along.
