## Letter from the President by Jean Richards

This morning on the news, they were talking about ways to lead a healthier and happier life. They talked of getting enough sleep, diet, and exercise, but the part that stuck in my mind was to have a positive attitude. There have been songs in the past that have given us this mantra: "Don't Worry, Be Happy" and "Accentuate the Positive, Eliminate the Negative..." I totally agree.

To help in this line of thought, the Special Activities Committee has done their best to make it available to you. So far, we have had 73 members and their families get involved in the Chalk Drawing Contest. It showed we really do have some very talented people in our Park. It provided a couple of days of enjoyment until the rain came and took it away. They have published the winners for the month in the photography contest. Beautiful shots!

June 18 was the 10<sup>th</sup> and final running of the Trifest. It was enjoyed by all those who support it by volunteering or by cheering on the participants. We also had the first set of garage sales, Bean Bag Toss, a poker run, and our first concert, The Legends, in June. Get out and enjoy yourself.

Don't forget to send Kathy Brott your number that will be attending the FREE Pig Roast and Chicken Barbecue on July 23. She needs this by July 14, please send to kathy@sandypines.com.

Take the advantages offered. Get together with family, old friends and new, and get out and get yourself "Happy!"

## PARK DIRECTOR UPDATE by Max Gibbs

Happy 40<sup>th</sup> Fourth of July! This Holiday has always been a big event at Sandy Pines, and this year will be no different. Contests, parades, entertainment, Flea Market, Pancake Breakfast, Chapel programs and of course, Fireworks!

Family Day on July 16 will be the biggest event for that day in our history! Please bring your Family and invite your friends. It promises to be a wonderful time for all ages.

The Park-wide Free Pig Roast and Chicken BBQ is on July 23 in the TeePee area from 3:30 to 6 pm, followed by the concert with the VanDells. Be sure to e-mail [kathy@sandypines.com](mailto:kathy@sandypines.com) or call 616-896-8315 with the number of adults and number of children you are bringing. We don't want to be short on food.

This event is put on by the Sandy Pines Chapel Committee and Sandy Pines. We want all of you to come and enjoy a great meal and music.

At the end of the month, Thursday, July 28, we will have Sandy Pines Night at the Whitecaps game. We will all sit together on the 3<sup>rd</sup> base side, in the shade. The tickets are in the reserved section, and are only \$7. This is a special price for Sandy Pines these are normally \$9.50 seats. Stop by the office or e-mail in your order. It will be a fun night.

We hope you have been keeping up on our events and changes through our E-mail system. We sent out a notice on the power outage after our last storm, and if we had your e-mail address you would have received that information. If we do not have your e-mail address, please give it to us so we can keep you updated on what's happening here at Sandy Pines!

Have a great summer.

### ~A Year At Sandy Pines~

by Jade-Olivia Janney - Age 13 - First Place

*Into the car, and on our way. to a wonderland of adventures.  
 At the gates I smile, Excited for a new year of fun at Sandy Pines.  
 We pull into the driveway of our Dutchmen trailer and I leap out of the car.  
 I head straight to the shed and I open it up. I pull out my favorite golf cart.  
 I pull out of the driveway and drive to pick up my friends to start off our day of adventure.  
 So many things to do, so hard to decide, we make a list in our minds.  
 Swimming, ice cream, basketball, Tennis, video games, candy shop...And just plain driving endlessly  
 A busy day, a busy year, spent of non-stop fun with friends  
 The year ends, the Park closes, and I look sadly out the window as we drive away  
 The winter is boring without Sandy Pines. Nothing to do but dream.  
 Dream about the day we come back to that place. Filled with wonder and amazement  
 That place where everyday Is nothing but fun. Never boring.  
 Oh Sandy pines I miss you. I'll be back soon, I'll come home.  
 The best and most fun place in the world...Sandy Pines.*

 Because lakes are for boating

 But not as much fun as my good old friend...

by Mike Worden - First Place

*I fell in love with Sandy Pines, in more than a single way...  
 Here, within poetic lines, I hope you'll hear me say...  
 "...of all my treasures and all my finds, I covet most my Sandy Pines".  
 With Sailboat Cove where swans do glide, and grace the water's edge...  
 There is no way for their beauty to hide; tranquility they pledge.  
 The relaxing crackle that the campfire brings, where friends and family rest...  
 Someone strums and someone sings, and happiness fills my chest.  
 "...of all my treasures and all my finds, I covet most my Sandy Pines".  
 Picnic Island shares her trees, with campers, ducks, and geese...  
 When I'm asked what my heart sees, it's "renewal of nature's lease".  
 The sand, the water, the pines and friends, I cast for one more fish...  
 I pray this season never ends, Dear God please grant my wish.  
 "...of all my treasures and all my finds, I covet most my Sandy Pines".  
 And if for me, You cannot wait, and I wake not in the morn'...  
 And find myself at Heaven's gate; from Sandy Pines I'm torn...  
 Please Dear Lord I ask of you, shed Grace upon the 'Pines...  
 Upon my Family and all my friends, the treasures of my finds.  
 "...of all my treasures and all my finds, I covet most my Sandy Pines".*

### Ode to Sandy Pines

by Max Whitmyer, 30 years at Sandy Pines - Second Place

When we were young and on the go, lots of plans, but not much dough.  
 We'd seek a campground every week, and hope our pop-up wouldn't leak.  
 Every Friday we would race, searching for the perfect place.  
 Sometimes we wondered "why the fuss?" So much work it seemed to us.  
 We soon grew weary of the lines...then we discovered Sandy Pines.  
 It didn't take us long to see that this was where we'd ought to be.  
 We searched the Park to find a spot; then settled on our corner lot.  
 Across the road we went full throttle, there to buy our first Park Model.  
 I must say our hearts did race the day they backed it into place.  
 We went inside to get a look. What a surprise – the payment book!  
 It was apparent from the start that we would need our own golf cart.  
 And if that cart should stall some day we'd simply take it in to Clay.  
 He'd fix it quick, but cap the power, not to exceed ten miles per hour.  
 We sure were happy, how we raved when at last the roads were paved,  
 Because, you see, we'd have to duck when we would hear that oiling truck.  
 We sure are blessed, for heaven's sake, to have our Chapel on the lake,  
 Where we can go to praise the Lord, there led by Dave and Bev VanNoord.  
 But don't forget Saturday night, to get your chairs their favorite site.  
 I must admit some doubts arose when the Water Park was first proposed.  
 But keener minds prevailed at last; now I go there to have a blast.  
 One thing that gives us quite a thrill, to go for ice cream on the hill.  
 The line is long, no problem though, as long as they have cookie dough!  
 A favorite pastime one and all is teeing up that little ball.  
 And even though my golf game stinks, I so enjoy it on the links.  
 With any foursome I'll not whine, as long as it's not the front nine!  
 Perhaps the highlight of each year is ringing in the Christmas cheer!  
 In August we do celebrate, as the whole Park we decorate.  
 So many things about this place make it real easy to embrace.  
 But the top reason for our cheer is all the friends that we hold dear.  
 Without the people in this place, there'd be no smile upon our face.  
 So Sandy Pines, we love you much, despite the fact that we're not Dutch!

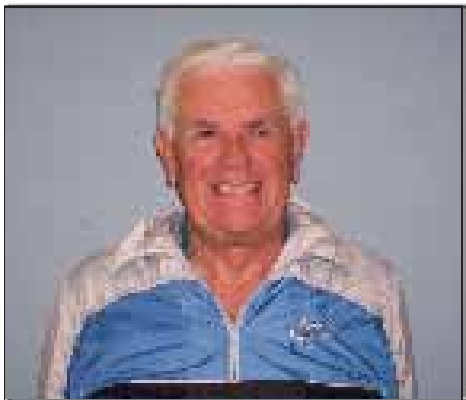

### Sandy Pines is My Paradise

by Sharon Nawrocki - Third Place

My retreat from the hustle and bustle of life a place that has it all.  
 The lake for boating, fishing and swimming fun, the beaches for building sandcastles  
 and visiting with friends or reading in the sun. Oh, these summer days are so much fun!  
 Swinging on swings, going down the slide or trying to conquer the rope climb. Life is fine at our Sandy Pines.  
 We have our Water Park, games of tennis, horseshoes, soccer or baseball, Yes, we really have it all.  
 Nature trails and a fitness gym help to keep us fit and trim.  
 Lots of golf carts, going down the roads, taking people where they want to go.  
 On the golf course, front or back nine, or even miniature golf, it all is fine.  
 Special events, we have quite a few, Flea Markets, music shows, car and cardboard boat races, too!  
 As well as, parades and fireworks extraordinaire, lots of fun and memories to share.  
 Our Chapel abounds with peace, joy, and love, and blessings dispensed from heaven above.  
 It all runs smooth, thanks to our crew, Director Max, Board members and Rangers, too.  
 Forty years and more to come – let's enjoy them, one by one!

**Tom Aldrich**

Carol and I have been members of Sandy Pines for over three decades. We have been married 53 years, and have two children and six grandchildren, who have all enjoyed Sandy Pines over the years. My 40 year career background includes several senior executive positions, and I have served on corporate, civic and charitable boards. I am a member and past president of SCORE (Service Corps of Retired Executives) and continue to counsel small business on marketing, finance and administration.

I am a member of the Sandy Pines Board, and served as your Treasurer for the past five years

I have been active at Sandy Pines for many years. In addition to my board responsibilities, I am a member of the Finance Committee and the Long Range Planning committee. I have been an active member of the membership teams that have initiated many Park improvements including: Road Paving, Electrical upgrade, Condo project, Recreation Station, Marine Gas Station, increased the size specifications of storage sheds and revitalized the Nature/Fitness trails.

I continue to be an active member of the Long Range Planning committee where we continue to explore future projects and opportunities.

I am Chairman of the Finance Committee. Our main responsibility

is to oversee the financial health of the Park. During my tenure on this committee we have retired our debt and are in an enviable surplus position. Our objective is to finance future expansion and capital improvements within our reserve funds and do so without any additional membership assessments or bank participation.

I am an enthusiastic supporter of our Sandy Pines staff under the direction of our very competent Park Director. The ideas and improvements suggested by our various committees and directed by our board would not be possible without the exceptional execution by our Sandy Pines staff.

I am running for an additional term in order to support sustained progress, tempered by sound fiscal principles. I pledge to continue to do my best representing the collective interests of our membership.

**No Wake Zones on Lake Monterey:**

A “No Wake” zone is an area marked on the lake in which a watercraft may not create a wake (waves created by the watercraft’s motion in the water). Sandy Pines has several areas. The areas are from the mouth of the channel of Sailboat Cove and Sail Boat Cove, the mouth of Phase 2 channel and the Phase 2 channel, Phase 6 Bay, and Phase 3 Bay. A line of buoys are present on the east end of the lake. This line of buoys runs from Sauk Court point across the lake to Bay Breeze Circle Point. The area east of this line of buoys is a “No Wake” zone. This zone includes the lake area east of the buoys, the mouth of the phase 6 Bay and Phase 6 Bay, the mouth of the Phase 2 channel and the Phase 2 channel and Phase 3 Bay. The lake area east of the line of buoys that are present from Sauk Court point across to Bay Breeze Circle is a no wake zone. Please observe the “NO WAKE” areas. Hidden underwater obstacles are present in some of these areas.

**Drowning Prevention:**

Please utilize personal flotation devices for youth and small children on watercraft, and supervise children around water, on watercraft or on docks.

**Fireworks:**

Sandy Pines permits the use of sparklers in the Park when adult supervision is present. Please properly dispose of the used sparklers. Any other type of spark emitting, explosive or fireworks displays by members, or guests are prohibited.

**Bike Safety:**

Wear a helmet. Sandy Pines does not require you to wear a helmet within the Park but a helmet can assist in preventing head injuries. Wear bright clothing to make yourself visible to other drivers. If you operate from dusk to dawn, make sure you have head and tail lights and reflectors. Children should ride with parents and should be supervised during the ride. Please don’t let small children ride bikes or small toys in the roadways without adult supervision. Remember to stop at all stop signs, obey other traffic rules and signs. Ride on the right side of the road and travel with the traffic. Don’t drive against traffic. Always check both directions when pulling out from your site. Ride single file when riding with a group. Always pass on the left. Don’t pass other vehicles on the right side. Wear appropriate footwear and wear clothing that will not be caught in the bike’s chain.

**Golf Cart Reminders:**

Golf carts are not toys. Each year accidents occur, some of which result in major injuries and fatalities to operators, passengers and pedestrians. Inattentive driving is commonly the result of accidents. Please be vigilant in supervising persons operating your golf cart. Site Numbers must be at least three inches in height on the front and rear of the golf cart, and a current Sandy Pines registration sticker on the right rear fender or bumper. Please do not drive on the public roadways on the outside of the Park, and be very careful when crossing the public streets. Golf carts are expected to be driven in a safe manner on the Golf Cart Trails in Phase 3. Nature trails are unpaved, uneven, sloped, dirt, grass or sand pathways with various types of terrain. All of these have the potential to cause damage to the golf cart, and injuries to driver and passengers. Please instruct youth and persons operating golf carts on the trails to operate the golf cart in a safe manner with all passengers seated properly. Sandy Pines views careless or reckless driving of golf carts very seriously. Violations, and or complaints commonly result in suspension of golf cart driving privileges. All occupants on the golf cart must be properly seated. Drivers may not have passengers on their laps. Please watch over small children and utilize seatbelts. Small children can easily slip from golf cart seats. The seat handrails are commonly not adequate to prevent a small child or person from sliding off the seat during quick turns. Please adjust your headlights on your golf cart. This will assist in not blinding oncoming drivers. Golf carts are not permitted to be driven off road, in green areas, on beaches, through campsites, or other restricted areas. Golf carts are to be driven on the Park roadways or in parking lots. Be aware of pedestrians after dark. Pedestrians in dark clothing will be difficult to see. The visibility of pedestrians is greatly reduced by head lamps compared to daylight hours. Be aware of persons walking, biking or jogging along or in the roadway after dark. Golf cart drivers should pull over to the right side of the roadway, in a safe place and make or answer cell phone calls. Answering a cell phone call or talking while driving can contribute to the driver being less attentive or aware of the traffic or pedestrians. **Texting while driving is prohibited.** The Park requires an individual to be at least 18 years of age with a valid State motor vehicle license to operate a rental golf cart. Please do not permit youth to operate rental carts. Operation of a golf cart under the influence of alcohol or illegal drugs is prohibited.

## Park Inspector News by Don Weiss

Summer is in full swing, and there are a lot of you doing projects. As I mentioned last month, I will be taking some time off this month for a wedding and honeymoon. The proposed dates will be July 13<sup>th</sup> – 16<sup>th</sup> & July 20<sup>th</sup> – 26<sup>th</sup>. If you are planning on doing a project around that time, please get your permit applications in before those dates.

The outdoor storage area is starting to come along and is looking a lot more organized. Thank you for your patience, and thanks also to those of you who have come in and obtained a new sticker. If you have not yet gotten with Mary, at Member Service, regarding your outdoor storage area, please do so as soon as possible.

I have also been hearing a couple of concerns from members in the Park regarding electrical in sheds. Even if you wire it yourself, you do need a permit from the Township, and you may not have an extension cord powering items in your shed. If I catch either of these offenses it will be a fine and you will be required to either pull a permit and/or get rid of the cord.

I thank you for your time, and as always, if you have any questions or concerns please feel free to contact me at 616-896-7286 or [Inspector@sandypines.com](mailto:Inspector@sandypines.com).

**Adult Recreation** by Terry Derks, Adult Rec. Supervisor

As you read this issue of the Footprints, I hope you have enjoyed many of the Sandy Pines 40th Anniversary events the Park has put together for you. The final Triathlon tribute to Johan Visser is now history. I want to thank all of you, the volunteers, for your dedication to making this a ten year success.

The Legends concert was the first of three scheduled for this summer. We hope you enjoyed these crazy guys. The next concert is by the VanDells and it is sponsored in conjunction with Lake Side Chapel. This special day includes a Free Pig Roast/Chicken Bar-B-Q for all Sandy Pines members and guests. Now go back and read that last sentence again. Yes, I said FREE. Wow! How about that for a deal? The tee-pee area is the location for both the Dinner and the concert. It's Saturday July 23, so get ready for a great day of fun and entertainment. Oh yea Kids, the Whitecaps baseball team will be here that day too.

Family Day July 16 is almost here. We have expanded our family attractions so your whole family can have a great day at Sandy Pines. It's like a day at the county fair. Don't miss it.

Ok, so you need a new car? Well guess what? Hit a hole in one during the annual Member Guest Golf Outing (July 30) and you will get one! Our friends at "R. E. BARBER FORD" located in Holland, are providing a brand new car as a prize for you sharp shooters. But - you can't win if you don't play in the tournament. Many other great prizes too, and of course a great lunch is also provided. Get signed up today. There are a limited number of teams for this golfing spectacular.

The Bus trip to Chicago has expanded and now includes a second bus (1st one sold out fast). This tour of Chicago which includes not only a water-way tour of the Chicago skyline it also includes being hijacked by gangsters. (No they're not my friends). Check at the office to see if there is still space available.

The Chalk Drawing Contest was a huge success. Can you imagine - there were 72 entries of artist drawings. I, along with everyone else, was totally amazed with the talent of our members.

Reminder, you can see all the details about these and all our other events by going to the Sandy Pines web site [www.sandypines.com](http://www.sandypines.com).

One More Reminder: Cardboard Boat Sailors - Start building your boats for the greatest sailing event of the summer. Remember, you are allowed to use a small amount of non-cardboard material such as wood, plastic etc. in your construction, as long as it doesn't improve your boat's ability to float. This is a great way to make your dream ship look cool. Get your registration form in soon. Our Fleet sails on Aug. 27, and you will want to part of the Float-tilla or maybe the Sink-tilla. Anchors Away!!

If you're not having any fun this summer it can't be our fault! So much fun, so little time! It is amazing how much Sandy Pines has to offer all age groups!

The Golf Lessons are going great! You may join in any time without registration. We meet at the Golf Course every week. Please check the Summer Activities Schedule for the time your group meets. The summer schedule is posted on the bulletin boards and tells you what we will be working on each week.

Pickle ball courts are staying busy! You may check out equipment from the Recreation Station Office during Water Park hours only. You will need to leave your golf cart key or a membership card, and when you return the equipment, your key or card will be given back to you. Rules and instructions on how to play the game are also available. If you would like to order your own set of paddles and balls, please pick up an order form at Member Service or the Rec. Station Office.

For all of our tennis, swimming and golf lessons we will be using an e-mail or texting blast to let you know of cancellations. If you would like to sign up for this blast please e-mail us @ [recreation@sandydypines.com](mailto:recreation@sandydypines.com) with your e-mail, your phone # and cell phone service provider, if you want the text alert.

Some upcoming events to put on your calendar: Saturday July 16 is Family Fun Day; Saturday July 30 is Halloween Haunted House and the Trunk or Treat – “trick or treating” and the tractor ride with a character. Soccer Tournament - Saturday August 13. The White Caps will be here to play ball with us on Sat. July 23 from 10:00 – noon. Bring your own glove and come have a great time with the players!

We are looking for volunteers (adults and anyone over the age of 13) for many areas of Recreation this summer:

Family Fun Day, the Halloween Haunted House, Trunk or Treat and the Sandy Pines Kid's Triathlon. If you can help, please call 616 -896-8318 to sign up to volunteer.

I want to remind you to keep checking your Weekend Flyer for upcoming events. All of our recreation events are also posted on the Sandy Pines website.

Make sure to share your fun this summer with us!
