## Letter from the President by Jean Richards

Here it is August already. Where has all the time gone? Maybe it is true that as you get older, the time speeds past at a record pace. It seems as if we had just opened the Park for the season, and it is really more than half over.

All this time flying by reminds me of Tim McGraw's song "Live like you were dying." In it, he wants us all to get out and do the things we always wanted to do, instead of waiting until it was the "right" time. I don't know that I would go so far as to go sky diving or riding bulls, but I never had those on my list of things I wanted to do anyway.

However, the parts about letting people know you love them, and making amends for the things you feel bad about, are essential to living. Enjoy what's around you, watch the eagles soar, and take

the time to smell the flowers. Don't wait until it's too late to get out and enjoy your life. Don't sit around and worry all day. Things might not be good right now, but times "they are a changing." Look at life by giving thanks for what you have, and not bemoan what you have not.

We never know when our last day will be, so enjoy life to its fullest. As the song says, "Live like you were dying."

Important election coming up on August 21 - Don't forget to vote! The proposals are important issues.

## Board of Directors

## PARK DIRECTOR UPDATE by Max Gibbs

We have a few more big events this summer. Christmas in August started over 35 years ago.

We have added many new members to Sandy Pines, and they have kept this tradition. If you are a new member, we want you to get involved and help keep this tradition going. Please dust off your Christmas lights and decorations and decorate your site and trailer.

The Golf Cart Parade through the Park to look at the decorations has

more than 2,500 Golf Carts traveling through to 'Sight-see.' Please decorate your site, so everyone can continue to enjoy this beautiful event.

The Cardboard Boat Regatta will happen soon after Christmas. To make this an exciting time, we are going to sell special T-shirts, and will have some refreshments at the Race. We will bring both sets of bleachers to the beach 'race area' for that event.

If you are a skilled Cardboard Boat maker, or even if you are not, we encourage you to enter a boat in this contest. The water is warm and the competitors will be happy to have all of you spectators to cheer them on!

If you haven't seen the new T-shirts, sweatshirts, Polo shirts, etc. that

we are selling with our Sandy Pines name on them, please stop at the Flea Market this month, or come in to the office to see them. Sales have been great and the volunteers who help at the Flea Markets are greatly appreciated!

Please continue to drive safely and enjoy your time at Sandy Pines. The summer months go the fastest of all the months of the year! Be safe, relax, and have fun!

**Summer Office Hours**  
**Monday-Friday:**  
 8:30am – 4:30pm  
**Saturday: 8:30 am - Noon**  
**Sunday – Closed**

### Member Service Information by Mary Cooper

#### Flea Markets:

Upcoming dates are: August 14 (Christmas), Sept. 4 (Labor Day), and October 2. Flea Markets run from 9am to 2pm. \*Vendors are not allowed to sell items with 'Sandy Pines' on it. The Sandy Pines name is trademarked. Thanks!

#### 2011 Flea Market Vendors:

You will be able to reserve your space for next year's Flea Markets beginning Monday, September 6.

#### Cable Equipment:

When you are ready to cancel your extra services from Charter Cable (Digital box, Internet, phone, etc.) please call the representative that you signed up with at the beginning of the season. They will cancel your services and send someone directly to your site to pick up your equipment.

## PARK INFO

### Adult Recreation

We have three concerts coming to the Pines in August. On August 10, at 5 pm, the Calder Band will be here in the Pavilion. On August 19, we will be entertained by the Accordion Ensemble, at 7 pm, in the Pavilion. The following evening, August 20, at 7 pm, at the Chapel, the Grand Rapids Sweet Adeline's will be here. This group consists of about 75 ladies who do a great job with all kinds of music. Plan to attend all three of these events for a great evening of fun and entertainment.

I would like to take this opportunity to extend my heartfelt thanks to each and every one of you who have volunteered your time and assistance at any of the events we've all enjoyed. Sandy Pines is a wonderful place to spend your summer, and we could not manage to pull off all of the many special activities without your help! Again, thank you very much!

Rog Grinwis  
Adult Recreation Supervisor

### Teen/Youth Recreation

Super Fantastic! What a great time that we are having with all of your kids this summer!

With all of our activities winding down for the season I hope that you will take the time to say thank you to our Recreation Staff who kept your kids safe and entertained this summer! The tennis, golf, and swim lessons are running smoothly. The Kid's club, Pre-teen club, Teen club and the Nature Connections are all very well attended!

We will be having an end of season "Recreation Party" for all kids that have attended any Recreation group this summer. It will be held on Friday August 20 at the Ph. 1 beach. Check your weekend flyer for more information.

A special thank you to our volunteers! We have such a great group of volunteers who helped with the Kiddie Carnival, Trunk or Treat, The Haunted Maze, and the Kids Triathlon all during the Month of July! We could not have done it without you!

I hope that you have a Blessed rest of the year!

Mary Applehof  
Teen/Youth Recreation Supervisor

## BOARD OF DIRECTOR CANDIDATES

Terry Derks, Site D-65

Jim Schipper, Site K-501

Dick Valone, Site N-180

### Bylaw Changes

The Bylaws Sub-committee has recommended to the Board of Directors certain changes be made to the Bylaws. These changes have been printed in the Footprints, and they are currently on our website.

There will be another meeting with the Committee to discuss these changes at 10 am in the Pavilion on August 7<sup>th</sup>.

The Bylaws are the Constitution of Sandy Pines and can only be changed by a vote of the members. Please become informed about these changes. You will have the opportunity to vote Yes or No at the Election on August 21.

### Cable TV Proposal

The original proposal indicated a savings of 50% if the membership voted to require all members to have Cable TV.

We made a mistake in the calculations of the expenses involved in the current Cable Contract. It was determined that the actual savings for cable will be 42%, instead of 50%. Your annual cost will be \$98, compared to \$170, or your annual savings over the current cost will be \$72, or 42%.

We are sorry about the error, and wanted you to have the correct facts before you vote on the Proposal.

### Notice of Board of Annual Meetings/Election

As per the Sandy Pines By-Laws, notice is hereby given that there will be three (3) positions available for the Board of Directors at the August, 21, 2010, Annual Election.

Annual Meetings will be held on August 21, 2010, at the Chapel, for Sandy Pines and Lake Monterey Golf Course, beginning at 9 am.

Respectfully submitted,  
Terry Derks, Secretary, Sandy Pines Board of Directors

## Senior Adult Activities

by Bill Meyer, President

August is a busy time for Senior Adult Activities. We hope you have enjoyed our many activities so far this summer.

There will be a Christmas party and potluck for all Senior Adult Activities volunteers on Friday, August 6, at 6 pm, in the Pavilion. We will have a \$5 gift exchange at that time. A meeting will follow the party.

On August 14, we will be having another Pancake Breakfast from 8-

11 am, in the Teepee area. Then, on Saturday, August 21, we will host Bingo at 7 pm, in the Pavilion, for those 18 and older.

A Golf Cart Poker Run is scheduled for Saturday, August 21, from 2-4 pm, at the Teepee area. On Friday, August 27, there is a S.A.A. meeting at 7 pm, in the Pavilion. We can always use more volunteers, so come and join us for some friendship and fun. Anyone 18 or older is welcome. Labor Day weekend is another busy time for us, and we can always use the extra help!

Thank you to all of our volunteers for assisting us during the summer at our events. Your time is appreciated.

### The Green Book Info

Another excerpt from The Green Book, The Everyday Guide to Saving the Planet One Simple Step at a Time, by Elizabeth Rogers & Thomas M. Kostigen.

Little things we can do to protect our planet.

1. **Fireplace:** Keep your fireplace damper closed unless a fire is going. An open damper can let eight percent of the heat in your home escape. In the summer, cool air escapes. That can add up to about \$100 a year - up the chimney!

2. **Junk Mail:** Rid yourself of junk mail - or at least recycle it. The average U.S. household receives 1.5 trees' worth of junk mail each year, and many of these trees are thrown right into the trash. If you want to reduce the amount of junk mail you receive, you'll need to register with the Mail Preference Service. It costs a buck, but you can easily register online at [www.dmaconsumers.org/cgi/offmailinglist](http://www.dmaconsumers.org/cgi/offmailinglist). For the junk mail you continue to receive, remember to toss it in the recycling bin instead of throwing it out with the garbage. You can even recycle plastic window envelopes. If all Americans recycled their junk mail, \$370 million in landfill dumping fees could be saved each year.

3. **Light Bulbs:** Dust your light bulbs and change them - to compact fluorescent - only when they burn out. You'll increase energy efficiency and light output, and because electricity production generates pollution, you'll also help promote cleaner air. If ev-

ery American home changed out just five regular light fixtures, or the bulbs in them, with more energy-efficient compact fluorescent ones, we'd keep more than one trillion pounds of greenhouse gases out of our air - equal to the emissions of eight million cars. That's \$6 billion in energy savings for Americans.

4. **Shades/Drapes:** Close the curtains when it's sunny in the summer, and when it's cold in the winter, and you could reduce your energy needs by up to 25%! If every house in America kept the curtains closed for additional insulation, the total energy saved annually would be as much as the entire nation of Japan uses in a year!

5. **Air Conditioner/Furnace Filters:** Instead of having to replace your disposable air filter several times a year, consider buying a permanent one that can be washed and reused indefinitely. Most of these filters have lifetime warranties, so you'll save money in the long run, as well as reduce the amount of waste you send to the landfill.

# PARK RANGER NEWS by Steve Deyarmond

## Golf Carts:

If you sell your golf cart, please remove your Site numbers. If you purchase a golf cart, please put new Site numbers on it. Please be sure to check to see that the Site numbers are correct on your golf cart. Over time, some fall off or become faded.

Site numbers must be displayed on the front and rear of the golf cart. These Site numbers must be in contrasting color of the golf cart, and highly visible. The numbers must be at least three inches in height.

The speed limit for golf carts is 10 mph. Golf carts are required to obey traffic regulations and devices in the Park. Please make complete stops at stop signs, and obey one-way signs.

Standing up on a golf cart while the cart is in motion, is not permitted.

As adults, we set the example in the Park. Please continue to be the positive example of how you would like the young people to operate their golf carts in the Park.

## Guests Visiting the Park:

If you have guests visiting the Park, please be sure you register them prior to their arrival. When guests arrive at the Main Gate that are not pre-registered, it creates a bottle-neck in getting those guests who are already signed in, into the Park. Please take a moment to register your guests in advance, which will save them a wait at the Main Gate, and will prevent others from having to wait behind them.

In addition, the Park does have a guest pass that you can give to your guest which may be pre-

sented upon their arrival, to gain access.

## Golf Cart Accidents:

As I write this article, we have incurred five golf cart accidents so far this summer. Of these accidents, we have not had any injuries. Hopefully, the trend will continue with no injuries.

Parents, please be vigilant in supervising the way in which your children are operating your golf cart. Adults, please remain attentive to the road and traffic.

Thank you and enjoy the remainder of your summer at Sandy Pines!

### Weather Siren Reminder

The Weather Siren will be tested on the 4th Friday of each month at 11 am. Please review your emergency response plan with your family.

## Lake Monterey Golf Course News by Jim Spray

I want to remind you about the Saturday morning Men's Scrambles. Tee-time is at 8 am, but it would help if you show up at least 15 minutes early to sign in, etc.

We also have Ladies Open Scrambles every Friday morning at 9 am. If you enjoy golfing, be sure to come by and play our Scrambles!

I hope that you have been enjoying the "Clubhouse Specials" that have been announced in the Weekend Flyers. We have been putting coupons in the Weekend Flyer for Sunday specials. These specials are for cash or credit card play on the Front Nine, during certain times. Be sure to read the Flyer to see what we have going each weekend – and then come to

## Park Inspector News

by Don Weiss

First off, hello to everyone again, and I trust that you and your family are enjoying your summer so far.

It's getting harder to think of things to write, which is a good thing, but I do have a couple items to touch on.

As always, if you need a permit, please be sure to bring a drawing with you to make the process smoother. If you have recently finished a job, don't forget to return the permit card.

The other thing I've been asked about lately is the grandfathering in of sheds and canvas shelters on the lot line. It is true that if you sell/transfer your Site to another person, or move the shed to a different location on your site, you lose this right and the shed/shelter has to be 2' from the side and back lot line.

As always, if you have any questions or concerns, please feel free to contact me at 616-896-7286 or [Inspector@sandypines.com](mailto:Inspector@sandypines.com).

---

the Golf Course and enjoy!

Mother Nature continues to bring us quite a bit of clean-up work on the Course. We are working hard to keep your golf course up and running.

Stop by the Clubhouse and enjoy our big screen High Definition TV, a snack, and a beverage of your choice. We're always happy to see you, and encourage you to enjoy a beautiful summer day at Lake Monterey Golf Course.

# SANDY PINES

## Sandy Pines 40<sup>th</sup> Anniversary Historical Video Update

Thank you for your assistance with providing pictures of Sandy Pines for our 40<sup>th</sup> Anniversary Video that we are putting together.

I am still in need of pictures of the following:

Construction of the Pavilion (I have zero to date); the original construction and fire repair on the Golden Onion; the Chapel In the Round, and the first Sandy Pines wedding held there; the Handball and Skateboard Course in the old Phase 6 area; clearing of the trees

in the Condo area, and the last extension on the Chapel building.

You may bring your pictures to me at Site N-270, or to Kathy at the Administration Office. We will scan them and return them to you promptly. Your help will make our video more complete and interesting.

Thanks for taking the time to share your photos with us. It is appreciated.

Glenn Baumgardner N-270

## A TRIP TO THE 30 PROFESSIONAL BASEBALL PARKS

As of July 10, we had covered almost 7,600 miles, and only had two National League Stadiums to go, to finish the first part of our trip.

We hope to pass by the Pittsburgh Pirates and the Cincinnati Reds before the 1<sup>st</sup> of August. With less than 10,000 miles to go, we begin visiting the American League teams. First stop - Chicago White Sox and we'll circle the US, ending with the Detroit Tigers.

Follow the trip by checking out the map at Member Service or the chart at the Ranger Station. It's never too late to join in. We have 61 people currently on the list and can always use more. If you have accumulated mileage and have not turned it in, you can still do that, and it will be recorded on the chart. New participants are always welcome—even your guests.

Keep walking, jogging, rollerblading, or riding your bike. Remember, the mileage done on the treadmill and the stationary bike can be counted, too. Every mile counts!!

Jean Richards

August 14

### Free WI-FI Locations in the Park:

Rangers Station, Core (Pavilion area), Library (Admin), CC#3 (Phase 2), outdoor pool (Phase 3), Adult Rec. Center (Indoor pool) & Recreation Station (Phase 6) plus all of the gate entrances.

## FUN AT SANDY PINES

Some of the Grand Rapids Whitecaps Baseball players came out to enjoy a morning with the kids at Sandy Pines. Kids had the opportunity to play a game of baseball with them, and then get their pictures taken! Thank you Whitecaps!

Alvin, from Alvin and the Chipmunks, visited the kids at Sandy Pines and took a Wagon Ride with them to see our Park. Here are a couple of the pictures taken with Alvin!

Christmas in August...  
who's idea  
was that??

# 2010 Cardboard Boat Regatta

## \*Reminder\*

You can still be part of the Sandy Pines famous boating spectacular.  
The 2010 Cardboard Boat Regatta will set sail on

**Saturday Aug 28.**

Hurry!! Get registered, build your boat, and then set sail at the boating highlight of the summer season.

## 2010 Boat Regatta Fastest Boat “Don’t Panic II”

Trophies Awarded for Fastest Time, Best of Show  
and Most Dramatic Sinking

(Two of these you want to win...the other one, not so much)
