Letter from the President by Jean Richards

August is an important month in the Park. We have 'Meet the Candidates' on August 4th at the Chapel, where you have the chance to listen to and ask questions of the four candidates running for the three positions on the Board. It is important that you know something about the people you are electing to represent you and your wishes. This is followed up by the actual election on August 18. Make your decisions and get out and vote. This day is also the Annual meeting of the Park and the Golf Course, which will be followed by a reception being held for Max and his upcoming retirement. The reception will be at the Recreation Station Multipurpose Room. Watch your Weekend Flyer for further information.

There is also fun time at the Park with our celebration of Christmas at the Pines, which is celebrated on August 11. Be a part of it. Join in by putting some kind of Holiday Decoration at your site.

This is my last letter as President, as my second term will be ending with the election. I have enjoyed being your President and appreciate all the good things I have been a part of seeing come to fruition. I also want to thank the many who have indicated they enjoyed my letters, as I have enjoyed writing them.

Take care, and have fun each and every day at the BEST Park in the country!

Sandy Pines Annual Meeting will be held August 18 at the Chapel, beginning at 9 am. The Lake Monterey Golf Course Annual Meeting will follow immediately after.

PARK DIRECTOR UPDATE by Max Gibbs

Christmas in August is almost here. We will have approximately 2,900 golf carts traveling around Sandy Pines to look at Christmas lights. We know how much you enjoy the ride with family, friends and grandchildren.

Please take some time and put up some Christmas light at your site. We know people want to see them, so please help light up the Park!

Thank you for your cooperation during the sprinkling ban. We only do this to help make water available to you at times when you need or want water. Sprinkling late at night keeps your grass alive and makes water available to our members in the

daytime.

Thanks to all of you who have gone to the Golf Course for a snack or a meal. Your support of our Course is important. We have more golfers than ever before, and we see more families there enjoying themselves. This is what we had hoped for and it is happening. Thank you.

Enjoy the rest of your summer. It is amazing how fast it goes by!

Kelvin Kronemeyer

My name is Kelvin Kronemeyer, Phase 1, Site 362. I'm running for the board of directors in obedience to the leading of my Lord Jesus Christ in the same manner He has directed my entire life.

I was an associate member from 1973-1985, and spent two to three weeks here each summer for those years. I became a member in January 2007. I know what Sandy Pines was then (we enjoyed it) and we know what it is now. It keeps getting better year after year thanks to the quality leadership that has been given both by paid staff and many volunteers. I am willing to use my gifts/skills to do my part to keep

this park moving in a positive, creative, fiscally responsible direction while being sensitive to the needs of the several generations who enjoy our park.

My career has been a variety of opportunities. I'm a retired Reformed Church in America pastor, having served churches in Clymer, New York;

Westland, MI; and Orlando, FL, over a span of 27 years. I've also been a school bus driver; a family service counselor and an usher for the city of Orlando Venues, most notably, The Orlando Magic. Each of my jobs has required special administrative and people skills. My desire is to use the leadership skills I've learned in each of my jobs to be the best board member I can be.

I have served Sandy Pines already by preaching at the chapel and am serving by working with the Thursday morning volunteers and along with my wife am cleaning CC#2. I look forward to serving as one of your board of directors.

My immediate family is my devoted wife Ellen for 47 years, a son and two daughters, all married and avid associate members. We have ten grandchildren ranging in age from 17 years to 1 year of age. They all love to spend as much time as possible at Sandy Pines and love to introduce the park to their friends. My sister and brother in law Marlene and Wayne Hinken have been members in the park for many years.

If you choose to vote for me and I am elected, I will be humbled. You will not be disappointed. I will be your servant in any way that I can. Thank You for your vote.

Also Celebrating a Golden Anniversary

The Halls are longtime members, having bought their first membership in Phase Five in the fall before it was developed the next spring! Congratulations on this wonderful milestone. We wish you many more wonderful years together!

Congratulations on Twin Great-Grandchildren!

Glenn & Mary Baumgardner, Site N-270, were blessed with twin Great-Grandchildren on July 30th. Charlotte and Jackson Flessner are numbers four and five in the great grandchild department for the Baumgardners. Parents are Brandon and Maria Flessner.

Medication Collection

The medication collection on June 23rd, was very successful. We had a steady stream of members dropping off their old prescription drugs. Again and again appreciation was expressed for the opportunity to safely dispose of the pills. Heidi Denton, and Trooper Kelli, stayed the entire four hours of the collection. A number of kids got to sit in the police cruiser and were given a special police badge by Trooper Kelli.

We filled a five gallon pail to the very top with thousands of pills, and when it was weighed, there were 30 pounds of unwanted drugs in it. A second pail was filled with liquid meds, salves, etc. This was another great effort by Sandy Pines to benefit our members and the community.

Thanks to everyone who participated in this project, and a special thank you to Jess Larson, for helping to organize it.

Reception for Max Gibbs, Park Director

You are invited to attend a Reception for Max Gibbs, Park Director, to celebrate his upcoming retirement. On August 18th, following the 9 am Annual Meetings at the Chapel, please join us at the Recreation Station, beginning at 11:30 am, to recognize and celebrate Max. Please stop by with your family, friends and neighbors, as we share stories, memories, and wish Max well as he begins a new journey.

Guest Entry

We have many guests at Sandy Pines over the Holiday days. We have set up a system to make entry of your guests much easier than in the past.

We have installed a key pad at each entrance. If you e-mail your guest their guest pass ahead of time, they can enter at any gate.

This past 4th of July Holiday had your guests lined up at the Ranger Station and down the road for a long time. They then had to travel around the Park to your site. If you let them come in any gate, much time is saved.

When you sign your guest in on your computer, or one of ours, there is a line below their name where you enter their e-mail address. When you do this, the guest pass will be sent directly to them. A time saver for everyone!

Park Inspector News by Don Weiss

August already - I can hardly believe it. It has been a busy summer for me as many of you are doing projects right now. If you still have a permit card from a finished job, please make sure it gets returned so that I know you are finished. Once it has been returned, I will come out and give a final inspection and drop the card back off to you, letting you know it has been approved.

There are a lot of new members here this year, if you are one of them, please refer to the Handbook to see what you need permits for. I am still randomly checking green areas for personal items being stored. If you have items in the green area and I find them, you will be fined and required to remove those items.

As always if you have any questions or concerns please feel free to contact me at 616-896-7286, Inspector@sandypines.com, or just stop by my office and see me.

RECREATION UPDATES

Adult Recreation by Terry Derks, Adult Rec. Supervisor

Can you believe it? Summer is already more than half done. The Recreation Dept. hopes you have enjoyed some of the many events that we have provided and hope you participate in, and enjoy the ones that remain. Christmas in Aug. is the first week in Aug. Have fun and enjoy all the decorations.

So you can sing? Well good...because on Aug 8, after the 5:30 pm, Potluck dinner you are invited to a Karaoke sing-along in the Adult Rec. Center.

We have Pontoon Boat rides for you on the evening of the 16th and I could still use a few more boats and Volunteer Captains.

The final 2012 Bean Bag Toss is on Saturday, the 18th at 4 pm. We've had some very good matches so far. Here's your chance to be a champion. (I think this should be an Olympic sport).

The Calder Band will be here again on Aug 22. If you haven't heard this group before you are in for a real treat. They are Great!

Well, we have had our Line Dance event, and now you're invited to join us for "Square Dance" lessons and dancing. It's Saturday, Aug 25, at the Pavilion, and perhaps even outside - if the weather cooperates.

Here is an early reminder - Fireworks on Sunday, Sept. 2nd at dusk. Oh NO...not September already!!

On Aug 18, following the Sandy Pines and Lake Monterey Annual Meetings at the Chapel, we are holding a reception at the Recreation Station at 11:30 am, for our retiring Park Director, Mr. Max Gibbs. Max has served as our Director for 17 years. Please join us as we wish him well in his retirement career.

Youth/Teen Recreation by Mary Applehof, Supervisor

2012 has been the hottest summer that I can remember!

Some dates to put on your calendar for August are: Friday the 10th, we are having our Paper Airplane Contest. Saturday, the 11th is the Pickle ball tournament and the Soccer tournaments. Saturday the 18th is the Adult/Child tennis tournament.

With all of our activities coming to a close for the season, please take time to thank the Recreation Staff who kept your kids safe and entertained this hot summer! The tennis, golf and swim lessons are running smoothly. Our Kid's club, Pre-teen club, Teen club, and Nature Connection have had a great summer, too.

We will be having our End-of-Season "Recreation Party" for all the kids who have attended any of our Recreation activities this summer. It will be held on Friday, August 17, at the Phase 1 beach. Check your Weekend Flyer for more information.

A special thank you to all of our volunteers! We have had great volunteers help out at the Kiddie Carnival, Trunk or Treat, The Haunted Maze, and the Kid's Triathlon! We could not have done it without you. If you volunteered and need a service hour's certificate, please come to the Recreation office and we will be sure to get that for you.

Looking forward to our Labor Day Activities! Make sure you join in the fun!

Aquatics Update by Kim Day, Supervisor

It's hard to believe that summer is almost over! Swimming lessons have been very busy!

Our annual End-of-the-Year Party will be held on August 17th. Join us in celebrating the end of our summer programs! Keep watching the Weekend Flyer for our "off season" pool hours. We will have them posted at each pool location as well.

Special thanks to the Recreation staff, Maintenance, Administration, Rangers, and volunteers for their contributions in helping to make this a wonderful summer to enjoy!

Answers to Questions sent to the Board

Some questions have come up that have an importance to the general membership.

1. **Sale of items off your site:** As per the By-laws, permission must be had to sell anything at your site other than your golf cart(s), boat, shed, or your membership. This regulation is lifted for ONE day only and that day is your scheduled Garage Sale Day for your Phase. Please remember the Garage Sale Day is for one day only and is not to include the night before the scheduled day.
2. **Water Ban—why night watering?:** Draught conditions and extensive/mass watering puts a strain on the pumps and cause extremely low water pressure for member's daily usage; therefore, until we get substantial rain, the odd/even night time watering remains in effect.
3. The committee for the selection of the new Park Director is intact and proceeding on the schedule suggested by the Express Employment Professionals Recruiting Group we are working with.
4. **Petition Drives:** All petitions must have a sponsor and must go through the Board Secretary using the format as stated in the By-laws. Any petition that is circulated by someone other than the sponsor must have an attached letter giving the person circulating the sponsor's permission to do so. The Board is sorry that several people spent much time and energy with their last petition only to have it rejected for not complying with the By-laws.

Cardboard Boat Regatta Results

The 2012 Cardboard Boat Regatta is now in the history books, and as usual, it was a great day packed full of fun and excitement.

Seventeen boats were entered into four classes, and amazingly, only a few sank. Well...some were under water, but didn't go all the way to the bottom.

Here are the results: In Class I, It was "**Life Boat**" captained by Ania Kroll winning by only six seconds in front of Tim Woudstra in "**Go Blue**".

In Class II it was **Ania** again, along with past champion, Chad Bareman. Class III winner was "**Stachio**," crewed by Abby Bre and Missy.

Class IV, the new **Build a Boat** class, was won by "**Out of Time**," captained by David and Mariah Baumgardner.

Best of Show was won by the craft called "**Halloweenies**" (Great craftsmanship), following close, and receiving honorable mention, was the "**Titanic**." The **Most Dramatic Sinking** went to a first time entry "**The Avengers Quin Jet**" Sophie, Rob, Ema, & Jack, sank to the bottom.

The final race of the day was a challenge race between two groups from our Lakeside Chapel youth group. "**S.S. Hope it Floats**" won it by 27 seconds.

Thanks again to all of the many volunteers who make this event special.
