LETTER FROM THE CHAIRMAN OF THE BOARD

BY MARTI DEVRIES

Our park looks beautiful! Please help me thank the entire staff here at Sandy Pines for an awesome job! Have you seen the new path between the condo phases? How about the landscaping in general? Maybe some have no need to know this...but the waste pump out station for campers is new and improved...and the new color scheme at the ice cream shop is awesome!

A great way to recognize our Sandy Pines staff member efforts is to obtain a card from the individual that includes a code for that particular staff member. It is about rating the staff member by completing a “How Am I Doing?” survey. It’s easy to offer ways to improve, or simply to recognize the great service our staff generously provides here in our park. It’s simple...log in www.sandypines.com>member web access>surveys.....enter the code, rate the staff member and submit! Help us, help you!

With Memorial Day behind us, I am hoping most members had a chance to attend the informational session on the VRP (Violence Readiness Program). With that said, please don’t forget to calendar the JUNE 11, 2016 (10am-Noon or 5pm-7pm) information meetings to become more familiar and better informed about the Capital Reserve Fund Ballot Proposal.

Additionally, in August you will be electing three

I encourage you to consider running - you will be volunteering your time, sharing your talents and giving back to your park. LETTER FROM THE PRESIDENT

BY GENE VAN KOEVERING

June marks the beginning of the summer season for many Members with kids that will finally be out of school. We are looking forward to having you all back this month and for the season!!

June is also important in that on the 19th we will celebrate Father's Day. Please join us in celebrating that day as we pay tribute to our Fathers, and express our gratitude individually. Dads...please accept our Thanks and Congratulations from the Staff here at Sandy Pines on your special day!

IMPORTANT: Please plan to attend the Capital Reserve Fund ballot information meeting on June 11th. The Board will be holding two informational meetings on that day at the Lakeside Pavilion. One beginning at 10 am and ending at noon. A second meeting, that same day, will begin at 5pm and end at 7pm. Dave Healy, of Pronexus Consultants, along with members of the Board, will provide the presentation and details that you will want to know, as you consider your vote.

We know that not everyone will be able to attend this meeting, so the plan is to video these events and post them on our "Sandypines Wilderness Trails" YouTube Channel for you to view at your leisure, if you are one who cannot attend one of these meetings.

Finally, with respect to the Capital Reserve Fund ballot proposal, there are three scheduled Face to Phase meetings this summer (see the schedule in this issue of the Footprints). We expect that these meetings will address this ballot, as well.

There will be Board members in attendance at each Face to Phase meeting to provide information and take questions regarding the Capital Reserve Fund ballot. This will be the most important opportunity that we, as Members, will have to provide stability and maintain financial value to our memberships, property, grounds and infrastructure for the foreseeable future of this great park.

A few other items I would like to mention: **Board Candidates:** If you have interest in providing qualified leadership skills to the membership, I would invite you to come in to the Admin. office and get the documents you need to get your name on the Board of Directors Election slate for 2016. Our Board is made up of nine (9) Directors, three (3) of which come to the end of a term each year. Sandy Pines has many challenges and opportunities each year, so you can be assured that your time on the Board would not only be appreciated, but your talents and skills would be desired. **Guest Camping Sales:** Our guest camping is one of the important ways that Sandy Pines promotes interested Buyers, which

Three Generations serving you
for over 35 years with
Quality and Integrity

PRESIDENT, *continued*

is why we have been very dedicated and focused on promoting our park to the camping public in the past three years. Our efforts have been rewarded by the steady increase of camping site rentals and greater membership retention, resulting in up pressure on membership values. From October 2012 through April 2013 YTD (year to date), as compared to the same period in 2016, we have experienced growth of 80% in campsite rentals. This is a great news for us as Members and has become a wonderful marketing tool. Thanks Camping Sales Team!!

Around the Park: Maintenance has done a number of projects in the park over the off-season, but just to mention a couple: There were new aluminum ramps installed on more of the floating docks again this year, with the hope of completing this project with the remaining docks in 2017. New signage around the park to better guide guests, as well as new signs by the Retail area. The tennis courts, having been delayed for three years, were finally replaced in phase 4. The tennis courts in phases 1, 3 and 6 are planned to have maintenance done to them by Racquet Sports of Grand Rapids this spring/summer as well. There are two new shuffleboard courts in the phase 2 activity area, thanks to our Maintenance Crew. The Maintenance Crew also updated the Fitness room, the game room, the main large area in the Recreation Station with a fresh coat of paint and it looks great.

The Sales area in the Admin Building also has a new look, so if you have not seen that, stop by and take a peek.

Finally, I would like to once again thank all of you who stopped by the office to say "Hi" to us this spring. We have been blessed with some new people on staff in a few departments, so watch for those new faces and welcome them, as so many others have already done.

Thank you also for the honor that I have been given to work for the membership of this great place. I am truly and humbly grateful and blessed to be here.

PARK & GARDEN NEWS

BY JACK SCHMIDT

It is time for the activity to begin. We have some new things this year in Park and Garden. Number one - our hours have changed to allow members additional time to come to the store and find what we have to offer.

We will open every day, except Sunday, at 8:30 AM and close at 4 PM. Sundays we will open at 1 PM and close at 4 PM. We will not make any deliveries before 9:30 am so that we can prepare for each day. Our last delivery of the day will be at 3:30 pm.

We are adding a building over by the Marina to allow for rental of the Kayaks, Paddleboards and rowboats. This will make it easier to put them in the lake in the no wake zone. It will be open on Saturdays and Sundays at the Marina, but during the week you will need to come to the Park and Garden to sign up for the use of those items and then pick them up at the Marina.

The Marina will add additional hours for fuel because of the additional hours with the boats. We have added youth Kayaks and Paddleboards

for the younger kids who weigh 130 lbs. or less. Cost for the rental is by the hour. \$10 for the first hour and \$5 each additional hour.

We continue to handle all of your landscaping needs with mulch, stone and landscaping stone. Flowers and plants will be in during the month of June. We continue to add items that are requested by the members and for the needs of the park.

Golf Carts are still available for rent through the Park and Garden (you can schedule a cart online now) by stopping by the store or email. Remember that we continue to run out of carts for the holiday weekends and garage sale days, so plan ahead for your cart rental.

YES we still have softeners available to provide you with soft water for the season. Get rid of the rust stains and have great suds for washing dishes and showers.

Enjoy the summer!

HAPPY FATHER'S DAY

DOG PARK NEWS

by BILL & JOANNE VANDERWALL

Welcome back to Sandy Pines – to all of our members - both old and new!

We would like to tell you about our Dog Park. It is located in Phase 6, behind the bathroom. It is a fenced in area for your pet to run and enjoy themselves, in a shady area. There is water for them to get a drink, with a bench and table in the shade for you to sit, while they play. There are baggies for you to pick up after your pet, and a pail to dispose of it.

Keeping your dog exercised and content, will keep your neighbors happy too.

ACCOUNTING UPDATE

BY **KIMBERLY WILLIAMS**

It has been such a joy seeing and meeting the many faces of Sandy Pines. As you are preparing for your summer getaway, the Accounting team is busy settling in to the new systems of the Point of Sale and Accounting software; to enhance the options and flow of the billing activity and charge capability within Sandy Pines.

Many of you have received notification of the new Club Prophet online payment and account summary webpage. You may access the online payment and account summary link through the main Sandy Pines webpage. Halfway down on the "Members" page is a link labeled "Account Summary/Payments".

Within this online payment webpage you may view all billing activity through your account, dating back to April 1st, 2016, our go-live date. The account activity and information is real-time and you will now be able to see all reflective charges and payments online as soon as they occur. You will also now be able to make purchases at the Golf Course, Park and Garden or Ranger Station and be able to charge directly to your account.

To access your account online; you may use your email address on file or "site number (space) last name". If using your site number (space) last name and your site is less than four digits, use preceding zeros to equal four digits. (i.e. "0123

Smith" Phases 1, 2 & 3 use your full site number, so site number 1 would be "0001 Smith", site number 23 would be "0023 Smith", site number 100 would be "0100 Smith", etc. Phases 4, 5, 6 and condos must be four numbers (no letters) N=4, K=5, D=6 and condos=7 so site N53 would be "4053 Smith", K200 would be "5200 Smith", and Condo 11 would be "7011 Smith".)

Please note there are five options to pay on your account timely.

First, you may pay in person at the Sandy Pines Member Services office with a credit or debit card, check or cash (no fee). Second, you may mail a check into the Sandy Pines Member Services office (no fee). Third, you may take advantage of the Automatic Payment/Electronic Check Program (ACH) through Sandy Pines Member Services office (no fee). Fourth, pay online with a credit card through the new Club Prophet online payment and account summary webpage (3% charge on all transactions). Fifth, pay by phone through the Sandy Pines Member Services office (\$15 charge on transactions \$500 or less, 3% charges on transactions over \$500).

If at any point you have any questions regarding your account or access through the new member account webpage, please contact us at 616-896-8315.

CELL TOWER NEWS

The Cell Tower is going to be erected soon. We are still looking for Wireless Carriers to add on to the tower. Verizon Wireless is the only carrier that has opted in, to date.

If you do not have Verizon Wireless as your cell phone provider, the tower will most likely not be of benefit to you and your cell phone service.

Please contact your cell phone provider and ask them to consider this opportunity, by adding on to our cell phone tower, which will allow improved wireless service in our area. All you have to do is call your provider and give them

the following information: Contact Mark Kooyers, President of Tele-Rad, Inc., 511 E. 8th Street, Holland, MI 49423. His office phone number is 616.386.3541 x 105.

If you prefer to send a letter to your carrier as opposed to calling them, a form letter is available online that you can just plug your own information in to.

Thank you for taking the time to notify your provider of this opportunity to get onboard and connect to our new tower.

INSPECTOR NEWS

BY RALPH SMITH

Well, here we are into June already and the park is starting to get full. Most of the snow birds are back and more families are staying longer during the week. The Inspector's office has been very busy issuing permits – there's a lot of building going on in the park.

The first week of June, I will begin in Phase 6 and work my way to Phase 1, looking for sites that have not been cleaned. This includes everything on the site. Please read the Rulebook to see what you must have done by June 1st.

If your site is not cleaned up yet, it's not too late to get it done before we have it done for you. If we have to clean your site, you will also receive a \$100 fine, plus the cost of clean-up. If you don't have time to get it done, please get in touch with one of the contractor's on our list to do it for you. If there is a good reason you can't have it done in time, call me and I will try to work with you.

Beginning June 1st, the Inspector's office will be charging anyone who wants their lot lines or boat stake found. You will need to fill out a Sandy Pines Permit and the fee will be \$35, just like other fees that are currently in place. Please keep a few things in mind when getting ready for the summer. We can't have any extension cords buried under ground, they must be kept above ground unless they are rated to be buried. The other thing is garden hoses, they should not be buried underground either. If the hose gets a hole in it, there is a chance to back-feed into your drinking water. If I see this, I must ask you to unbury them.

Feel free to get in touch with me and I will help out anyway that I can. You can e-mail me at inspector@sandypines.com or call me at 616-896-7286.

Have a great season!

TECHNOLOGY COMMITTEE NEWS

BY AL RETHEFORD

I hope that you took the opportunity to attend the CHARTER FORUM on May 27th. If you could not attend, you will be able to review this seminar on the Sandy Pines Wilderness Trails YouTube channel. BOARD MEETINGS and SPECIAL EVENTS will be recorded this season and will be made available for rebroadcast on YouTube for members who could not be in attendance at these meetings.

At last count of members subscribing to the CHARTER High Speed Internet we are well over 135 new subscribers. This service offers 60 mbps of speed and gives you the opportunity to connect numerous devices providing you use a wireless router.

The TECHNOLOGY COMMITTEE will be exploring additional options this season that CHARTER is making available to Sandy Pines, through the use of additional Fiber Optic Cable throughout the Park. With this being available, better Control of Monitoring Security would be high on the list of items. The committee will present their findings to the Long Range Planning Committee, Finance Committee, and the Board of Directors.

Sandy Pines is your park, don't sit back and complain about issues, become active and look into becoming a member on one of our many committees. Applications for a committee membership are available on our website under Members/Department Contacts/Board of Directors. If you have a question or a suggestion, submit it to Member Service, it will be passed on to the proper committee for review, and you will get a response back.

The TECHNOLOGY COMMITTEE will be represented at each one of the Face to Phase meetings this season.

MAINTENANCE UPDATE

BY BEN FIFELSKI

Welcome Back! Summer is already upon us. As you get back into the swing of things at the Park, please remember to drive with caution. We have many children who are out playing, and lots of 'objects' along the roadways that can cause problems for you and your fellow members if they get hit.

Please remember to report any vandalism that you may observe. Destruction to your Park is a costly thing that can be avoided.

Please use parking at the CCs/Bathrooms for bathroom use only. These parking lots are NOT designated overflow parking areas. There are plenty of overflow parking areas around the Park, but the bathrooms are not one of them. We need these spots available for those who need to use the bathroom.

Thank you for helping to keep your Park clean by picking up trash as you are enjoying a leisurely stroll. If everyone helps, the Park will look beautiful for everyone to enjoy!

Have a wonderful summer!

NEWS FROM THE CONDOS

BY RICHARD RANDELS

The year-round residents of Sandy Pines are enjoying seeing the park come to life with the return of the seasonal residents. Programs are returning to full swing and we look forward to another great summer.

Early this month we will be celebrating the new bridge connecting Phases I and II, with our first annual bridge walk. Condo residents will be walking through Phase I and across the bridge to Phase II, where we will have a potluck picnic complete with yard games and other fun activities.

We are excited with the prospect of ground breaking for a new unit in Phase II this month. We are looking forward to more residents joining our friendly community. Just a reminder that the Condo Sales Office is now open Fridays and Saturdays for those of you wanting to explore the many advantages of condo living at Sandy Pines.

BUILDING, GROUNDS AND LAKE COMMITTEE MEETING 5/14/16

At our first meeting of 2016, we discussed the new policies passed by the Board last year and how we will implement them in our committee. Members of the committee can be on committee for three (3) years with a possible extension, if needed.

We also went over a list of jobs that were completed over the winter. Due to a mild winter lots of items were done.

It was brought up that we need to remind our members that if they wish to have a tree planted in our Memorial Garden area that we have a few rules that need to be followed. An example would be if you wanted a Memorial Plaque that the size should be no bigger than 4" X 8". We do not want this area to look like a cemetery. Other rules can be found at the Administration Building, on our website, or you can see Nelson Bouma.

It was asked if a Golf Course Memorial area could be developed. The committee decided that that they did not want to start a new one at this time. The committee was open to possible benches at each hole with a Memorial sign on them. Guidelines for these benches will be online for you to look at.

Other items discussed were the new GPS boat stakes. They are done and on a map in the Administration Office. Most likely you will find your boat stake at, or very near, where it always has been located. Other items talked about are some large financial items that will need to be done in the near future. Our earthen dam that holds all our water back in our lake needs some work so that it will continue to do its job. We also talked about some VFD well drives that regulate our water pressure at each well house and the cost of each.

We do have a few spots open for new members on this committee. Please contact the Administration Office or go online for an application and bring your ideas and concerns with you.

Our next meeting is June 11 at 10 am, in the Administration Office.

THANK YOU TO OUR FACE TO PHASE SPONSORS

BY SUE STANK

It is a great time to be a senior at Sandy Pines. We have two trips planned to Comerica Park to see the Tigers win this season. We will head to Detroit on June 29th, where the Tigers will host the Miami Marlins, and again on August 4, when they host the Chicago White Sox – cost is \$75/person for each game. Play Ball!

For those who love to shop, we have a fun trip

to Ikea and Woodfield Mall planned for June 20. Leave the driving to us, relax, and if you're lucky, you might even win a door prize! We will be stopping for a self-pay dinner on the way back to the Pines. Cost is \$55/person for this trip. Shop until you drop!!

We will also be making a trip to Fair Oaks Farms, in Indiana, on July 18. A great day for seniors and families to see a real, very large, dairy and livestock farm in operation. This will be a fun day for all. Cost is \$63/person. You can sign up for any of these trips at Member Service, and you may charge them to your account, if you would like.

Karaoke at the Clubhouse at Lake Monterey Golf Course is scheduled for June 3, July 8, August 5 and September 9th. These evenings prove to be great fun with Food and Drink specials, and lots of great singing. Mark your calendars and

plan to join us for at least one, if not all of these events.

We will also host Lunch and Coloring for the young at heart a couple of times this season. Bring your coloring books and have lunch at the Cafe. Lots of fun, food and coloring fellowship. Door prizes and a time to color with others.

Dust off your dancing shoes for our New Year's Eve dinner dance. A great night of fun and celebration of a new year, in August. More information to follow.

Please put the following date on your calendars: Friday, June 3 - Potluck in the Pavilion - 5:30 pm.

We are all looking forward to a fun filled season with the J.O.Y. (Just Older Youth) group of seniors at Sandy Pines. See you soon!

REMEMBERING AND HONORING OUR VETERANS

We would like to start a new tradition at Sandy Pines. During our Memorial Day Program at the Veteran's Memorial, beginning in 2017, we would like to read a list of the names of our Sandy Pines service men and women who have passed on. We would also like the names of those who are still alive, and those who are currently serving our great country.

If you have a Sandy Pines family member, or yourself, who has served in the Armed Forces, please send Kathy Brott the following information: Name, Rank, Branch of Service, years of service and a list of the wars served in, or service abroad (where was your time served?). We would also like to know if your loved one gave their life while serving our country, the year of their birth and also the year that they passed. Do you have a Brick at the Veterans Memorial in honor of your loved one(s)? This information can be e-mailed to kathy@sandypines.com or dropped off at the Administration Office.

It is our intent to recognize and honor each Veteran individually, as we read their names. Thank you for helping us to collect as much information as possible, so that we can have a complete and accurate list of names to show our sincere thanks and to honor your service.

God Bless America!

DINE-A-ROUND

The Senior Adult Activities Group will be hosting a Dine-A-Round on Wednesday, June 15. They plan to have several of these events throughout the summer – with a different restaurant/location for each one.

The first Dine-A-Round will be held at the Country Café, right here in our Park! It begins at 5 pm, and the cost is \$12/person. We will be served a salad, steak or chicken (your choice), potato and dessert.

There is a sign-up sheet in the office, so we know how many people plan to attend and can have the proper amount of food ready. Be sure to join us for an evening of fun, fellowship and door prizes. Seating is limited so sign up today!

PLEASE HELP

As the busy summer season gets underway, we would like to ask you to be aware of the trash that is flying off from your golf cart as you ride through the Park. Please put a 'trash' bag on your cart so you can dispose of litter properly.

Thank you, in advance, to all of those who pick up litter as you walk through our beautiful Park. It's up to each of us to keep Sandy Pines the gorgeous place that we know and love.

Thanks for taking the time to keep our summer home clean.
