## Letter from the President by Jean Richards

'Tis the season for giving thanks and waiting for Santa to bring all the good boys and girls their Christmas gifts.

As the holiday song tells us, "He's making a list and checking it twice...to find out who's been naughty or nice." I thought I'd help him out a little by telling him about the Board of Directors at Sandy Pines. Each Board member has at least one committee that they either chair or are a member of. They volunteer their time, expertise and energy all year long, to see the goals of their committee(s) reached, and spend many hours as volunteers to make all the activities in the Park happen. My thanks go out to each and every one of them for all they do to make Sandy Pines function as smoothly as it does.

Thank you, Dick, for taking on the jobs of Vice-President, chair of the Long Range Planning Committee, and a member of the Finance Committee. As Long Range Planning chair, you worked with the Golf Course Committee and Finance Committees to get the Nature and Fitness Trails redesigned, and are looking at a proposed club house.

Thank you, Tom, for taking on the jobs of Treasurer, chair of the Finance Committee, and member of the Long Range Planning Committee. As Finance chair, you were in charge of verifying all the expenses and income of the Park on a regular basis, as well as periodically explaining budgets and finances to the members.

Thank you, Terry, for taking on the jobs of Secretary, chairs of the Golf Course and Rules Committees, and member of the Special Events Committee. As Secretary, you kept minutes of meetings, as called for, and ran the verification process for Board election. As chair of the Golf Course Committee, you were in charge of revising and running the "Member/Guest Golf Outing", course improvements, revising and recommending golf specials and revising

# PARK DIRECTOR UPDATE by Max Gibbs

The Holidays can be the greatest time in our year. We can stop and thank the Good Lord for all that we have received. We are thankful for our families, pleasures both large and small, the ability to relax, and most of all, our ability to give to others.

The next Holiday lets us celebrate the birth of our Savior, Jesus Christ. What a great time for all of us! We have our families to love, gifts to share, and it's a great time to help others who haven't been as fortunate as we have. What a wonderful time to celebrate a Birthday!

The New Year begins with a promise of

new things – better times and opportunities to share our gifts. 2011 is going to be better because of our renewed hope and love for others. We hope that all of our members at Sandy Pines have a great 2011!

We are preparing for your return, and will present our 40<sup>th</sup> Anniversary events in the next Footprints. There is a sampling of what's to come, in this issue, on page 8.

We will continue to update and use our website to communicate with you, as well as our e-mail database. If we do not have your e-mail address, please e-mail it to us and ask to have it added to our list. Our ability to communicate with you is increased greatly when we can send out a quick e-mail to the membership.

I was honored this fall to be selected as the Co-chairman of the Salvation Army Red Kettle Campaign. I have been on the Advi-

sory Board for a number of years, and have been blessed to work with such a Christ-centered group of people.

This Footprints is being mailed all over the United States, and in every Community, there are people ringing the bells at Red Kettles. Please be generous and contribute to the needs of others. If you are into texting, you can donate via text messaging too! If you would like to donate \$10, text "Shine" to 85944 or to donate \$5, text "Angel" to 85944. You can do this from anywhere in the United States, and your money will go to your local community.

Thank you, and Merry Christmas from all of us!

the recommendations of golf rates. As Rules chair, you and your committee discussed several suggestions for changes concerning boating, and decided not to make changes at this time. As member of the Special Events Committee, you have successfully instituted and run the Annual Cardboard Boat Regatta, since its inception. A special thanks for volunteering to take on the chair of the Special Events Committee for next season.

Thank you, Stan, for taking on the supreme task of chairing the Special Bylaws Committee that dealt with the examination and revision of our "Constitution." You led your committee through a two year process culminating in taking the changes to the members for their acceptance at our last election. A special thanks for volunteering to be on the Rules Committee for next season.

Thank you, Mike, for volunteering to be the Board Liaison for the project of constructing the 40 Year History of Sandy Pines and for being a contributing member of the Special Events and Bylaws committees.

Thank you, Jim, for chairing the Special Events Committee and organizing the Thursday Morning Volunteer work crew. You truly understand the need for, and appreciation of our member volunteers, with all of the activities that go on all season. A special thanks for taking on the chair of the Rules Committee for next season.

Thank you, John, for taking on the responsibilities of Secretary for next year, serving on the Long Range Planning committee this year, and adding the Rules Committee for next year.

Thank you, Gerald, for serving on the Finance and Golf Course committees this year, and taking on the chair of the Golf Course Committee for next season.

Our last Board member is me. I chaired the Personnel and Member Outreach committees as well as serving as the Board President. My responsibilities included answering all written communication between members and the Board, as well as working directly with the Administration on daily issues. My Member Outreach Committee was responsible for Weekend Flyers being distributed, organizing and filling new member tote bags, providing a luncheon for Employee Appreciation Day, and general communication between members and the Board.

Santa, I hope this helps you out when making your list! P S, don't forget all the member volunteers and employees who graciously give of their time to insure the efficient running of the GREATEST PARK around.

## Events for Sandy Pines 40<sup>th</sup> Anniversary Celebration

Are you ready for our 40<sup>th</sup> Anniversary summer at Sandy Pines? The upcoming, 2011 summer season is going to be one to remember, at Sandy Pines Resort. We are celebrating the 40th Anniversary of our Park this summer, and in recognition, we are planning many special programs and events for your enjoyment.

Here are a few of the things that we're working on for you.

\*A Pig Roast/Chicken Bar-B-Q Dinner: Free for everyone in the Park (Yes, I said 'Free')\*

\*Three professional Musical and Comedy Concerts: One each in June, July and August.\*

\*A Talent Show: We want to highlight and appreciate the talents of our members.\*

\*A Poetry Writing Contest: For the Poet in all of us\*

\*A Special program for our Teens & Young Adults\*

\*A "Whitecaps" special Sandy Pines night at the Whitecaps Fifth/3<sup>rd</sup> Ball Park\*

\*A special dinner to recognize and honor our Sandy Pines Charter Members.\*

The Triathlon in June will again be one of West Michigan's favorite race events, Family Day activities and attractions in July are being greatly expanded. The Member /Guest Golf Outing will feature some new skill challenges. We will have a "Shot Gun" start, along with a great lunch program and prizes. Don't miss out on this one! The Cardboard Boat Regatta will feature one new class of boats. Our participating sailors will be provided a free lunch and trophies. Plan to build a boat and be part of this very popular event.

We are also looking forward to Fantastic Fireworks, for the July 4th and Labor Day Holiday weekends, and two bus trips for 2011. We'll be traveling to "Greenfield Village" in Detroit, including a tour of the Ford Plant, and can also enjoy the very popular "Chicago-Waterways-Byways & Gangsters too" trip.

These will be wild and crazy days, and we want you all to be part of the fun. As you can imagine, none of this can be accomplished without lots of help from volunteers - people just like you! We need our Sandy Pine folks to put their name on our volunteer helpers list. We will need help with all these events. You don't need to volunteer for all of them, but how about signing up and helping with just one or two of them? You may be surprised at how much fun you have when volunteering with your neighbors.

Please, stop by the office and tell us that you want to be a part of the 40<sup>th</sup> Anniversary Celebration events.

A TRIP TO THE 30 BASEBALL STADIUMS, VISITING THE BOYS OF SUMMER (17,869 MILES ALREADY COMPLETED!) **by Jean Richards**

In the week ending with October 9, we added 1,714.4 miles to our summer mileage for a total of 18,066.19 miles.

We have cleared all 30 stops on our trip. We passed the Boston Red Sox, Cleveland Indians, Toronto Blue Jays, and the Detroit Tigers Stadiums, and have safely returned to Sandy Pines with an extra 197.19 miles to kick start next year's trip!

Thank you to all who participated. You can see the total number of miles you turned in for walking and/or riding your bike on the map in the Administration Office or posted at the Ranger Station.

Keep active this winter, and we look forward to seeing you in the spring when we will begin a new adventure.

The only idea I have at this point is to travel to all of the National Parks. I haven't plotted it out yet, but I think it might be a short trip compared to our last one.

If anyone has an idea, send it to me by way of Member Services.

## PARK RANGER NEWS by Steve Deyarmond

### Snow load:

Porch enclosure roofs have, in the past, become damaged from snow load. Some trailer roofs have also been damaged by snow load. Please remember to check, or have a friend check, the amount of snow on your porch enclosure roofs. Sandy Pines commonly has Lake Effect snow. As a result, the Park many times has more snow than the inland areas.

The Ranger Station will have phone number of individuals that clean the snow off roofs. Please contact the Ranger Station for those phone numbers, should you need to have snow removed from your porch roof.

In years past, Ranger staff has noticed golf cart roofs bowing from the accumulation of snow. Don't forget to check your golf cart roofs, if stored outside.

### Lake Ice:

As the days begin to get colder, ice will form on the lake. Please use great caution when going out on the ice.

A general guideline of four inches of new, clear ice is the minimum thickness for travel on foot, and five inches of ice is required for snowmobiles. Remember, these are general guidelines and many factors besides thickness determine the safety of ice. The lake does have a constant current, and underwater springs. These can make the ice weaker in certain areas. Don't risk your life to get out on the lake to fish or snowmobile. The water is extremely cold, and hypothermia can place your life at risk, should you fall through the ice.

### Snowmobiles usage of the Park:

Please operate snowmobiles on Park roadways, and abide by the 10 mph speed limit. Operators must have a State driver's license or State issued Snowmobile Safety Certificate. Please do not cut across member sites, or drive in green areas. If driving along the lake, be careful not to run into a dock or boat stake, along the shoreline.

Snowmobile trails are nearby Sandy Pines, and connect with the Nature Trails. Trail maps are available at local retailers.

### Park Roads and winter conditions:

Maintenance does a very good job of plowing the roadways in the winter. However; winter storms and Lake Effect can cause Park roadways to be filled with snow.

If you decide to come to the Park, be aware of the weather forecast ([www.woodtv.com](http://www.woodtv.com)).

Lake Effect Snow can accumulate quickly, and blowing snow can fill roadways. Maintenance is not in the Park 24 hrs per day, **and they do not plow on Saturday or Sunday**. If the weather changes, you may want to leave before heavy snow or snow storms, or plan ahead to stay in the Park until the roadways are cleared. It can take a few days after severe storms before County roadways or Park roadways are cleared.

Please do not park in the roadways within the Park. This prevents our plow trucks from being able to plow the streets. If you come out to the Park, plan to clear your driveway, park at the nearest convenience center, at the core parking lot, or the Adult Recreation Center parking lot.

Plan ahead, if you have health conditions that will prevent you from walking distances, or prevent you from shoveling snow.

### Park Inspector News

by Don Weiss

I will start off by saying, I hope everyone had a great Thanksgiving, and will have a Merry Christmas!

I only have a couple of things for you this month. First off, if you are curious as to when I am available, I have been updating my answering machine each week with my hours for that week.

Secondly, if you rent Outdoor Storage by the ballfield, we are going to assign spots. Wherever you are parked now, will be the space that you get assigned. There are many items currently in the Bullpen, however, that are not properly identified. If you have something in that area, and want to keep your current place, please make sure that the office or I know what you have stored there. Thank you for your time, and have a great day!

## By-laws Correction

In the October issue of the Footprints, where the newly approved Bylaws were printed, there was an error in that information. The updated Bylaws have been posted on our website, but for those without Internet, please make note of the following:

Under Article III, Membership Dues; Special Assessments, etc., Section 6, it states 'or other charges due and/or owed to Sandy Pines in excess of \$50 by a member ~~sixty (60)~~ ninety (90) days after the same shall become...' should be corrected to read: 'or other charges due and/or owed to Sandy Pines ~~in excess of \$50~~ by a member sixty (60) ~~ninety (90)~~ days after the same shall become...'

Sorry for any inconvenience this may have caused. Please make this correction on your copy, or print off a new one from our website.
