MEMORIAL WEEK & WEEKEND

All May Events Cancelled

It will be a bittersweet holiday for members returning for the Memorial Weekend Holiday. All May events and tournaments have been cancelled due to COVID-19 social distancing restrictions. We continue planning on a biweekly basis so while future events are TBD, we'll keep you updated every couple weeks on final details. The Sandy Pines Chapel will be holding virtual services starting Sunday 5/24. They'll be aired on SP Channel 27.1 and on YouTube. We are also planning on holding a virtual Memorial Day Service if we can coordinate all the details, stay tuned for updates. Ongoing event updates are available on our Event Calendar at SandyPines.com/Calendar.

PARK RESTART PLAN

May Update

Thank you to all who continue to support us in executing each step of our Park Restart Plan. It is critical that Sandy Pines continue to follow the 3 Step Plan to gain confidence from our State, County, and local officials. As we all know, campgrounds are closed. We have worked hard with our State, County, and local officials to allow Member access to our wonderful park. As with any plan, we are experiencing some wins, improvement areas and additional actions that will take place. Only Members and their immediate family are allowed access to the park. Face masks are required in all offices, CCs, and laundromats. Social distancing restrictions must be adhered to. For all of the details view our list of FAQs at SandyPines.com/MayCovid19Update

For the past couple years, the Rave SMS Text & Email Alert System has only been available to Members. We are happy to announce that we have a new SMS text-in option for Associate Members, Guests, and Campers. We also have a new SMS Text Opt In for Members, Associates, and guests to get ongoing emergency, recreational, updates, alerts, and cancellation notices. All you have to do is text "SANDYPINES" to 67283. That will opt you into all our alerts & cancellations which will include emergency alerts, recreation updates, event cancellations, pool closures, etc. You can opt out at any time by texting "STOP" to 67283. THANK YOU

Thank you to our essential Public Safety, Maintenance and Administration staff for keeping our community operational during the COVID-19 Pandemic. They all worked diligently to keep us afloat so that we could hit the ground running as soon as restrictions began being lifted. If not for their efforts, members would not have had access on May 1 and we wouldn't be in the position to open to guests and campers as soon as restrictions allow.

Thank you to our Maintenance Department for the incredible work that they did this winter. They repainted all of the indoor walls at the Recreation Station, repaired and repainted all of the picnic tables at the Phase 1 Picnic Shelter & Activity Area, installed new equipment at the Flea Market Playground, and provided numerous building general maintenance updates.

For more facility hours, weekday events, and camping rules & guidelines, please visit our website at sandypines.com

IN THE EVENT OF AN EMERGENCY

Call 911 for police, fire, and emergency medical services, then call the Public Safety Office at 616.896.9006. Medical First Responders will respond to your location. Thank you.
