## Letter from the President by Tom Aldrich

The 2012 year is about to come to a close. I am sure most would agree that the Sandy Pines Summer season was one of the very best. Warm, wonderful weather, and lots and lots of fun activities for the family. The transition from the summer to the winter season is quite dramatic. The hustle and bustle of golf cart traffic and family fun has given way to quiet streets, lots of leaves, and soon a winter blanket of snow. This period of respite gives our staff an opportunity to make the necessary maintenance and repairs and be ready for the new season.

Gene Van Koevering, our new Park Director, is on board as scheduled, November 30. He is located in the Park Director's office in the administration building. Max will remain for the balance of December assisting in making the transition to new leadership seamless. Gene will be able to take advantage of the quiet winter months to get fully acclimated and be ready to go "full steam ahead" by the time the new 2013 spring/summer season arrives. I know you join the Board in giving Gene a warm Sandy Pines welcome, along with your usual support and cooperation.

Max begins his well deserved retirement January 1<sup>st</sup>, leaving an unprecedented 16 year legacy of exceptional accomplishments. Fortunately, Max, Jan, and their family remain members, and can now enjoy membership, free of responsibility.

On behalf of the Sandy Pines Board of Directors, we want to wish all of our members and their families a Joyous Holiday Season and a blessed, productive and healthy new year. It won't be long and we will be back together enjoying another season at Sandy Pines.

# PARK DIRECTOR UPDATE by Gene Van Koevering

On behalf of your Board and the Great Staff at Sandy Pines, allow me to wish you all a very Merry Christmas. Our wish for you and your family is that you will be blessed beyond expectation as we celebrate the Greatest Gift of all: the birth of our Lord and Savior, Jesus Christ.

It is my sincere pleasure and great honor to address you all for the first time as your Director. My name is Gene Van Koevering, and I am the person who has been entrusted with the opportunity to serve you, your Board and this great Staff. My wife Joyce and I are extremely grateful to the Search Committee, to the Board and certainly to the Membership, for placing their confidence in me. This is a confidence I will guard closely at all times and in all situations, as a diligent servant, to this wonderful place we call Sandy Pines.

It is great to be back at Sandy Pines. We were members from 1983-1993 (N-17), subsequently returning as Associate Members around 2003, when our daughter and son in law came in as Members. Joyce and I have been blessed with three children (all married) and now with seven grandkids. Needless to say we are excited about having many family members out here during the summer months.

As I write this message, I am putting in my second day as the Sandy Pines Director. We had a "meet and greet" with the Staff on my first day and I was blown away by the warm, encouraging welcome that I experienced. The seasoned Staff is comprised of a group of very talented, experienced, hard working folks that are committed to serving the Membership with excellence here at Sandy Pines. I can confidently tell you that as a Staff Team, you can be assured of our willingness to do what it takes to make your investment in time, family and finances, the very best it can be. Thank you for providing this great group of partners with whom I am privileged to work.

Believing that our jobs do not define who we are, during these winter months I hope to not only get acclimated to the Operations, but as importantly, I hope to get better acquainted with Staff, Board Members, and committees within the Board.

I plan to review each department, including all areas of responsibility within each department. Additionally, I will be reviewing the financial and budgetary status within each department and the overall financial health of Sandy Pines Wilderness Trails and Lake Monterey Golf Course. As time permits, I hope to meet with local government officials, bank officials, vendor Representatives, the Chapel Leaders, and others as are determined. The winter months should go quickly!

Finally, thank you again for this great opportunity. I'm grateful to the many of you who have called, e-mailed or come up to me with your encouragement. I am looking forward to meeting many more of you when the weather warms up and we begin to see you here back at "The Pines"!!

# SANDY PINES NEWS

Poem written to the Board of Directors from one of our members:

## After the Difficult Meeting – This I Pray

I snuggle under the warm quilt.  
 I press into the soft pillow. It's an almost frosty fall morning.  
 The sunlight filtering through the trees call to me.  
 How filled with gratitude I am.  
 How amazing is the beauty outside my window.  
 The pine branches continue their morning dance, waving to the mighty oaks.  
 I close my eyes and whisper a prayer of thanksgiving.  
 I ask the Lord to spread His healing balm on...  
 restlessness, anxiety, rudeness, sarcasm, rumors and gossip,  
 for these caustic words rob us of the beauty that abounds here.  
 I pray this for my fellow Sandy Piners.  
 Give us Your wisdom on all issues.  
 Let us, each and every one, be an instrument of Your peace.  
 Let us rest in the beauty of Sandy Pines, not only the physical manifestation of Your artistry;  
 but to be layered also with Your quietness and grace.

by Kay Lyons

## Adult Pool

Many members of Sandy Pines have been concerned by the difficulty Handicapped Adults have accessing the Adult Only pool. We have solved that problem.

The State of Michigan allowed us to install a gate to be used by Emergency Personnel and those who are handicapped, only.

Our Lifeguard staff and Rangers will have a key to allow the above mentioned people into the pool area.

## **PARK RANGER NEWS** by Steve Deyarmond

### **Snow load:**

Porch enclosure roofs in the past have become damaged from snow load. Some trailer roofs have also been damaged by snow load. Please remember to check, or have a friend check the amount of snow on your porch enclosure roofs. Sandy Pines commonly has lake effect snow. As a result, the Park normally has more snow than inland areas.

The Ranger Station will have phone numbers of persons that clean snow off roofs. Please contact us for those individual's phone numbers if you need to have snow removed from your porch roofs. Golf cart roof bowing can also occur from the accumulation of snow. Don't forget to check your golf cart roofs, if stored outside.

### **Lake Ice:**

As the days begin to get colder, ice will form on the lake. Please use great caution when going out on the ice. A general guideline of four inches of new, clear, ice is the minimum thickness for travel on foot. A general guideline of five inches of ice is required for snowmobiles. Remember...these are general guidelines, and many factors besides thickness determine the safety of ice. The lake does have a constant current and under water springs. These can make the ice weaker in various areas. Don't risk your life to get out on the lake to fish or snowmobile. The water is very cold and hypothermia can place your life at risk, should you fall through the ice. Always go with a buddy.

### **Snowmobiles usage of the Park:**

Please operate snowmobiles on Park roadways, and abide by the 10 mph speed limit and vehicle operation rules. Operators must have a State driver's license or State issued Snowmobile Safety Certificate.

Please do not cut across member sites or drive in green areas. If driving along the lake, be careful not to run into a dock or boat stake along the shoreline. Roadways in the Park are often snow and ice covered. Stopping distances increase. Use caution and slow down when traveling around curves. Snowmobile trails are near by Sandy Pines and connect with the Nature Trails in Phase 3. Snowmobile trail maps are available at local retailers.

### **Park Roads and winter conditions:**

Maintenance does a very good job of plowing the roadways in the winter. However; winter storms and lake effect can cause Park roadways to be filled with snow. Expect the roadways within the Park to be snow/ice covered and slippery. If you decide to come to the Park, be aware of the weather forecast and contact the Ranger Station to check current conditions. Lake effect snow can accumulate quickly, and blowing snow can fill roadways. Maintenance is not in the Park 24 hours a day. Park roadways can, and do, fill with snow that impedes travel. If the weather changes, you may want to decide to leave before heavy snow or snow storms, or plan ahead to stay in the Park until roadways are cleared. It can be a few days after severe storms before county roadways or Park roadways are cleared.

Please do not park in the roadways within the Park. This prevents our plow trucks from being able to get through to plow the streets. If you plan to come out to the Park, please plan to clear your driveway, park at the nearest convenience center, at the core parking lot or the Adult Recreation Center parking lot.

Getting to your site over the plowed snow banks and through the snow can be very exhausting. People with health conditions may have a difficult time reaching their site.

Plan ahead if you have health conditions that will prevent you from walking distances, or prevent you from shoveling snow. Don't over exert yourself!

### **Park Inspector News** by Don Weiss

I hope that everyone is having a great holiday season so far. I am back on third shift for the most part this winter, so e-mailing me at [Inspector@sandypines.com](mailto:Inspector@sandypines.com) will probably be the best way to get any questions answered. If you want to know when I will be here, you may call the Ranger Station and ask when I am working.

If you do not use e-mail and you want to get a permit, please refer to the Sandy Pines Handbook to see what needs to be submitted along with your filled out application. You may leave these on my desk, and I will review them and leave a permit on my desk with your site number, if it is approved. If I have a question about the application and you do not want to be called, then please leave an e-mail address for me. If you would prefer a call either late at night or early morning, please indicate that on the paperwork. As always, if you have any questions or concerns, please feel free to contact me.

# ADULT RECREATION UPDATES

## Adult Recreation by Terry Derks, Adult Rec. Supervisor

Greetings from the Adult Recreation Department at Sandy Pines. We hope you are enjoying your winter season no matter where you are. Some of you may be south and some are not, and are getting ready to bear the Winter Wonderland right here in the North Country!

At Sandy Pines, many of the 2013 activities are already planned and on the events calendar. Here are just a few activities that we have finalized for you and your family to enjoy.

We have three great Bus Tours scheduled. You can read about them on the next page, but let me give you a brief description. Our first trip is to Sound Bend, Indiana, where we will visit the Studebaker Museum and the Oliver Mansion. I have personally been to this attraction twice, and I highly recommend this tour. We are also including a tour of the Notre Dame College Campus.

Our second trip is the new musical "Half Stitched" at the Blue Gate Theatre in Shipshewana. You just know that this will be an awesome time.

Our final trip is ALL NEW! A shopping trip in August...yes, ladies...I said shopping trip...to the famous "IKEA" store and Woodfield Mall, in Chicago. The Recreation Department is sponsoring this great trip, and it is priced right at just \$49! This price also includes dinner on the way home. Wow! Don't hesitate to sign up for this one...when it's full...it's full!

Both the 2013 Adult and Junior Golf Outings are finalized and on the website for you to check out and register for. We have tweaked the 'Golf Fore Fun' event, so be sure to check it out!

The Art Expo is being moved to the Pavilion this year. We will be announcing all of the details and changes on this Expo soon. We look forward to enjoying all of the artistic talents of our members. This was a great event last year, and we anticipate that it will be even better this year!

Christmas in August, the Cardboard Boat Regatta, Family Day, Garage Sales, Flea Markets, Pot-Luck Dinners, Fireworks, Parades and many other events are being planned for your summer enjoyment. Watch for details in future issues of the Footprints.

## UPCOMING ADULT RECREATION TRIPS

### STUDEBAKERS, CHOCOLATE & THE GOLDEN DOME

**(THIS TOUR INVOLVES EXTENSIVE WALKING WITH STAIRS) THURSDAY, JUNE 27, 2013 COST: \$93.00**

Because of its location in the St. Joseph Valley Region and on the St. Joseph River, SOUTH BEND, IN developed a rich agricultural and industrial history. We will explore its biography beginning with The Studebaker National Museum which contains corporate displays of the Studebaker Corporation, the Packard Motor Car Company and other South Bend area industries. We'll then enter the Center for History Museum which describes South Bend's fascinating local history.

Tippacanoe Place Restaurant and previous home of the Clem Studebaker (Founder of the Studebaker dynasty) family will host our included lunch before our tour of Copshaholm - the Joseph D. Oliver Family Mansion. Built in 1895-96, this 38 room, 3-story mansion is on the Register of Historic Places and was home for 72 years to the family who founded the Oliver Chilled Plow Works in 1853 by James Oliver.

Our tour will take on a new look as we capture the Inside Scoop on a tour through the South Bend Chocolate Co. Watch candy production and packaging before sampling the finished products.

Our last activity today will begin on the Campus of The University of Notre Dame. A campus filled with beauty and spirit, we'll see Gothic buildings, expansive quadrangles and landmarks including the Golden Dome, Touch-down Jesus, the Grotto of Our Lady of Lourdes and the Basilica of the Sacred Heart.

Remember the Bonnie Doon Drive Inn display on the third floor of the Studebaker Museum? Let's go to the actual Drive-In for our self-pay dinner this evening before departing for home.

### SIX LOOSE THREADS AND AN AMISH WIDOW...Half-Stitched, The Musical

**THURSDAY, JULY 25, 2013**

**Cost: \$98.00**

Amish widow Emma Yoder's first quilt class brings the most unlikely people together. There's Star, a young woman yearning for stability; Pan and Stuart Johnston, a struggling couple at odds in their marriage; Paul Ramirez, a young widower hoping to find solace in finishing a quilt; Jan Sweet, a rough and tough biker doing some creative community service; and Ruby Lee Williams, a preacher's wife looking for relaxation when parish problems mount. But as these beginning quilters learn to transform scraps of material into beauty; their fragmented lives begin to take new shape with the helping hands of each other and the healing hand of God. "The Half-Stitched Amish Quilting Club" is an endearing tale about turning around the troubles in our lives and making good come from them. It is a story about letting past hurts shape who we are today and seeking forgiveness from those we truly love. This group of "half-stitched" quilters will truly touch your heart and give you plenty to think about. "Don't miss this one!" A stop at E & S Bulk Food Store and an included dinner at Das Dutchman Essenhaus will round out our day.

From there, a two person scramble format is used, each person plays a ball from the same location until holed (the lowest score is recorded on card).

**Holes #13 & 16:** Each player plays his/her ball start to finish.

The tournament committee randomly selects one hole from which scores will be subtracted from team total. Team Names and Scores are posted on Clubhouse Score Board.
