Letter from the Chairman of the Board

by Kel Kronemeyer

I sure am anticipating summer. Tomorrow, my wife and I will have been here at Sandy Pines three weeks. We've had a number of beautiful days of above average temperature, however, the last four days have been cloudy, below average temps, rainy and drizzling. It's rather depressing. I long for sunshine, consistently pleasant temperatures, the arrival of our Sandy Pines family who are very slowly arriving back in the park, and all the fun activities and fellowship opportunities that lie ahead.

I anticipate a kind, compassionate, understanding, caring, sharing, generous, open, self-giving spirit in each area of conflict and conversation, as it pertains to living as a community here at Sandy Pines. All of life doesn't revolve about me. It revolves about all of us.

Decisions involving an entire community are never easy. If the above anticipated spirit is present, it is like bright sunny days with warm temperatures, with many pleasant activities and interactions.

CHAIRMAN continued...

I write this, keeping in mind that we have a major decision to make this summer to enable the golf course to survive as a positive amenity at Sandy Pines. Your Golf Club Committee, your Board of Directors, and your Park President and Staff have been listening to you, are sensitive to all of your concerns, have been thinking hard and long, and working diligently to have a ballot proposal for your vote in August. It has not been finalized yet, but will be, at our June Board meeting. The entire Board is asking you to trust our spirit, our hard due diligence work, and cast an affirmative vote on our final proposal, so we can move ahead to many other matters pertaining to our Park. In a conversation with a fellow member who questioned our progress with regard to the proposal, he said, "I trust the judgment of all who have been working on the proposal. I am happy to pay whatever is deemed necessary to keep the course as a viable amenity of Sandy Pines. I'm tired of all the drama. I just want it over with." This reflects the sentiment of all who have worked on the proposal. I, and your Board, anticipate a huge voter turnout, and the proposal to pass by an overwhelming majority, in a wonderful spirit of unanimity. That will be like bright sunny days with pleasant temperatures after several cloudy, rainy days.

Oh, by the way, your gifts are needed on the Board. Three terms will be expiring, with some available for a second term. However, our goal is to have a pool of available talented candidates from which our members can select those whom they deem are most qualified. Qualifying petitions are available in the office and must be submitted by June 15.

Letter from the President

by Gene Van Koevering

For a guy that intends to make the focus of much of his discussions this year on planning for the future, I need to admit up front that as I have been writing articles for the Footprints so far in 2015, while doing so a month in advance of the printing... (my only defense), I have failed miserably at planning ahead!!

I forgot to write about Easter for the April issue, and I forgot to write about Memorial Day and our Veterans in the May issue!! So, to in an effort to avoid any further poor planning... Happy 4th of July, Happy Labor Day, Have a Blessed Thanksgiving Day, Merry Christmas and Happy New Year!! Yes, although planning ahead is a thing to strive for, while illusive to attain at times, we owe it to those counting on us to give it our best in successfully formulating a plan.

The future of Sandy Pines will be much of our topic of conversations in the near future. We will be joined in the conversation by our Building and Grounds, Finance and Board, and certainly you, the Members. We will explore the needs for maintaining Sandy Pines, as well as seeking your expectations for this park in the next 50 years. These conversations will begin this season; however I'm certain they will carry on into subsequent years, as well as revisions to a long term plan, will likely occur in the years ahead.

The goal of the conversations will be to set a plan in place for the future of Sandy Pines. What will Sandy Pines look like? Who will be attracted to it and why? What physical, financial, intellectual and human resources will it require to provide a firm foundation from generation to generation?

See PRESIDENT on page 4...

GET READY FOR SUMMER!

PRESIDENT continued...

It's my hope that you will join in on the conversation. Please stay attuned to the announcements of meetings, and/or forums that will be coming this year. Watch for and engage in meetings, and surveys when you can. We need your input as well as your ideas!!

June is the month that many families return on a weekly basis as soon as school is out and graduations are completed, so if you are one of those families...Welcome Back to the Pines!!

There is much going on in the park, and just a few of the most recent items of interest are: The four new Sandy Pines Channels: 9.1 is the Information Channel, 9.2 is the Recreation Information Channel, 9.3 is the Membership Sales Channel. (Both Sandy Pines Sales Department listings and For Sale by Owner listings can be found on this channel), 9.4 is the Channel Line up Channel. This past off-season offered us the opportunity to replace 14 channels from the line up of 2014. The channels chosen as replacements were taken from the survey you took last year which provided us with a list channels which were most requested. These were the channels that were used to create the current lineup.

2015 was the first year of our Extended Stay Camping Program. We set aside 12 campsites as choices for families that were interested in trying Sandy Pines through a Seasonal Camping Program. I am pleased to say the first year met our expectations of five rentals. The remaining seven sites were opened up for daily/weekly rentals on May 1st. Also, the renovation of our guest camping sites is making good progress with 35 of 59 sites completed. The renovation program will be completed in total by spring, 2017. It's our hope that these renovated sites will show our guests that we are committed to caring for this park and in caring for it, we are encouraging likeminded guests to join us by becoming Members as well.

Our Marketing Committee is currently working on a handout that will be available to all Members for the purpose of handing them out to area Retailers that you frequent. The flyer will not require you to sell anything, but we ask that you simply hand them out to the Retailer and ask him/her if they'd like to see more Sandy Pines member's spending money at their business to contact the person on the flyer and sign up for advertising on our Channels!! We would greatly appreciate your help in getting the word out! It will also help the local Retailers as well as Sandy Pines. Stay tuned to hear when the flyers are ready and where you can pick a handful up!

I suspect that Mary Applehof will cover the switch out of the Zip Line for additions to the Ropes Course, so I won't spend time on it, but rather ask you to read her article for more details.

Don't forget to invite friends and family to attend the Civil War Relic Show in the Pavilion on June 20, and the Civil War Reenactment on June 27-28!! It promises to be a great time again this year!

The Golf Committee has presented a ballot for the Board to consider, and the Board will have a ballot ready to be approved for the August election by the time of the next Board Meeting on June 19. Subsequent to that Board meeting, each Face to Phase meeting will include an open conversation for the ballot proposal, and I have asked the Golf Committee and Board Members to set open forums as well, so all Members can have an opportunity to be involved in the conversation and be fully informed to cast a vote in August. Watch for forum dates and times from the committee and the Board.

We have a great opportunity to say "Thank You" to Jim Spray. Jim will be retiring this year after having been the Golf Course Manager for Lake Monterey Golf Course for 17 years. We will be holding an Open House for Jim on June 12 from Noon-2 pm. Please come to express your thanks and good wishes as Jim begins to enjoy his retirement on June 19!! Thanks Jim, you have done an exemplary job for the course and this park. Jim is another example of our dedicated staff. His financial and human resources were limited during his tenure, however his desire to do the most with what he had, never failed to provide a great place to play.

Three Generations serving you for over 35 years with Quality and Integrity

PRESIDENT continued...

We had a lake and fishery survey completed in May, however, as of this writing we have not received the written report. We hope to have the report by the next Board meeting. The information we glean from the report will be given to the Building, Grounds and Lake Committee for them to use to develop a long term lake and fishery management plan. The Lake is our largest amenity and has not had a long term plan for its care and keeping. We look forward to making this amenity better, stronger and healthier for the years ahead.

Also, this month we will be presenting the Board with an updated 10 year Capitol Repair and Replacement budget. If you recall, the first such budget was presented to the Board and membership in August of 2013. Each of our department Managers was asked to once again review their department needs from 2013-2015. This document will be part of the Future Planning conversations we will have later this year. When this plan is completed, it will be posted on our website, so please plan to review it. Ten years, may seem like a lifetime away, but simply look back 10 years...it doesn't seem that long ago. This is why I am asking the Long Range committee to begin to plan beyond 10 years.

Finally, if you possess the skills, experience and positive foresight for a position on the Board of Directors, and you are willing to be a Representative of the next generation of Members by contributing to the oversight of policies and procedures that will be needed in leading Sandy Pines into the future with confidence, please consider putting your name in as a Candidate for the Board election in August. There will once again be three positions available and I can say with all conviction that if you DO possess the skills, the park needs you to step up and become a strong leader for the Sandy Pines of tomorrow.

As you can see, much of my report has to do with committees, so I want to finish by saying thank you to each committee and the members that serve us so faithfully. Also, thank you to the Staff of Sandy Pines...these staff persons are a dedicated group of individuals, and as such, as Management we have dedicated our efforts to continue to seek to improve the skill sets of each employee. When we do this, we improve our value to the park and improve the confidence they have in doing their job. Thank you to you, the Members, for your support and know that as your employee, I am grateful for the opportunity to serve you.

Aquatics News

by Kim Day

Our Recreation season begins June 15th and runs through August 14th. We have a lot of fun things planned again this year. If you didn't get a chance to sign up your children for swimming or tennis lessons, you can stop by the Recreation Office anytime to do so.

The Kid's Triathlon will be Saturday, June 27, this year. We will start sign-ups on June 8th at the Rec. Office. The cost is \$10 per child, or \$15, if you want a t-shirt. Money is due at the time of registration. To register, you may stop by the Rec. Office, call **(616) 896-8318**, or email us at recreation@sandypines.com. Please include your phone number, child's name, shirt size (if you are getting one), and your site number. The deadline for ordering t-shirts will be Friday, June 19, at 3 pm. If we don't have enough participants by then, we will be canceling the Kid's Triathlon.

Our Kids Lock-In will be on July 10, for kids ages 6-12. Sign-ups will start on June 27, at 11 am. The cost for the lock-in will be \$10/child.

Please remember at the Water Park that any child not at least 48 inches tall will have to wear a flotation device, if they can't pass the swim test.

Keep reading the weekend flyer so you don't miss anything.

Building & Grounds Committee News

by Mike Young

Our first meeting of the season took place May 9. Several items were discussed, with one of them being the Memorial Gardens. Nelson Bouma has worked hard on the layout and more stakes are needed. Types of trees must have office approval and meet the guidelines that have been established. If you are interested in planting a tree, please contact the office for details.

The softball outfield has been worked on and has been leveled for safety. A Handicap dock has been installed by our boat ramp and is ready for use. We do ask that NO fishing take place from any public dock.

Sandy Pines also has had a professional (Earth Sciences) lake survey done. We all know that our lake is our most valuable asset. This survey will lead us in a long term plan for fish and lake management. The survey was just completed, and a full report will soon follow. Items covered in the survey were health of our fish, types of fish and food source for fish. Also surveyed was water depth and silt. Sailboat Cove was found to have a lot of organic material around the edges of the cove. This will need to be removed.

An update of the Administration Building frontage was also discussed. A full plan is being put together that will include a water feature. Bids again will be needed. Our goal is to let people on the outside see some of the beauty that we see on the inside, and hopefully new members will be part of what we now enjoy.

Our next meeting is June 13th at 10 am, at the Administration Building.

Maintenance Update

by Ben Fifelski

It's good to see so many people back in the Park! We would like to thank you for making sure that you are putting your leaves and brush in the correct places at the dump. This will help us with the clean-up in the fall. Sandy Pines is a small community and it is fantastic to see neighbors helping neighbors. Thank you for that...

Please remember that the Maintenance 24 Hour On-Call is for emergencies only! An emergency would be a broken riser, sewer problems, power outages, etc. If you experience a problem on your site, and it is not an emergency, please wait until morning and we will do what we can to assist you.

REMINDER: Please check your white hoses and replace them, if necessary. Don't forget to label them to help make spring hook-ups a lot easier!

CC SHOWERS: In the spring and fall there is little water being used in the CCs, so this may cause an unpleasant shower! To ensure that your shower is comfortable...turn the water on in a couple of the sinks in the CC until they reach a pleasant temperature. Let your shower run for a minute or two, and you should be all set! Once our season gets busier, you won't have to do that anymore.

Thank you all for your help and cooperation. It takes everyone at Sandy Pines, working together, to make this the wonderful place that it is! Enjoy your season!

Recreation Department News

by Mary Applehof

Are you ready? We sure are! Here are some of the fun activities we have planned for the summer of 2015:

The regular summer schedule begins the week of June 15th. Tennis lessons are Tues. – Friday; Kids Club – ages K-9 (1-2:30) and pre-teen club—ages 9-12 (2:30 – 3:45) run from Tues-Friday. Teen club (must be 13 to attend) will run on Tues. evenings (7-8:30 p.m.). Golf lessons will be on Wednesdays for ages 7-12 at 11am – Noon and ages 13-17 from Noon – 1 pm. All Golf lessons are held at the Golf Course. Movies will be shown in the Recreation Station on Fridays (G-rated) and Saturday's (PG or PG-13) at 8 pm. Sports nights: Mondays (7-8:30) will be 3-on-3 Basketball, and new this year, is Beach Volleyball; Wednesdays (7-8:30)—each of these sports will start with ½ hour of drills and instruction of the sport, then the next hour will be spent playing! (Ages 8 +). The 9 square in the air and the gaga ball games are open anytime you would like to play! The 9 square is like 4 square that we all know and love from the school playgrounds, but you play it in the air instead of on the ground. Come and check it out! This game is for adults too!

Ok, Sandy Pines, we have a DVD Kiosk in the Water Park for your movie rentals this summer! It is called Michigan Video on the Go. They have been in business for over five years and have a Kiosk at Dick's Market in Dorr, too. The Kiosk will have 250 movies that you can rent for only \$1.49 for the first night and \$1.79 for each additional night. Customers can reserve movies online for in-store pick up too! The Movie rental will be billed directly to your credit card. The Kiosk is already in place and is ready to go. Some of the new movies for rent are: *Selma* (5/5/15); *Black or White* (5/5/15); *Fifty Shades of Grey* (5/8/15); *Still Alice* (5/12/15); *Blackhat* (5/12/15); and *Mortdecai* (5/12/15). Go to www.mivideoonthego.com and register to become a member. ***Receive a free movie code when you signup!**

I want to remind you of a few things that you should know about the ropes course: You must be 48" or taller to participate. You must have shoes on that will not come off – no flip flops will be allowed. There is a weight limit of 300#. The ropes course will be closed if it is raining. The hours of operations are: Monday: 6-8:30 pm; Tuesday: 1-3 and 6-8:30; Wednesday & Thursday: 6-8:30 pm; Fridays: 1-4 pm and 6– 9 pm; Saturdays: 10 am-2 pm and 5–9 pm; Sundays: 1-4 pm. The Zip line is closed for safety reasons.

We have a few changes for the Adult Tennis lessons this year. We are thankful that Michael VanderWall will be running the Adult Tennis lessons for us again this year. The lessons will still be held on Thursday evening from 7-9 pm. at the Water Park and we are adding the 11-Noon at the Phase 1 courts. Each of these lessons will include all levels of play.

Dates to put on your calendar: Boaters Safety is Saturday, June 13, from 8 am to 2 pm, at the Recreation Station. The class is free but you must be registered to attend. To register, please e-mail us at recreation@sandypines.com.

Saturday June 13 is also the Bike safety with the Allegan County Sheriff's Dept. Meet at the Water Park and plan to ride around the lake using proper hand signals.

Saturday June 13 is also the Highland games. This will be from noon to 4 pm in the Flea

See RECREATION on page 9...

RECREATION continued...

Market Area. Bring a lawn chair and come and see how the Scottish games are played. We will be selling pop and popcorn all during the event.

Drive in Movie is June 20. Cost is \$1/ person. We will be selling popcorn and pop too! More information in the Weekend Flyers!

June 20 is Civil War artifacts display in the Pavilion from 12-4 pm.

June 27–28: is the Civil War Re-enactment. Please check the Weekend Flyer for a detailed program.

June 27 is the Sandy Pines Youth Triathlon

The 4th of July Parade will actually be on the 4th this year! Get your parade floats and golf carts ready for a great Sandy Pines parade!

July 11 – our first ever Fly board show! This will be starting at 2 pm by the Dam. After the show you will be able to try out the fly board, for \$40 for 20 minutes. Sign up soon!

July 18 – Vintage Car Show with a parade starting at 4 pm and ending at the Flea Market area for everyone to come and enjoy.

The John Ball Traveling Zoo will be here on Saturday, July 25, at 11 am.

The Sandy Pines Rainbow of Color Run is all set for Saturday, August 1, starting at 10 am from the Chapel parking lot and ending at the Flea Market area. The cost is \$25 and you may sign up at the Water Park Recreation Office. This is great for all ages! If you can walk or run, you're sure to have fun! We are looking for sponsors again this year! Please contact me if you are interested in sponsoring. The money raised during this year's color run will go towards two additional AED's for Sandy Pines.

We are looking for volunteers to help out with Family Fun Day on July 18. If you are willing to help, please let us know by contacting us at recreation@sandypines.com or by calling us at 616-896-8318. Teens – this is a great way to get service hours for school!

The Bean bag toss tournaments are back for Friday nights! Adult time is 7-8 pm **and new this year – Teens – your Bean Bag tournaments will be every Friday Night at 8 pm.**

If you have any questions regarding the Recreation schedule, or have any new ideas to share with us, please feel free to call or stop in. We love our summers here at Sandy Pines!

Camping Update

by Kelli Blackman

We had five people take advantage of the Extended Stay/Seasonal Camping program this year. We welcome you to Sandy Pines, and trust that you will have an enjoyable experience.

Since January 1st, the Sales Office has sold 20 Sites! Nine were for sale by owner, seven were Sandy Pines Sites, and we had one Condo transfer.

We have been improving our camping sites by adding parking pads, upgrading the electric and installing new signs which include the site numbers.

Member Outreach Update

by Kel Kronemeyer

Come to the New Member Ice Cream Social and Orientation!

If you became a member any time after October, 2012, and you have not been to one of our Ice Cream Social events, you and your immediate family (does not include Adult Associate members) are invited to our first Social of 2015! The date is **Saturday, June 20, from 6:30-8:30 pm** in the Core Area Outdoor Pavilion (Lakefront below the Ice Cream shop). No reservation is necessary – just show up! If you can't make this one, please plan to come to our second social, which is planned for Saturday, August 22nd. Same time and place.

Also, please stop by the Board of Directors Tent at our Flea Markets to place your order for our "Member Since" signs. We have many designs, and can arrange for custom designs, as well. We now have a new Sandy Pines License Plate design. Please stop by and check it out!

If you like meeting people, making new friends, and welcoming new Sandy Pines Members... please consider joining the Member Outreach Committee. Call or text me at 407.247.1534, or e-mail me at **kkron6759@att.net**.

Lake Monterey Golf Course News

by Gary Peters

By the time you read this we will be in full swing for the summer at the Park and the Golf Course. The ball washers have been painted and the staff has made new tee markers. This week, as long as weather stays dry, the staff will start spraying for weeds. We will be putting in new tee sign posts in the upcoming weeks, as the old ones have been rotting and will start to fall over soon.

We have been asked by some of our new members if there are going to be golf outings for our members this year. Just so you are aware, we do have a couples, men's and lady's outings throughout the week, so come on down to the Pro shop and we will be glad to show you the sign-up board for these events.

Also, one new thing we will be starting in the near future, is Foot Golf. This will be hosted on the executive nine hole course. It takes about 1½ hours to play eighteen holes. Our Executive Nine will support 18 holes of Foot Golf. The game is played the same way as golf, except the players use a soccer ball instead of a golf ball, and the ball is kicked rather than struck with a club, working towards a flag stick in place of the usual golf hole. The player who plays the 18 "holes" with the fewest shots, wins. The first shot has to be played from the tee markers and to reach the hole...bunkers, trees, water, and hills have to be crossed or avoided. This means a powerful shot is useful, but not decisive. Reading the course, a smart approach and accurate putting, are even more important. Please note, cleated soccer shoes are not allowed, however indoor style soccer shoes are permitted.

Looking forward to a great summer!

Dog Park News

by Bill & Joanne VanderWall

Welcome back to Sandy Pines – to all of our members—both old and new!

We would like to tell you about our Dog Park. It is located in Phase 6, behind the bathroom. It is a fenced in area for your pet to run and enjoy themselves, in a shady area. There is water for them to get a drink, with a bench and table in the shade for you to sit, while they play. There are baggies for you to pick up after your pet, and a pail to dispose of it.

Keeping your dog exercised and content, will keep your neighbors happy too.

Technology Committee Update

by Jon Novakowski

Sandy Pines own cable channels – Please make sure to check out Sandy Pines own hosted cable TV channels. The channels are 9.1-9.4 on your TV.

Free wireless internet Hot Spots in the Park. Just a reminder that the free wireless hot spots in the Park are listed below:

- Phase 2 Laundry
- Phase 3 Laundry
- Phase 5 Laundry
- Phase 3 Pool/Laundry
- Phase 3 Ranger Station
- The Library
- The Rec Station / Outdoor pool
- The Ranger Station

For the 2015 season these will be the only free wireless internet hotspot.

Cellular voice coverage continues to be a top priority for the technology committee. We have filed all the necessary paper work and passed all the required surveys necessary for a cellular tower. We just need the carriers (Verizon, Sprint, ATT, etc..) to install a tower and the equipment to make it work. We need your support to make this happen. Please fill out the letter below and send it in to the same address where you send in your monthly payment.

http://www.sandypines.com/uploads/Form_Letter_for_Wireless_Provider_request.pdf

Ultra-fast internet at Sandy Pines through the Charter cable modems update and reminder. The installation is underway and is being

See TECHNOLOGY on page 13...

TECHNOLOGY continued...

deployed as fast as possible. Member Services have been doing a fantastic job of scheduling installation appointments. Over 250 additional modems are being deployed this year. A note/reminder on the Charter cable modem: They do require an additional wireless router. These can be purchased at Best Buy or Amazon, etc... Please make sure to have yours ready when the modem is installed so you can start enjoying blazing fast internet immediately.

Updating and interconnecting the camera system throughout the Park has been completed. Rest assured that the camera system in the Park now is on a stable connection and helping the Rangers monitor and patrol the Park, keeping us all safer.

If you are interested in being on the technology committee, we are interested in having you join us. This year's meetings will be held virtually, so all you need is a telephone and/or internet connection to join in the meetings.

Boating Laws in Michigan

Items such as "No Wake", Distance from swimming areas, Distance from shore, and your watercraft wake, should not be causing damage to the property of others while you are on the lake. The freedom of being in a recreational vehicle on the lake still has great responsibility for the safety of others and their property.

Before your next trip on the lake, please take the time to review the Michigan Boating laws, below.

Michigan law designates these dangerous operating practices as illegal.

Reckless Operation of a vessel or reckless manipulation of water skis, a surfboard, or similar device is defined as operation which disregards the safety or rights of others, or endangers the person or property of others. Some examples are:

Weaving your vessel through congested waterway traffic or swerving at the last possible moment in order to avoid a collision; Jumping the wake of another vessel unnecessarily close to the other vessel or when visibility around the other vessel is restricted; Chasing, harassing, or disturbing wildlife with your vessel; and Causing damage from the wake of your vessel

Improper Distance is not maintaining a proper distance while operating a vessel or towing a person. To maintain a proper distance when you are operating at greater than "slow, no wake speed" (except in channels that are not posted), the vessel or persons being towed must not be within 100 feet of: A shoreline (if operating in water less than three feet deep); Any moored or anchored vessel; A dock or raft; or Any marked swimming area or person(s) in the water

"Slow, No Wake Speed" means the slowest speed at which it is still possible to maintain steering and which does not create a wake.

Riding on the Bow is illegal if the vessel is not equipped with bow seating, and the vessel is operating at greater than "slow, no wake speed." Persons also are not allowed to ride on the gunwale. While underway, persons on a vessel may not sit, stand, or walk on any portion of a vessel not designed for that purpose.

Marketing Committee Needs Help

by Michael VanderWall

We're looking for talent amongst our Sandy Pines community. If you are a writer, proof reader, artist, graphic designer, web designer, videographer, print, media or are you familiar with effective use of social media and would like to help us manage our Facebook, Twitter, Pinterest, etc. efforts let us know. It's a fun way to contribute to the park's marketing efforts. Please contact Michael VanderWall at mvw3357@gmail.com, or call 616-477-3521.

Safety Department News

by Steve Deyarmond

Things to do to expedite your entrance into Sandy Pines:

Be sure your balance is current. Many times members fail to be current with their account balances and show up at the gate entrances unable to enter the Park. If you have associate members, the same thing will happen. Accounts that are 60 days past due have their membership cards deactivated. If you are 60 days past due, the account will have to be made current. Payment will be expected in order to enter the Park, and additional card reactivation fees will occur. If your balance is 60 days past due, contact the office during normal business hours and make a payment, or stop in at the Administration Office to make a payment prior to entrance or arrival. Being current with your balance will prevent a delay and expedite your entry. Please be Up-to-Date on your account.

Membership cards:

Have your membership card ready when you arrive at the Park. Backups occur out into the county roads because members cannot find their membership cards, or do not have their cards. If you have lost your membership card, please stop at the Ranger Station and have a new card made. It only takes a few moments. If you were over 60 days past due and your balance is now current, call the Ranger Station to have your membership card reactivated before you arrive. It is becoming very common for members and associate members to stop at the Main Gate without a membership card. The purpose of membership cards is to expedite access into the Park. Members without their cards slows their access, and the access of others.

Disposal of leaves, vegetation and brush:

The leaf dump is across the street from the Ranger Station. Please do not dispose of items other than vegetation in the leaf dump. Large dumpsters are located in the area across from the Ranger Station for old carpet, or old furniture, old sheds, old grills and chairs. Please do not dispose of refrigerators or freezers in the Park. Please have an appliance company remove when replaced.

Member, Associate and Grandchild vehicle registration stickers:

All vehicles in Sandy Pines must display a Sandy Pines vehicle registration sticker. The Ranger Station in Phase Three, and the Main Gate have vehicle registration stickers available. To receive a vehicle sticker the Ranger will need your membership card. Sandy Pines vehicle registration stickers are to be displayed in the lower left corner of the vehicles windshield.

Operation of Golf Carts by youth:

Youth 12 years of age must take, and pass, the Golf Cart Safety Program to operate a golf cart in the park with an adult. Youth wishing to receive a Golf Cart Driving Permit must stop at the Ranger Station, pick up a Golf Cart Safety Study Guide, or download the guide from the Sandy Pines website. The youth should study this information and the parent should review it with their child. After the Golf Cart Safety Guide has been studied, the youth may stop at the Ranger Station and take a written test. After the 12 year old passes the written test, he/she will be issued a Golf Cart Driving Permit to operate a golf cart with an adult. Twelve year olds must have an adult present on the golf cart, to operate one.

Youth 13 years of age or older, may also pick up a Golf Cart Safety Guide to study in order to operate a golf cart within the park. After the youth studies the safety guide, they may stop at the Ranger Station to take a written test. When they pass the written test he/she must operate the golf cart with an adult for three weeks.

Age verification is required at time of testing. Please bring a birth certificate or passport as proof of age.

See SAFETY on page 15...

SAFETY continued...

Member, parent or guardian will be required to sign a hold harmless clause prior to youth taking test and being issued a Golf Cart Driving Certificate.

Fifteen year olds or older, with state issued auto driving permits/licenses, do not have to take the Golf Cart Driving Safety Course.

Civil War encampment:

Please refrain from driving your golf cart through the civil war encampment. Operation of golf carts in the area takes away from the event. Please park in designated areas for parking.

Boating:

The wake of watercraft can cause damage to watercraft along the lake shore. Please keep a distance from the shore so that your wake does not cause damage to the watercraft along the shore. If you are near the shore, please slow down to a "No Wake" speed, and be respectful of others property.

Operation of Golf carts:

Owners and parents of youth operating golf carts, please be vigilant in teaching and observing the manner in which your golf cart is being operated in the Park. Each year, several accidents occur in the Park that could have been prevented. It is not uncommon for persons to sustain head injuries, bone fractures, cuts and abrasions, and the potential for life threatening injuries, as a result of careless or inattentive driving of golf carts. Please instill safety first into your children who may be driving golf carts.

Senior Men's Softball

If you like to play ball, please feel free to join us on Thursday evenings at 6:30 pm at the Softball field for an evening of fun! Our group practices Thursday evenings, and have our games on Saturdays at 6:30 pm.

First practice is May 21st, with the first game played on Saturday, May 25th, Memorial Weekend. Senior Men's softball is for men 50 and up. Come on out, let's play ball and have some fun! Questions may be directed to Mike Young – recman02@yahoo.com.

We know a lot about improving your lot.

Whether it's a park model, travel trailer or boat loan, FEDCOM CU will help you keep it simple. To learn more, visit us online at fedcomcu.com or call our V.P. of Operations, Reid A. Lundeen at 1-888-364-6928 (ext. 129).

Rules Change

BE IT RESOLVED that the Board of Directors of Sandy Pines Wilderness Trails, Inc., at their regular meeting on May, 15, 2015, hereby approved changes recommended by the Rules Committee to amend wording to the Rules Section, Section XIII: Watercraft Regulations, Section F – Watercraft Rules and Regulations, Item 19 (b) as follows:

XIII. WATERCRAFT REGULATIONS

F. Watercraft Rules and Regulations:

19. Water Skiing & Pulling tubers:

- a. Water skiing is permitted from 10:00 am to 8:30 pm.
- b. ~~Watercraft towing any object may not enter into areas marked by buoys.~~
- c. The driver of a watercraft pulling a tuber or skier must have a competent observer.

Bikes Wanted:

If you have a bike sitting around just collecting dust that you no longer use, and would consider donating it to Matthew's House – a Ministry on the west side of Grand Rapids, please read on!

Matthew's House is looking for old bikes, even if they are in need of repair, that they could fix up and donate to a homeless man or woman.

If this is something that you would like to help with, please contact Jim Kuipers at 896-8971 or stop at Site 155.

Thank you for your kindness and generosity. You are making a difference in someone's life, and for that we express our gratitude. Thank you very much for your consideration!

Special Events Committee News

Our group discussed a possible merge with the Outreach Committee and it was decided that the Outreach group would need to meet more than Special Events, so they voted not to merge.

Mary Applehof is our new Chairperson, and will be leading us in our Special Events plans for this summer. She has many new ideas to add to some great ideas that we have done in the past.

We are always looking for volunteers for our events. Please check with Mary in Recreation as YOU are needed. Thank you for your willingness to help out!

Our next meeting is June 15, at 7:30 pm, in the Recreation Building. New members and ideas are welcomed.

Happily refusing takeovers since 1887.

Senior Adult Recreation

by Carol Hoffman

On Memorial Day, May 25 and on July 4th, we will have Free Bingos from 2-4 pm, in the Pavilion for ages 10 and over. Play the entire two hours, or just come and go as you please. Popcorn and bottled water are available for donation. You may bring prize donations for Free Bingo to any bingo or put them in the prize donation box on my deck at lot #345.

On Friday, June 5, and Friday, July 3, we will have Potlucks in the Pavilion. Everyone is welcome, so pack up your tableware and food to share and join us at 5:30 pm. We will have hot water available for instant beverages.

We are planning a Golf Cart Poker Run for Saturday, June 13, at 2 pm, but we will need lots of volunteers. We need at least seven couples just to be at the Poker Run stations, so please let me know if you can help. If we can't get enough help, we will have to cancel the poker run. Call me at (616) 896-7996, see me at lot #345, email me at carjoyhoff@aol.com or talk to me at one of our activities. I will be contacting others that have helped out before, so please consider helping out again. Thank you to those that have already volunteered.

On Saturday, June 20, we will be having an Adult Bingo in the Pavilion at 7 pm. You must be 18 years and over to play. You only pay \$.25 per card and you must purchase at least four cards to play on for the entire two hours. Please bring the correct currency to pay for your cards. We do not have change for large bills, and all the money goes back to the winners. Popcorn and water will be available for donation.

Our first Karaoke for this season will be on Friday, June 26, at the Adult Recreation Center from 7-9 pm. There is no cost for this event, so come and join in the fun.

Please check our sign in the core area near the Dairy Dip for our activities and any changes or cancellations. Have a wonderful summer!

Notice of Board of Directors Petitions

by Carol Hoffman

As per the Sandy Pines By-Laws, notice is hereby given that there will be three (3) positions available for the Board of Directors at the August 15, 2015, election.

Nominating petitions must be returned to the Administration Office by June 15, 2015, no later than 4:30 pm.

NOTE: Petition forms are available at the Administration Office during regular business hours, Monday-Friday 8:30 am to 4:30 pm and Saturday 8:30 am to Noon.

In order to qualify as a candidate, you will need to submit a petition with at least 25 valid signatures from Sandy Pines members by June 15, and your membership dues must be paid to date.

We are looking for someone who is familiar with, or who has background in, writing Grants. We have a couple of ideas that might require writing a Grant - is any one able to help? E-mail Gene@sandypines.com or call 616-896-8315 x 105. Thanks!!

Sandy Pines Welcomes Sub Sity

There's a new restaurant in town! We would like to make you aware of Sub Sity, located at the Adult Recreation Center. This new eatery will be run by John Parmeter, and he says it is comparable to Subway.

There will be lots of delicious subs available, as well as other menu items. Hours of operation are: Thursdays from 4 – 8 pm; and Friday through Monday from Noon to 8 pm.

Park & Garden News

by Jack Schmidt

We are open and waiting for you to come in and see the new products we have for you this year. As in the past, if you need something and we don't have it, we will do all we can to get the item for you. In most cases we can get it within a week.

We currently carry Trojan Batteries for your 6 volt and 8 volt golf carts. If you need one, or a set, stop by to see what we can do for your golf cart needs.

I wanted to remind you that we have rowboats and Kayaks for rent, and we hope to have some Paddle Boards this year, too.

Water Softeners are still available. Want to get rid of the iron in the water or just have nice soft water to shower or do the dishes; stop buy and check out our Maynard Water Softeners. We would love to install one on your unit this year.

We still have digital TV convertors for your TV viewing needs. If you have an older TV, or one that will not receive the new channels, stop buy and pick up a convertor. Watch channel 9.1 for any information or specials that we are offering this year.

Member Services

by Mary Cooper

Summer Office Hours:

Monday-Friday 8:30 am – 4:30 pm
 Saturday 8:30 am – Noon
 Sunday – Closed

Flea Market:

Upcoming dates are June 6 and July 4. Flea Markets run from 9 am to 2 pm.

Spaces are 10x20, and are available for \$30. Reserve a space on the Member Web Access. Dogs are not allowed at the Flea Markets, whether they are carried, on a leash or in a golf cart.

Flea Market Vendors:

You must park your vehicle on your Flea Market space or at the Maintenance parking lot. You are not allowed to park in the office parking lot, due to limited space.

Pumpouts:

You order regular pumpouts online using the Member Web Access. Orders can be placed up until 11:45 pm from your computer for next day service. No online orders for same day service or Sunday pumpouts. For emergency pumpouts call 616-896-8315 ext. 111. Kiosks with computers are available at Rangers (main gate and Phase 3) and also at Member Service.

Frequently asked about dates:

June 20: Garage Sales for Phases 3, 5 & 6 and Civil War Artifacts in the Pavilion
 June 26-28: Civil War Reenactment
 July 4: Fireworks at Dusk
 July 4: 4th of July Parade - 10 am
 July 11: Garage Sales for Phases 1, 2, 4 & Condos
 July 18: Family Day
 July 27-31: Vacation Bible School
 Aug.8: Christmas

Recycling

Are you enthused about making sure that we utilize the recycling here at Sandy Pines? Here's a way to help your neighbors recycle as well. Talk with the people in your immediate neighborhood (maybe 3-4 doors down from you on either side) and ask them if you can pick up their recyclables for them. Have them place their stuff in a large plastic bag and you can throw it onto your cart or in your car and bring it to the dumpster. Plan on using a specific day of every week... maybe even coordinate a monthly rotation and share the load.

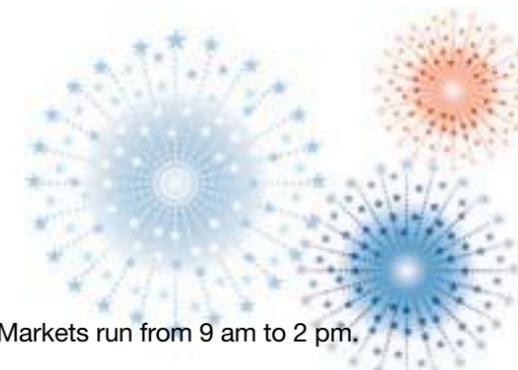

Inspector News

by Ralph Smith

By the time you read this, we will be into June, and I am hoping everyone has their lots, trailers, porches, garages and sheds cleaned, along with all tarps off of your units. I will be going around to see if things are all cleaned, and if not, I will have no choice but to have it done for you and bill your account for all charges. This does include an automatic \$100 fine.

Please keep your lot mowed and everything clean for the entire season, so I don't have to have it done for you. Make sure that you are not using the green area as storage for all of the miscellaneous items around your lot. Keep in mind that lots need to be clutter free, your neighbor should not have to look at trash on your lot. The county is asking that we get back to having a clear area all the way around our units of 4 ft. open space, in case of emergencies. This includes shrubs. You should include an opening for emergency personnel to get thru if you have a fence, and make sure you have gates to allow access around your trailer. If you have any questions, feel free to get in touch with me at 616-896-7286 or by e-mail at inspector@sandypines.com.

Have a great summer. See you around the park.
